HANDY HUSBAND.

Know How to Get Part of the Breakfast.

"I know one dish I can prepare for breakfast as well as any cook on earth, said my husband one morning when the cook was ill and he had volunteered to help get the breakfast. He appeared with his dish and I discovered it was Grape-Nuts which, of course, was easy to prepare for it was perfectly cooked at the factory, but it was a good illustration of the convenience of having Grape-Nuts about.

"We took up Grape-Nuts immediately after returning from a five years' sojourn in a hot country. Our stomachs were in bad condition and we were in poor health generally.

"In a day or two we liked Grape-Nuts better than any other kind of food on the table. We both gained steadily in health and strength, and this was caused by Grape-Nuts and Postum.

"A friend of ours had a similar experience. She was seriously ill with indigestion and could find nothing to eat that would not give her heartburn and palpitation, especially at night.

"She found that a small dish of Grape-Nuts with cream made her a satisfactory supper and gave her a comfortable night's rest. In a short time she gained several pounds in weight."

"There's a reason." Name given by Canadian Postum Co., Windsor, Ont.

ADDRESS AND PRESENTATION

A very pleasant evening was spent at the home of Mr. Ira Shaw, West Cove Head, on Saturday evening last, when the officers and teachers of Cove Head and Brackley Point Sabbath School met to bid their pastor farewell with the following address and presentation. To the Rev. F. S. Coffin, we, the officers, teachers and scholars of Cove Head and Brackley Point Sabbath School, wish to express to you as our pastor our sincere gratitude for the earnest efforts you have put forth for the advancement of our sabbath school work while in our midst. The clear and simple way you explained the lesson passages enabled the youngest child to understand them and the thorough training in and the plain meanings given to the catechism questions encouraged the scholars to not only feel it a duty but a pleasure to prepare their lessons faithfully, and we older members may also add we feel bound to study the lessons more closely to keep pace with our classes. It is with regret we see you leave us but we must remember that our loss will be another school's gain. We feel we will voice the sentiments of every member of our school when we say you will take with you our highest regards and esteem. We will always look back on the past year as a bright and profitable period in our sabbath school work. We pray that the blessings of God may richly attend you in every field of labor to which you may be called, and when called upon to lay down life's burdens may you be able to say with the Apostle Paul, "I have fought a good fight, I have finished my course, I have kept the faith." In closing please accept this small token of our esteem: Signed on behalf of teachers and scholars, Ira Shaw, Superintendent, Peter J. McDonald, Sect-Treasurer.

Mr. Coffin then feelingly replied in a few well chosen words. "It is no affectation on my part to say that this is a complete surprise to me, Sabbath School work has always been a pleasure to me more than a duty. I started as a teacher and wherever I have laboured I liked to help in the work, as I consider no work greater than that of training the minds of the children. I have found the scholars of this school as bright as any I have taught, I have been helped by faithful teachers and officers and will always look back upon the past year that I have spent among you with pleasure." In closing he said he hoped the next pastor would carry on the good work, as he considered it the duty of every minister to take the deepest interest in sabbath school work. Music, singing and conversation were then indulged in, after which luncheon was served by Mrs. Shaw. About eleven o'clock all departed feeling they had spent a pleasant evening.
