FOUR DAYS OF LAUGHTER AT PRINCE EDWARD NEXT WEEK

"Laugh and the World Laughs with you, Weep and you Weep Alone" is a trite and well worn expression. There will be many tears in evidence at the Prince Edward next week during the four day engagement of "The Freshman" but they will represent excited and unrestrained laughter as Harold Lloyd's latest comedy, which next week will be a current attraction in New York, Los Angeles, Philadelphia and Charlottetown, is probably the most successful fun maker ever produced. Not only is Charlottetown playing day and date with the big cities mentioned, but in these metropolitan centres there is no more popular picture being shown at the present time.

PITTSBURGH PIRATES DEFEAT BOSTON BRUINS, TWO TO ONE

BOSTON, Nov. 27.—The Pittsburgh "Yellow Jackets" now calling themselves the Pirates, stepped from the ranks of amateur hockey tonight to defeat the Bruins of Boston in the opening game of the N. H. L. season. The score was 2 to 1.

The Boston Arena was jammed with a holiday crowd to see Pittsburgh's first appearance as professionals and the former Western club of the Amateur Association proved themselves a far stronger offensive team than the more seasoned Bostonians.

Referees: O'Leary and Bell. BOSTON—Stewart, goal; Hitchman and S. Cleghorn, defence; Brackenborough, centre; Herbert and Shay, wings; Mitchell, Goran, Jackson, Cooper, Stuart, subs. PITTSBURGH—Worters, goal; Smith and Conacher, defence; Milks, centre; Darragh and McCurry, wings; Berliquette, Spring, Drury and White, subs.

Aims To Follow In Jimmy Wilde's Path

NEW YORK, Nov. 25.—He has been called a "second Jimmy Wilde" by Ernie Jarvis, the latest flyweight to come across from England to try his fighting fortunes in America, and he has shown enough in his two bouts here to warrant the belief that he will go far in his climb toward a championship. But a "second Jimmy Wilde"? Hardly. They bring out a Wilde only once in a generation, if that often.

Like Wilde who was of Spider physique, Jarvis packs a remarkable punch, quite out of keeping with his size and weight, but he does not compare with Wilde as a boxer. Jarvis likes to get in close to his man and while away at the body. It was by such methods that the won from both Black Billy of Cuba, and Johnny Breslin. Johnny outboxed the little Englishman at long range, but whenever they got to close quarters Breslin was forced to back away from the fierce exchanges. British boxers, as a rule, have not shown to advantage at infighting when meeting Americans. Jarvis is one of the exceptions. He is a sweet puncher. Jarvis has his eyes on the world's flyweight title, and he has shown a perfect willingness to fight his way through the ranks of the dangerous contenders.

FOOTBALL TODAY

The final game of the City Football League takes place this afternoon at 3.15 o'clock at Victoria Park between the Stars and Anchors.

All who have followed up the games already played in this league are unanimous in the opinion that the brand of playing has been the best seen in years and it is with great interest that this final contest is awaited. There are only two teams in the running now the Rovers have been forced to drop out.

Both teams the Stars and Anchors are evenly matched and no doubt a lively game will be the order of the afternoon.

BASKETBALL AT Y TONIGHT

At the "Y" the Midget league will play a game, the contesting teams being the Anchors and Stars.

Those teams are putting up an excellent brand of ball and are well worth watching.

At eight o'clock the City League game will get away, the Stars and Rovers doing the honors. It will be remembered that the last time those teams met the Stars easily outclassed the Rovers but since that time the latter have made some alterations in the team and last Wednesday night they defeated the Anchors who are the leaders in the league.

An excellent game is being anticipated, so come along and join the crowd.

Geo. Gibbons Scored Two Knockouts Same Night

CLEVELAND, Nov. 27.—Two knockouts in two cities within two hours were scored last night by George Gibbons, Cleveland middleweight. Gibbons won a technical knockout at Barzerton, over Frankie Klaus, Akron, when the referee stopped the bout in the first round. He then raced about 25 miles to Canton, where he knocked out Billy Hirsch, of that city in four rounds.

Race Horses Are Leaving France

PARIS, Nov. 27.—While the French government is being warned of the exodus of capital on account of its financial proposals, French racing circles fear they may have to fight against an exodus of race horse owners. Finance and turf are linked by the same problem. Owing to the fall of the franc the prizes offered here, once so tempting here from an international viewpoint, shrunk to very small proportions. The Grand Prix is worth about \$27,000, compared with \$85,000 before the war. It is difficult for owner however successful to pay their expenses.

Martinez De Hos heads the list of winning owners this year. His horses trained by Frank Carter, won thirty-four races on flat and brought \$74,000, not half the amount won by Lord Astor or J. B. Joel in England.

CHURCHES TO CELEBRATE.

ROME, Nov. 27.—The close of Holy Year is to be celebrated on December 31 in all the Catholic churches of the world by a special ceremony, instructions for which will be outlined in an encyclical to be published soon.

Dartmouth Request To Be Considered By M. A. H. A.

MONCTON, N. B., Nov. 27.—The Maritime Amateur Hockey Association will meet in Truro on Friday, December 4, according to word received by the Moncton Atlantians, which represent the city in the association.

Two important questions are slated for discussion. They are in the form of resolutions. One deals with the residence rule which the Halifax City League wishes suspended so as to permit a Dartmouth entry, and the other with the redistribution of the New Brunswick teams, owing to dissatisfaction with the present sections and the dropping out of Sussex, runners-up in the battle for the Maritime Hockey title last season.

GRANGE GAME HORNSBY SETS NEW BATTING TICKETS BRING MARKS FOR FIVE YEAR AVERAGE AS HIGH AS \$25

NEW YORK, Nov. 27.—Rogers Hornsby, hard-hitting manager of the St. Louis Cardinals, has removed any doubt of his place among the greatest batsmen of modern times. When "Rajah" led the National League for the sixth straight time this season he also compiled the astonishing five-year batting average of .402, a mark which eclipses by two points the best five straight years Ty Cobb ever had. Cobb amassed an average of .400 in his best stretch of batting, 1909 to 1913, inclusive. Hornsby's marks for the 1925 season, his first as manager, were as follows: Batted over 400 for the third time, equalling all records in the history of the game. Led both major leagues in batting. Led both major leagues in home runs. Scored 133 runs and made 203 hits, including 40 two-baggers, ten triples and 39 homers. Hornsby a native of Winters, Texas, of rugged build and with 160 pounds distributed through his 5 feet, 11 1/2 inches, appeared with the Cardinals for the first time in 1915. He was purchased from Dennison for the Western Association for a reported \$500. He came to the majors in an era that had produced Ty Cobb and Tris Speaker, and immediately following upon that which brought forth Hans Wagner and Nap Lajoie. Batting record considered impregnable had been erected by this quartet. For a time the bat of Hornsby was in restraint, for his activities as a short-stop undoubtedly took much from that sturdy frame during a season. It was in 1920 that the Texan went to second base to remain there and become, perhaps the greatest batsman of all time. When Hornsby started his attack upon the hitting crowns, Babe Ruth was polling looping flies over the far fences and the nation's fandom thought in terms of home runs. The old-time rugged hitter was forgotten, the men such as Lajoie and Wagner. Even Cobb and Speaker were obscured by the phenomenal Ruth. But the Cardinal second baseman persisted in his quest, smashing away at the deliveries of National League pitchers until he became one of the most feared of batsmen. He gained his first crown in 1920, equalled and passed the four-time championship of Wagner, and then in 1924 set up a modern season mark with 423. During Hornsby's rush to renown, Cobb Speaker and Ruth faltered and today the manager of the Cardinals is considered the greatest hitter of them all.
