THE AUTOMOBILE QUESTION.

SIR:—Our Legislature being in session this ought to be a suitable time to ventilate the automobile grievance.

On the high-road and on the by-road, in almost every town, village and settlement in the province life and property are endangered simply because a few people of our city desire to run motor machines.

The leaders of the Government and the Opposition should get busy in this matter before the present parliament expires; And, if the men who compose our Assembly cannot see their way clear to rise to the occasion, it ought to be the duty of the electors of this country at the approaching general election to place candidates in the field who will pledge themselves to vote for the passing of an Act prohibiting the running of automobiles in Prince Edward Island. As one who resides near the southern approach to the Hillsboro Bridge I most emphatically protest against the use of these machines on that important thoroughfare. In its unlighted state it furnishes a favorite resort for the highwayman and his next door neighbor the loafer—and this condition of darkness we are compelled to tolerate—but surely it is not too much to demand, that we be protected from the automobile peril.

Yours etc.
G. F. DEWAR.

Hopeton, February 28th, 1908.

THE RAILWAY COMMISSION.

SIR:—I read with pleasure your timely article anent the proposed enlarged Railway Commission. Where so much power is delegated it goes without saying that those commissions should be as representative of the whole country as is our Parliament and we know that in the past this phase of the question has been overlooked. Now that an opportunity offers we should with one voice demand that we be represented. Our transportation problem is easily first in the Maritime Provinces and requires a man in touch with our conditions and one who is withal not insular in his views. It will be generally conceded, Sir, that we have the man. I would therefore go a step further than you and nominate Captain Joseph Read as the Prince Edward Island man eminently qualified for the position. Let us see if we cannot sink personal differences and have the support of the Island press and people irrespective of politics in an effort to have Captain Read appointed. We feel assured o. The Guardian's support and you wil bear me out in saying that politica, and personal differences are sunk o. my part in making the nomination.

PATRIOT.

WATCH THE STOMACH.

HAVE YOU ANY OF THESE SYMPTOMS?

If you have either variable appetite, a faint gnawing feeling at the pit of the stomach, unsatisfied hunger, a loathing of food, rising and souring of food, a painful load at the pit of the stomach, choking sensations in the throat, headache and dullness of spirits, constipated bowls with alternate diarrhoea, are you gloomy and miserable?

THEN YOU ARE A DYSPEPTIC.

The cure is careful diet, slow eating, thoroughly chewing the food; avoid drinking at meals.

Keep regular habits, shun stimulants, tone the digestive powers and regulate the stomach and bowels with Burdock Blood Bitters. It has cured the worst forms of dyspepsia, even of twenty-five years duration. Mrs. Geo. Parks, Cooper, Ont., was cured; she writes: "I have used Burdock Blood Bitters and find that few medicines can give such great relief in dyspepsia and stomach troubles. I was troubled for a number of years with dyspepsia and could get no relief until I tried B.B.B. It helped me right away and I think it a wonderful remedy. I would recommend it to all sufferers from dyspepsia.

EAT ORANGES

IF YOU WANT TO KEEP WELL

Careful tests have proved beyond question that orange juice has clearly defined medicinal virtues. Those who suffer with Indigestion—are compelled "to diet"—find that after eating oranges regularly for breakfast there is no distress, no palpitation.

Where there was a tendency towards constipation, the eating of oranges regulated the bowels.

In skin troubles, those who began the morning meal with an orange were noticeably improved.

There is, however, a quicker way to get better results. This is to take one or two "Fruit-a-tives" tablets at bedtime in addition to the juice of an orange before breakfast the next morning. "Fruit-a-tives" are the juices of oranges, apples, figs and prunes, in which the medicinal action is many times intensified by the special way of combining them. Valuable tonics are then added.

Take the juice of an orange before breakfast—take "Fruit-a-tives" at night—and you will quickly be rid of Indigestion, Stomach Troubles, Constipation and Biliousness. "Fruit-a-tives" are sold by all dealers at 50c a box—6 for $2.50. Sent on receipt of price by "Fruit-a-tives," Limited, Ottawa.
