

County Court At Summerside

The County Court at Summerside was occupied on Wednesday with the case of John A. Lea against Jane Wall. The claim was for the price of a fox and a gramophone alleged to have been sold by the plaintiff to the defendant in November 1929. The plaintiff claimed that the sale had been outright, but the defendant alleged that the gramophone had really been a loan, and that the fox had been sold by Mr. Lea to her son and daughter as the express condition that if they were not able to pay for the fox they could return it, and that on two occasions they had gone to Mr. Lea and offered to take the fox back.

At the close of the evidence, His Honour Judge Inman held that although the children had some part in the transaction, yet the sale was really to the mother. In reply to the alleged privilege of returning the fox, His Honour intimated that the only way in which the defendants could have availed themselves of this right would be by taking the fox in to the plaintiff and tendering actual physical delivery. His Honour reserved the question of the gramophone and the amount of the purchase price of the fox till Thursday morning, but in the meantime the case was settled by agreement between the parties.

Mr. E. H. Strong, K. C., was Counsel for the plaintiff and Mr. T. A. Campbell, K. C., for the defendant.

On Thursday, January 5th, the case before the Court was William A. Millar against Urban R. Gillis. This was an action for the price of 627 bags of potatoes which the plaintiff claimed he had sold to the defendant in April and May 1931. The defendant on the other hand contended that he had not bought the potatoes outright, but that Mr. Millar had arranged to

HOPEFUL TREND IN GRAIN MART.

Traders Optimistic of Favorable Developments in Near Future.

(Canadian Press) WINNIPEG, Jan. 6.—Advent of investors on the grain exchange and a display of friendliness in trading brought further gains in wheat prices today to leave May wheat 3 1/2 cents higher since the new year. Gains today ranged from 1 1/2 to one cent. May closed at 47 1/2, July at 49 1/2 and October at 49 1/2.

Outside interest broadened considerably with commission houses, Chicago traders and others lined up on the buying side of a market little troubled by weight of offerings.

Some export business was done, but the bulk of the trading was either investment or speculative in character and Chicago was the leader in strength. May wheat at one time went to 47 1/2, representing an advance of 7 1/2 cents from the low point touched in the sharp break, Dec. 16.

Traders are looking with considerable optimism to favorable developments in the near future and the public are reported to be taking an interest in price trends.

There were about thirty-five present, including seventeen guests. A number of officers from the other units were present. The function was a most enjoyable one. Col. U. G. Dawson, Bedouque, Commanding Officer of the Highlanders presided, with Major W. J. MacDonald second in command. Among those who spoke at the dinner were Col. Sparring, Officer Commanding Military District No. 6, Mr. W. Chester S. McLure, M.P., Honorary Colonel of the Artillery units; Major Hold, of the St. John Fusiliers; Col. G. E. Full, Col. Andrew, Major Conrad, Col. MacNevin.

Miss A. Thelma Cook, Malden Mass., is visiting her sister, Mrs. Ralph Jenkins, Rochford Apartments.

Mr. H. A. Ebers, Jr., B. A., student at McGill University, leaves this morning for Montreal to continue his studies. He spent his Christmas holidays in the city with his parents.

Buying Still Brisk In Summerside

The fur business in Summerside is still going strong, although most of the foreign buyers have left, the local fur men are still buying pelts and shipping them in large quantities to the different fur centres. The Fox Breeders' Association and Fur Pool are handling large quantities for shipment abroad. The price remains fairly good and the farmers are getting some ready cash by this means.

Rayner Fur Sales attracted considerable attention on Thursday, the general opinion being that prices were better than at other Canadian markets, and equal to those realized in the European markets. Mr. Rayner expressed disappointment that there were not more Island skins offered, most of the shipments coming from Nova Scotia, New Brunswick and Ontario. It would appear as if the silver fox business is holding its own in spite of reputed hard times and shortage of cash.—S.

Wrecked Liner Nearing Port

CHERBOURG, France, Jan. 6.—(A.P.)—The blackened hulk of the once luxurious liner Atlanticque was slowly approaching this port tonight under tow, with three Dutch sailors aboard marooned by the rough sea. French tug claimed priority in taking possession of the abandoned vessel, which burned in the English Channel Wednesday with the loss of eighteen members of the crew, and Captain Schoofs, Master of the ship was in charge of operations.

His family life. Childhood friends and old neighbors will stand with heads bowed, as he stood in 1924 when his son Calvin was buried and two years later when his father was interred.

Simple Service

The simplicity of the service in Jonathan Edwards Congregational Church follows the wishes of Mrs. Coolidge. She herself chose two of the three musical selections that will have their place in the programme. They were selections both she and Mr. Coolidge liked: a prelude from "The New World Symphony" and "Oh, Love That Will Not Let Me Go." The third piece, "Lead, Kindly Light," will be sung by the church quartette.

At 1 o'clock Mr. Coolidge's body will be taken from his home, "The Beeches", where yesterday Mrs. Coolidge found him lying dead on the floor of his dressing room. The casket will be borne by six policemen, members of the Northampton force who will represent the affection his home city felt for the former President.

Body Will Lay In State

Upon reaching the church the body will lay in state for an hour that the rich and the poor, the important and the unimportant of the city and the nation may pay their final respects to the former chief executive of the nation. An invocation and a benediction and the selections by the organist and church quartette will make up the services. Then the casket will be placed in a motorized hearse and the funeral cortege will travel over the 100 miles of highway to Plymouth. Mrs. Coolidge with her only surviving son, John, and his wife will occupy the family pew during the services.

Bearing Up Well

Mrs. Coolidge, who was shocked in finding the body of her husband, was "bearing up very well" under the strain. In her grief she turned to her son and daughter-in-law and Mrs. R. B. Hills, who had been with her since the death of Mr. Coolidge. Her burden was eased by the knowledge that the loss of her husband was felt throughout the world. Hundreds of messages of sympathy poured into the Coolidge home. Most of the New England States are sending delegations, most of them headed by the Governors, to attend the services.
