St. Martin's Que., May 16, 1895. C. C. RICHARDS & CO.

Gentlemen,—Last November my child stuck a nail in his knee causing inflammation so severe that I was advised to take him to Montreal and have the limb amputated to save his life.

A neighbor advised us to try MINARD'S LINIMENT, which we did, and within three days my child was all right, and I feel so grateful that I send you this testimonial, that my experience may be of benefit to others.
