Superior Merit.

Remarkable Curative Properties of a Remedy for Indigestion and Stomach Weakness.

Stuart's Dyspepsia Tablets, a preparation for the cure of dyspepsia and the various forms of indigestion and stomach trouble, owes its great success as a cure for these troubles to the fact that it is prepared for disease and weakness of the stomach and digestive organs only, and is not recommended or advised for any other disease.

It is not a cure-all, but for any stomach trouble it is undoubtedly the safest, most sensible remedy that can be advised with the prospect of a permanent cure. It is prepared in tablet form, pleasant to taste, composed of vegetable and fruit essences, pure pepsin and Golden Seal, every one of which act effectively in digesting the food eaten, thereby resting and invigorating the weak stomach; rest is nature's cure for any disease but you cannot rest the stomach unless you put into it something that will do its work or assist in the digestion of food.

That is exactly what Stuart's Dyspepsia Tablets do, one grain of the digestive principle contained in them will digest 3000 grains of meat, eggs or similar wholesome foods, they will digest the food whether the stomach is in working order or not, thereby nourishing the body and resting the stomach at the same time and rest and nourishment is nature's cure for any weakness.

In persons run down in flesh and appetite these tablets build up the strength and increase flesh, because they digest flesh-forming food which the weak stomach cannot do, they increase the flow of gastric juice and prevent fermentation, acidity and sour watery risings.

Stuart's Dyspepsia Tablets can be found at all drug stores at 50 cts. per package.

HIS OWN FREE WILL.

Dear Sirs,—I cannot speak too strongly of the excellence of MINARD'S LINIMENT. It is THE remedy in my household for burns, sprains, etc., and we would not be without it.

Effect of Electricity.

An interesting calculation has recently been made by an English statistician, in which he shows that when the electric light has entirely displaced gas, oil lamps and candles in the United Kingdom, there will be 40,000 less deaths annually, these illuminants being so much more unhealthful than electricity.

PARALYSIS CURABLE.

Stricken ones to be seen Everywhere—This Form of Living Death cured by Dodd's Kidney Pills.

The most startling example of human helplessness is the paralytic. The victim excites your commiseration, but resents your pity. He of the palsied hand stiffly pressing the benumbed side is to be seen everywhere we go. The most convincing proof that this pitiable condition is the outcome of kidney disease is the fact that Dodd's Kidney Pills cure it. Not generally recognized as a kidney disease, it succumbs to kidney treatment. Did you ever know of a cure? Just think a moment! If you do it must have been the work of Dodd's Kidney Pills, for no other medicine ever yet cured.

PRINCE EDWARD ISLAND

And Its Attractions to Tourists.

Prince Edward Island's summer climate is delightful, and the scenery is beautiful and quietly picturesque. Surrounded by the Gulf of St. Lawrence, it enjoys all the coolness of the sea breeze, and the advantages that can only be derived from sea bathing, at about 65 degrees.

Charlottetown has over 12,000 inhabitants, and is the capital. It has many great retail stores, banks, a large wholesale trade. It has a Gas Light and Power Company, two Electric Light plants, and a street railway in embryo. It has a first class water works and sewerage system. It is famed for its wide and shaded streets, its many pleasant drives, the principal of which is the new Park Boulevard, its attractive surroundings, pure water, and clear, cool and bracing air. It is widely known as one of the healthiest cities in Canada. It has two hospitals, many churches and a large and elegant new Opera house. It also has several fine public buildings and a market which is one of the chief sources of the citizens' pride. It has one of the largest and best equipped pork-packing establishments in the Dominion. On its west side is Victoria Park—a favorite summer resort—while on the east are the magnificent new Exhibition Buildings and Driving Park. Chief among its public squares is Queen Square in the centre of the city, beautifully laid out with blooming plants of every description, fountains, and well arranged walks, and enlivened with a band of music during the summer evenings. The rural scenery in the vicinity of Charlottetown is charming, and horses for driving are abundant at very low prices. Boats can also be hired, and steamers run regularly on the bays and rivers, affording most pleasant excursions. The principal hotels are Davies, Queen, and Revere.

Summerside has about 4000 inhabitants. It is situated on beautiful Bedeque Bay. It has the largest and finest departmental store in the Maritime Provinces, besides having other large retail stores. It has an Electric Light Plant, and a water works system and sewerage are being agitated for. The hotels are—Clifton, Russ and Campbell.

Georgetown and Souris have a population of about 1,000 each. In the former are the Aitken, and Tapper hotels and in Souris the Sea View.

At Cape Traverse, a very pleasant summer resort, is the Landsdowne hotel; in Alberton, the Albion Terrace and Wismer; in Tignish the Railway and Bellevue; in Kensington, Clark's and Commercial; in Montague, McDonald; and in Mount Stewart, Clark's and Manson's.

The following hotels open for the summer season: At Hampton, Pleasant View; at Stanhope, Mutch's and Cliff; at Brackley Point, Shaw's; at Rustico, Seaside; at Malpeque, North Shore; at Tracadie Beach, Acadia; at Alberton, Seaford; and at Pownal, Florida.

In addition to those already mentioned there are other towns and villages in the Province with hotel accommodation, while many farm houses prepare for the reception of tourists. The rivers and streams team with trout, the bays with mackerel, while game of every description abounds.

Dodd's Kidney Pills

are the only medicine that will cure Diabetes. Like Bright's Disease this disease is incurable until Dodd's Kidney Pills cured it. Doctors themselves confess that without Dodd's Kidney Pills they are powerless against Diabetes. Dodd's Kidney Pills are the first medicine that ever cured Diabetes. Imitations—box, name and pill, are advertised to do so, but the medicine that does cure

Diabetes

is Dodd's Kidney Pills. Dodd's Kidney Pills are fifty cents a box at all druggists.
