The surveying of a piece of property at North Lake has been completed in preparation for erection of a radar station there.

...*The farmers of East Point and vicinity have almost completed gathering their heavy hay crop. Some farmers reported more hay than they were able to handle

Mr. and Mrs. John F. Millar have returned to their home in Montreal after spending an enjoyable three weeks vacation at the home of Mrs. Millar's parents Mr. and Mrs. John J. MacDonald, East Point.

There were approximately sixty junior farmers from this vicinity attended the field day at the Experimental Farm on Monday, Aug. 23. That was a remarkable turnout considering that the group was formed in the latter part of May. They reported that the field day was an immense success. The baseball game between St. Peters Batsmashers and East Point Eastern Stars attracted keen interest. Ironically enough the only bat smashing done was by an Eastern Star player. At the end of the fifth inning darkness called a halt to what was developing into a tight struggle. The Eastern Stars who considered a half completed ball game as insufficient in testifying the ability of either team challenged St. Peters Batsmashers to a rematch on Sept. 5 at the Eastern Stars sports field at South Lake.

We've heard it said that a woman can always take herself out of the "blues" by going out and buying a new dress. Since that isn't always practicable, the next best thing works well, too—putting on crisp, freshly cleaned clothes has the same effect — especially when it's work of Rite-Way quality.
