Report of G. Scribe of Grand Division

Submitted at the Recent Quarterly Session Held in Charlottetown—Interesting Statistics and General Information

The Grand Worthy Patrician, O.M. of the Grand Division of P. E. I. for 1907, in his report to the quarterly session held in Charlottetown, P. E. I., on May 13th, 1907, has presented a most interesting and comprehensive report of the work of the Grand Division during the past year. The report is a most valuable contribution to the knowledge of the members of the Grand Division and is a most interesting and comprehensive report of the work of the Grand Division during the past year.

The Grand Division of P. E. I. has during the past year, a membership of 152, which is breaking its own record for the province. Prince Edward Div. No. 1 has secured second place with a gain of 12 for the quarter, while Victoria No. 4 has third place, which is a creditable showing for our two Charlottetown divisions. Try Again and Try On have both made a gain of 14 each, and are riding fast to the front. These two divisions have splendid material and will prove themselves worthy foes. A few of our divisions have been doing a good prancing business. Well this is right, but I would urge P. Scribes to be more active in collecting fees at end of each quarter and thus avoid unpleasantness. It gives us sorrow to mention that death has intervened during the past year. I refer to the late Bro. Clark Stevenson of Raffle Division which will be referred to by the committee on obituary.

WHAT OUR DIVISIONS ARE DOING.

The following divisions celebrated their anniversary during the quarter, with appropriate program, "Heather" Div. Long Green, "Try Again" Div. Bonshaw, "Steadfast" Div. Hampton, "Now Glasgow" Div. L. visited their 44th anniversary on Wednesday eve, April 3rd when a splendid program was rendered by the members, "Onward" Div. V. oria.

The following divisions paid fraternal visits: Kingston Star visited Brookfield of P. E. I. and returned, Rising Sun and Hazelbrook visited Prince Edward where they were treated royally by the members of "Prince Edward" Steadfast visited Onward, had refreshments, "Alton" visited Heather, had refreshments, Steadfast visited Try Again, King Edward visited Try On.

The following were special evenings: "Raffle" division had a supper and concert at which an address was presented to Bro. John Weeks who was talking his departure for the west. Prince Edward held a social and entertainment on Tuesday evening, "Olive Branch" held a social and entertainment on Wednesday eve, Feb. 28th. The snugglers of 847, was real and which goes to Division's heavy fund, Shining Light, on Tuesday eve, Mar. 26th waited on their Deputy Rev. E. J. Rattee before his departure on a trip to England and presented him with a purse and address.

REGAINED NERVE AND VITAL ENERGY.

From Walton P. O. Que., comes the following from Mr. Nasale Deane: "If anyone had told me any remedy would build up my nervous system so well, I would not have believed them. Before using Ferronose I was run down in nerve and vital energy and in very weak condition. I didn't get enough sleep at night, felt poorly in the day time. Ferronose has done me with energy and vim, increased my weight and has given me a new man."

The same story, weak and depleted, everything coming in a pile, I tell you. They took Ferronose and all was changed to health and vitality. Price 50c per box at all dealers.

Experience of a Beautiful High School Girl.

My dear Mrs. Pinkham—I write to see if you can suggest some means to cure me. A little more than a year ago I was unwell for the first time and since then I have been sick all the time in some way or other and suffered with painful and irregular periods. I went to a summer resort for my health and was doctored all summer, but to no effect. I have not been myself for two months and thought I would see if you could do me any good. I attend High School and would not like to miss any time if it is possible.
