Saving Teeth is Dentistry

Everyone has seen the sunken cheeks and marred appearance of the faces of those who have lost their teeth. Beauty, a thing so much desired is often destroyed by the ruthless use of the forceps and health a priceless treasure, is often lost from the extraction or decay of the teeth. Everyone knows of, if they have not experienced, the tortures of indigestion arising from the improper mastication of food dependent on the loss of the teeth.

SAVE YOUR TEETH!

Because a tooth is decayed or aching is no reason why it should be extracted. By proper treatment it can be restored to health to do the work nature intended it for. Give your teeth attention before it is too late. Remember

To Enliven the Liver

Dr. CHASE'S KIDNEY-LIVER PILLS.
THE GREAT SPECIFIC FOR LIVER AND KIDNEY DISEASES.

It is the liver that is largely responsible for indigestion and constipation—derangements that are a constant source of trouble.

The bile, which, when left in the blood, is a poison to the system, causing biliousness, headache and muddy complexion, becomes of priceless value, when passed into the intestines to aid digestion and ensure regular action of the bowels.

The healthy liver separates bile from the blood and sends it into the intestines. IF YOU FIND YOUR LIVER SLUGGISH AND TORPID IN ACTION DR. CHASE'S KIDNEY-LIVER PILLS WILL BRING RELIEF AND CURE MORE PROMPTLY THAN ANY TREATMENT YOU COULD FIND.

By enlivening the action of the liver they remove the cause of biliousness, headache, indigestion, constipation and other accompanying symptoms.

This specific action of Dr. Chase's Kidney-Liver Pills on the liver is what makes them of so great worth as a family medicine and ensures them a lasting place in the home.

MR. ROGERS CLANCY, farmer, Chappin, Bruce County, Ont., writes:—"I have used Dr. Chase's Kidney-Liver Pills, and would say that there is no medicine that equals them as a cure for stomach troubles, biliousness, torpid liver and headache. I was troubled a great deal with these ailments before using Dr. Chase's Kidney-Liver Pills, and they have proven wonderfully successful in my case."

One pill dose at bedtime and Dr. Chase's Kidney-Liver Pills will ensure healthy regular action of kidneys, liver and bowels. 25 cents a box, at all druggists on Edmondson, Bates & Co., Toronto. The portrait and signature of Dr. A. W. Chase, the famous receipt-book author, are on every box.

KITCHENER KISSED.

Rich Incident Which Has Escaped Publication Until Now.

"The story of Lord Kitchener's sangroid, as related by Colonel Marchand, reminds me," writes a Westminster Gazette correspondent, "of a Kitchener incident of which I was an interested spectator. I believe it is one of the few in connection with the South African war which have as yet escaped publication. Lord Kitchener was coming through Cape Town at the end of the war on the way to England, and the corporation of the city gave a luncheon in his honor. I received an invitation and sat in the sixth or seventh place from the General, but, as the table formed an angle between us, I was quite close to him. Sir John French sat near me on the right, and farther away was General Sir Ian Hamilton, who made an extremely happy speech on that occasion. In the middle of the proceedings a little girl about twelve years old, entered the room at the far end, and, proceeding straight to where the great general sat, kissed him emphatically on the left cheek.

"Now, anybody knows what General Roberts would have done, according to the popular impression of his character, on such an emergency. He would have expressed his utmost delight and placed the courageous little intruder upon his knees before the entire company. Lord Kitchener did no such thing. He betrayed no emotion whatever, either of surprise or alarm or pleasure. Sir John French, on the contrary, was visibly amused and evidently wondering whether it would be his turn next. But the little girl had not finished with the conqueror of the Sudan. She passed to his right hand and reached him a little album and pen and ink, with an implied command which was not to be gainsaid. The commander-in-chief obeyed with the same stolid demeanor, and the little girl handed him next a piece of blotting paper, which he passed submissively over the illustrious autograph. Throughout the whole incident, which caused much amusement to the assembled company, the features of the General remained as immovable as an iron mask. The incident was extremely gratifying to many people in South Africa, and to none more so than to the High Commissioner, who found it difficult to conceive how Lord Kitchener would comport himself under such an unusual and unprovoked assault."

Our goods are always priced at a fair living profit only, and—qualities considered—are the most reasonable to be found.

is—to be as well dressed as her purse and her taste will permit her, without extravagant expenditure. We can help her out in this, with our correct and exclusive designs in

READY-MADE SKIRTS

Ready-made Blouses and Shirt Waists

in black, navy, sky, pink, pale green and cardinal silks, some simply tucked, others most elaborately trimmed. Also a nice range in cashmere, lustre, French flannel and flannellette. We also show a superior assortment of

Ladies' Coats and Mantles

Bewitching Creations in Headwear

both from our own workrooms and in the ready-to-wear felt hats. The appearance of an otherwise elegant toilet is often marred by a common place hat.
