WHY NOT OWN AN AUTOMOBILE?

If automobiles are needed anywhere at all they are in the country. One of the speakers of the Women's Institute, at Guelph, recently predicted that the time was near at hand when farmers' wives would run their own automobiles. Nor is the prediction a visionary one. Like the telephone and the trolley, the automobile seems destined to add to the comfort of country life, and the cost will not interfere with your buying. We can sell

Good Second-Hand Machines

at a mere fraction of original cost. These cars are taken by us as part payment for the newest and latest models, and are such as we can thoroughly recommend. Any machine we send out is guaranteed to be in first-class condition, and beyond the fact that second-hand cars are not this year's styles, there is nothing wrong with them in any way. We use them as a means of introduction to the country trade, and make the values extra special to encourage quick buying. If interested, send your name and address for fuller particulars.

CONDITIONS OF THE BIBLE STUDY CONTEST

1. Persons may join the club at any time during the year, but must, of course answer the 50 questions to qualify for the prizes. It is however desirable that the questions be answered as the lessons are studied.

2. Each contestant, or his or her family, must be a subscriber to The Guardian, during the continuance of the contest, in order to qualify for membership in the International Newspaper Bible Study Club and this Local Club.

3. Each contestant in this Local Club, must answer each of the written questions, for 52 consecutive weeks, commencing for Sunday Aug. 23rd, 1908, and the answers must all be in the possession of The Guardian within two weeks of the close of this period, which allows two weeks grace after the close of the contest.

4. Each question must be answered separately, and the paper written on one side only. No answer must exceed two hundred words in length and may be less. It will be a convenience if students will write their answers on letter paper, about 8 1/2 inches.

5. Each answer must have the name and address of the writer at the bottom of the answer, so it can be identified, given a number registered and the name cut off so the examiner may know it by number only.

6. Students should be careful to understand the question before answering. To do this, the lesson text must be read, and especially the verse, or verses, upon which the question is based.

7. The answers from this Local Club must be delivered to the office, and they will be collected at the close of the contest, and forwarded to headquarters for independent examination by competent examiners. The prizes will then be awarded according to the higher number of marks, won by members of The International Newspaper Bible Study Club, and prizes which may be awarded to members of this Local Club will be given out from this office.

Send away for their Job Printing

I have found this to be the case with a number who gave orders to a Toronto firm for printed shipping tags under the impression that they could not get the work done as cheaply in Charlottetown. They know now that the

WORK CAN BE DONE AS CHEAPLY HERE

If I had seen them before their orders were sent I would have got them—and they would have saved a little on the job and have better printed work. YOUR NEW SPRING SUIT

Now is a most opportune time to buy a new Spring suit. Our large stock includes all the new and novel effects. Olive blues, greens and the late shades of grey in their many tints and ton all of rich and pleasing effects. But it is not mere beauty of pattern to which we would call your attention, for good cloth in the hands of a poor tailor means poor clothes. Just a glance at the suits we turn out will convince you that we are high grade tailors. Our suits have that combined elegance of style and neatness of finish, that make instant and eloquent appeal to good dressers.
