KINKORA AND VICINITY

The many friends of Mr. Douglas Murphy, Emerald, are glad to see him about again after his recent operation.

Mr. Wilfred Keefe, Principal of Alberton, High School spent the week-end in Kinkora with his parents.

The farmers of this vicinity are very busy hauling fertilizer and shipping their potatoes.

Central Guardian

Miss Mary Trainor, teacher of Newtown, spent the week-end at home in Kelly's Cross.

Mr. Linus Mulligan, of the Provincial Bank staff in Kinkora has been transferred to Summerside.

Mr. James Hamill has returned home from the Prince County Hospital where he underwent a serious operation. His many friends wish him a speedy recovery.

FACTORY MIXED FERTILIZERS

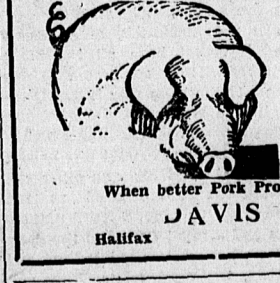

Experience has shown that larger and more uniform yields can be produced by using Factory Mixed Fertilizers, which increased yields pay many times over for the additional cost of the Mixed Fertilizers are compared with the cost of straight Chemicals which are mixed at home.
The percentage of farmers who have gone back to mixing their own Chemicals after having used Mixed Fertilizers is practically negligible, which is surely sufficient proof that there must be something to the argument that Factory Mixed Fertilizers are BETTER and worth the additional cost.
When we advocate the use of Mixed Fertilizers we feel we are working in the interests of the farmers, otherwise we could not recommend them as the success of the farmers on Prince Edward Island means our success.
After making allowance for plant overhead, interest on our investment, and additional labor involved, our net profit on Mixed Fertilizers is practically the same as our net profit on straight Chemicals. You will see, therefore, that it is not with the idea of material gain that we strongly recommend every farmer on Prince Edward Island who is not already using Mixed Fertilizers to try them out this year.

ISLAND GRADUATE—Miss Geneva Rosalie Lund of Tryon was among the graduates at the closing exercises of the 1931 class of the Moncton Training School for Nurses held last evening.

APPRECIATED — Through the courtesy of Mr. Quigley, sample packages of tasty sliced breakfast bacon have been received by the Guardian staff. The product is the popular new brand of Davies and Fraser and both in its quality and attractive wrapper is highly creditable to that enterprising firm.

LOBSTER SEASON NOT A SUCCESS—The lobster season which opened on May 1 from Gaspe, Que., to Chocklash River, Kent Co., has not been a success during the first 10 days. The catches by the Fisheries fleet of Shediac here have been light and further north the fishermen have been still more unsuccessful. Fishing is good on the west end of P. E. I., however, and a decided improvement is expected here shortly. Prices are as low as 5 cents a pound for unsorted lobsters.—Moncton Times.

DELIVERED ADDRESS—His Lordship Bishop Morrison of Antigonish, passed through the city Saturday, en route home after delivering the address at the ceremonies in connection with the ordination of Right Rev. J. A. O'Sullivan as Bishop of Charlottetown, at Hamilton, Ont. last week. The installation of Bishop O'Sullivan into his new diocese will be held at Charlottetown on May 18 and 19, the latter date being St. Dunstan's Day, the titular day of the Cathedral parish which will be his headquarters in the future. Many of the R. C. clergymen in Moncton and other parts of the Maritimes will go to the Island Capital to attend the induction ceremonies.—Moncton Times.
