HINDENBURG LINE SLOWLY CRUMBLING

British and French Advance Progresses Against Terrible Odds. The Germans Have Piled Their Dead in Front of British Lines but Cannot Stem the Advancing Tide.

The Germans have piled high their dead before the British lines but have failed to stop the British advance. The most furious and sustained counter attacks have withered before the blast of British artillery and the sapping of the Hindenburg line goes on slowly but without halt.

ITALIAN VICTORY HAS DISCOURAGED THE GERMANS.

Possibly more ominous for Berlin, in view of the wobbly condition of her Austrian ally, is the news of the great blow struck by Italy in the direction of Trieste. The Italians have opened their Spring offensive in brilliant fashion attacking on a wider front and with apparently greater force than at any other previous operation.

RUSSIAN SITUATION STILL IN DOUBT.

The Russian factions have patched up a truce but the outcome is still dubious. The news of the resignation of General Gurko and Brusiloff is now supplemented by a disquieting rumor that General Alexieff, Russia's commander-in-chief and general strategist, is also about to abandon his office.

RUSSIANS REPEL TURKS.

PETROGRAD, VIA LONDON.—On the Russian-Galician and Romanian fronts rifle firing and reconnoitering operations took place, says today's official statement. On the Caucasian front, in the region west and southwest of Jalapassova, about twenty-four miles southeast of Turkish scouts tried to approach our positions but were frustrated.

GERMANS ACKNOWLEDGE DEFEAT.

BERLIN, VIA LONDON.—The ground which was captured by the Germans in the village of Roex yesterday morning was later lost, following strong British attacks, says a German statement.

GERMANS USING NEARLY ALL THEIR RESERVES.

LONDON.—The British and French have forced the Germans to use virtually all the fresh reserves, which they had at the beginning of the battle of Arras. Major-General F. B. Maurice, Chief Director of Military Operations at the War Office, said today. When the British offensive began the Germans had forty-nine reserve divisions on the Western front.

SIX GERMAN ATTACKS REPULSED WITH HEAVY LOSSES.

PARIS.—Six assaults by the Germans on the French lines have been repulsed with heavy losses, according to an official statement issued by the French War Office today.

GERMAN TORPEDO BOAT WAS SUNK

(Canadian Press Despatch.) LONDON.—A German torpedo boat was sunk last night north of Schiermonnikoog Island, in the North Sea off the Dutch coast. The vessel either struck a mine or was torpedoed.

RUSSIA SLOWLY WEATHERING STORM

NEW YORK.—Russia has weathered the worst storm since the revolution, and Germany is evidently treading it now. The probable collapse of Russia has, withered in a day, become the possible collapse of Germany. The gravity of the country's conditions, emphasized by the resignation of the most popular army chief, brought the Russian council of labor deputies to its senses, for the time being at least.

The passionate appeal of the council to the army will halt the integration that threatened it. But Russia still has considerable difficulties to overcome before full harmony is restored between the leaders of the proletariat and the Duma.

The developments in Germany will fortunately promote the understanding between the council and the provisional government. The latter will undoubtedly agree to the council's demand that Russia's foreign policy be based upon the principle of NO ANNEXATIONS AND NO INDEMNITIES.

This demand, to which the Stockholm conference is dedicated, is due to the council's belief that a revolution in Germany would be accelerated by the Allies' restatement of their war aims in accordance with that principle.

In view of the Lechbour declaration in the Reichstag today there is no doubt that the Stockholm meeting will ratify the Russian plan to urge the Entente Powers to come out with a detailed statement of their peace terms.

FRENCH OFFICIAL REPORT.

PARIS.—An official statement follows: The night was marked by heavy enemy attacks in the region north of Moulins-de-Laffaux. All of the German efforts to recapture the ground gained by us were repulsed. The fighting which was very severe at certain points, resulted to our advantage everywhere and cost the enemy dearly.

More prisoners were taken. Northwest of Brayen-Loup, three detachments made attacks. The enemy made several attempts to approach our lines in the sector between La Royere Farm and Epinede-Chevregny. He suffered serious losses from our barrage and obtained no result.

In Champagne there was patrol fighting in the region of Mountr Carillet. We took prisoners. There is nothing to report from the remainder of the front.

Mr. Benj. C. Bryenton of this city has received a telegram from Ottawa informing him that his son Driver Albert Earle Bryenton is seriously ill May 11th at the Moore Barracks Hospital with acute bronchitis.

Driver Bryenton, who was formerly with the Guardian Staff, has a wide circle of friends who will wait with much anxiety for further news of his condition, which it is hoped will be more favorable.

PROCEEDINGS IN THE HOUSE OF COMMONS

Sessional Programme Completed. Sir Robert Will Give an Account of Mission to England. Extension of Parliament Not Likely to be Opposed. Conscription Probable.

OTTAWA.—The holiday in Parliament was taken advantage of by the Premier and his cabinet to revise and complete the Government sessional programme.

Tomorrow Sir Robert Borden will give a detailed account of his mission to England. The most interesting feature and one that appeals to Sir Robert Borden is the rapid development of an Imperial constitution by cabinet representation.

He and most of the other leaders of Imperial thought believe that an Imperial cabinet is practicable while an Imperial Parliament must await many years of further development.

Premier Lloyd George has just announced the annual meeting of the Imperial cabinet.

Extension legislation will probably be before Parliament on Monday or Tuesday.

Sir Wilfrid Laurier will, it is believed, support the extension bill. With that out of the way the Government will proceed at once to deal with many problems, national and military. About the first of these will be conscription, and it will be immediately put into effect.

All the Government members, but six or seven French Canadians will support it, and to those will be added all the western Liberals and most of the Ontario Liberals. The Opposition will, it is believed, be the Liberal members from Quebec, the Maritime Provinces, a few Quebec Conservatives and Hon. Charles Murphy and Edward Proulx, of Ontario, who represents a French Canadian seat.

Dominion Wide Prohibition during the war is also being considered and will very probably be put into effect. Race track betting is certain to be abolished. Joint action with the United States will be taken to prevent undue accumulation of food stuffs in influencing prices. The railway problem will also be dealt with and the feeling here is that the Government will adopt the Drayton-Acworth solution, and nationalize all the railways of Canada but the C. P. R. System.

TWO WOUNDED SOLDIERS ARRIVED WEDNESDAY NIGHT

Two more Prince Edward Island heroes arrived Wednesday night, via Summerside, namely Private C. Herbert of Dorchester, N. B. and Sergt. Prescott Forbes of Tyne Valley.

Private Herbert enlisted with the 58th Regiment and is on a visit to his uncle Mr. Longthorn, 108 King St. He was wounded in the ankle in the 3rd Battle of Ypres on June 13th, 1916. Although a little lame from the injury he is in excellent health. He arrived in the City by the midnight mail special.

Sergt. Forbes is a son of the late Jean Forbes and Mrs. Forbes (now Mrs. McAnslan) Tyne Valley. He enlisted in the 51st Regiment, Edmonton, Alberta, and went to France with the 4th Battalion in June 1915. He was wounded twice, first on May 26th, 1916, in the Third Battle of Ypres and the second time on Sept. 20th in the Battle of the Somme when he was hit in the shoulder. As a result of the latter wound he spent three and a half months in a hospital in England when he was given a ten weeks furlough. He arrived in Quebec last Monday and will spend the remainder of his furlough at his old home in Tyne Valley.

On arrival at Summerside, although the hour was late the wounded heroes were met by a large number of citizens headed by the Summerside band, which played a number of patriotic airs as the steamer was being docked. When the soldiers landed they were given rousing cheers by the assembled citizens and conducted to a temporary platform in the station from which addresses of welcome were delivered by His Worship Mayor Morrison and Mr. A. S. McKay. Sergt. Forbes modestly responded on behalf of himself and Private Hebert.

Sergt. Forbes proceeded this morning to Tyne Valley.

OUR BOYS TOBACCO FUND GROWING

There is a great and growing interest in the Tobacco Fund now being raised to take Island Tobacco To Island Boys at the Front. Again and again we read in letters from our brave lads that they are longing for Canadian Tobacco, a longing which is not so easily gratified. But the proposed visit of Premier Mathieson, Hon. A. E. Arsenault, Mr. Frank R. Hertz and Senator McLean to Europe affords an excellent opportunity of which advantage is being taken to carry Island Tobacco direct to the Island Boys wherever they may be doing their bit.

Mr. Arsenault has personally interested himself in this matter and has arranged that the tobacco will be shipped with the delegation duty free, and will be admitted to England and France under similar favourable conditions. Contributions may be sent to The Guardian, or any of the other dailies, to Mr. B. Graham Rogers, Summerside, or to Hon. A. E. Arsenault, Summerside, and will be acknowledged through the press. It is understood that in several sections entertainments are being arranged to help out the Fund, and it is to be hoped there will be no delay in carrying them through.

Meantime, there is none so poor but he can afford a "quarter" to buy tobacco for the boys at the front. Let each and every one send their contribution to-day—do not disappoint the boys. We have in the vicinity of 3,000 men overseas, and it is desirable that the contribution should be a substantial one in order to provide sufficient tobacco for all the different units. Mr. Arsenault will undertake to see that a division of the tobacco made among the different units when the delegation arrives in London and each will get a proportionate share of the "Tobacco from Home" according to the number of Island boys in each unit.

The following friends and well-wishers of our brave boys have sent contributions:

- From Summerside: Mrs. Blain, Brooklyn, P.E.I. \$1.00; "A Few Friends, Charlottetown" 4.00; "A Mother of Nine" 50; "For Mother's Boy" 25; F. J. J. 25; Rev. D. J. G. McDonald 1.00; Mrs. John H. Bryant, Enmore 50; A. Benne McDonald 1.00; Dougald McEachern, Enmore 50; Harry L. Bryant, Enmore 50; William Coles, North Milton 1.00; Stanislaus J. Gallant 1.00; Women's Institute, Mt. Carmel 10.00; Hon. F. D. McEwen 1.00; A. F. Arsenault 2.25; Boy's Friend 25; Boy's Father 1.00; Mr. F. T. Watkins 2.00; Judge McQuarrie 1.00; Dr. James McPhee 1.00; A. E. McLean 1.00; Capt. Jos. Read 1.00; J. E. Sterling McKay 1.00; H. W. B. Stavert, J. S. Hinton 1.00; J. E. Gallant 1.00.

RUSSIAN SITUATION IS MORE PROMISING

Prospects of a Coalition Government Being Formed. Government Drafts New Declaration Naming Proposed Concessions Which if not Accepted will be Followed by Resignation of Whole Cabinet.

RUSSIAN SITUATION.

(Canadian Press Despatch.) PETROGRAD, WEDNESDAY. VIA LONDON.—After an all day discussion between the council and representatives of the council of Soldiers and Workmen's delegates, the Ministerial crisis was still unadjusted at a late hour last night and no definite ministerial appointment had been made. Nevertheless, as a result of two important events today, the prospects of a coalition ministry, being formed were materially improved.

First, the Constitutional Democratic party which practically ruled the government has consented to its two ministers, Professor Manloff, Minister of Public Instruction, and I. Spingoroff, Minister of Agriculture, remaining in office. This in spite of the resignation of Foreign Minister

MINARDOFF WHICH IS NOW DEFINITE.

The second new factor is that the temporary government has made large concessions to the council and the deputies on questions of general policy which hitherto have been most serious obstacles to settlement. The Government today drafted a declaration describing these concessions and it is understood that this declaration has been handed to the council with a threat that in the event of non acceptance the entire cabinet will resign. The most important points are in connection with the foreign policy. The document begins with the statement that the government's aim is the attainment of a general peace without conquest of other nations, depriving them of their national sovereignty or of their territory, in a word, peace without annexation of contributions.
