## The CHARM OF BEAUTY

Not in the Features so much as in the Grace and Vitality of a Healthy Body—Dr. A. W. Chase's Nerve and Blood Pills make Women Beautiful.

There's a certain charm of beauty in the graceful, elastic movement and clear complexion of a healthy woman in which the features do not play an important part. The pale, sallow complexion and dull leaden color of the skin, dark circles under the eyes, headaches, pains in the back and sides, dull eyes, weakness, nervousness, despondency and low spirits are symptoms of weak, watery blood and improperly-nourished nerves.  
No woman can be beautiful until the blood is enriched and the nerves strengthened. Dr. A. W. Chase's Nerve Food is a food for the blood and nerves.  
Dr. A. W. Chase's Nerve Food restores the energy and strength to a run-down system. Note your weight before using them, and the increase week by week as the brightness returns to the eyes, the color to the cheeks and the form rounds out with firm, healthy flesh, the natural result of rich, pure blood and a healthy nervous system.  
Face cut and facsimile signature of Dr. A. W. Chase on every box of the genuine. Get a box, all dealers, or Edmanson, Bates & Co., Toronto.
