The case of Miss Frankie Orser, of Boston, Mass., is interesting to all women.

"DEAR MRS. PINKHAM:—I suffered misery for several years. My back ached and I had bearing-down pains, and frequent headaches. I would often wake from a restful sleep in such pain and misery that it would be hours before I could close my eyes again. I dreaded the long nights and weary days. I could do no work. I consulted different physicians hoping to get relief, but, finding that their medicines did not cure me, I tried Lydia E. Pinkham's Vegetable Compound, and as it was highly recommended to me, I am glad that I did so, for I soon found that it was the medicine for my case. Very soon I was rid of every ache and pain and restored to perfect health. I feel splendid, have a fine appetite, and have gained in weight a lot."—Miss FRANKIE ORSER, 14 Warrenton St., Boston, Mass.—\$5000 forfeit if original of above letter proving genuineness cannot be produced.

The berry is carefully selected from choice grades of new crops and roasted by the most approved process. None of the fine aroma is lost. This coffee is strong, pure and delicious.

UPPER MAGAGUADAVIC N.B. THE BAIRD CO., LTD. DEAR SIRS.—For seven years I was troubled with a sore foot. I was to the head doctors of the Boston Hospital, also to several other doctors, but they could do nothing to cure it. I tried everything I could think of and was just about giving up when I thought I would try KENDRICK'S LINIMENT. I had not used quite one bottle before my foot was entirely well. Father keeps a store, and he would not be without Kendrick's Liniment. He recommends it highly to everybody. Wishing you every success with the medicine. I remain, Yours truly, CORA MAY WILSON.
