

# Coats

## WITH A TOUCH OF GENIUS

Women's coats in a group that are wonders in slimming lines. The fur skins in collars are worked vertically optically to melt away inches. Collars of Persian, Kolinsky, Squirrel and Beaver. Sizes 36-46.

\$65.

Blonde furs on a group of coats for ladies who want something startling. Giant collars in Lynx, Grey Squirrel, and Sable . . . flatterers all, and surprisingly serious in the ways of endurance. 14 to 20.

\$48.

A specialized group of young coats, most of them with collars tiny in size, but tremendous in chic. Furs are usually flat, as Persian, beaver, and galyak. Besides black and brown, there's rust, wine and green.

\$29.

Queen Street Charlottetown

### Tune By Sight

A remarkable "Magic Eye" consisting of a special cathode ray tube, which permits one to actually see when the radio receiver is tuned most accurately, was described by Mr. Ian Smith of R. T. Holman Limited, local RCA Victor dealer.

Designed to do by sight what the ear and sense of touch may not be able to do as accurately, the "Magic Eye," as embodied in the RCA Victor Globe Trotter radio receivers, does away with bothersome tuning adjustments, guards against blurred and "off-center" tone and makes it possible to tune the radio set silently, because the volume need not be turned up to audibility until the station has been tuned in to its most accurate point with the "Magic Eye."

Among other outstanding developments incorporated in the new RCA Victor Globe Trotter instruments are an improved "Magic Brain" mechanism utilizing the new metal tubes. In this mechanism, the radio frequency tube becomes an Armored Watchman which selects the wanted signals and rejects noisy interference. Another tube, the Hexode Converter, has been added, which takes the signal from the Armored Watchman tube and amplifies it to increase the sensitivity of the new RCA Victor instruments on short-wave reception from 5 to 20 times over last year, Mr. Smith said.

All of the new RCA Victor "Magic Brain" models are equipped with the new metal tubes, which Mr. Smith characterized as the most revolutionary electronic development since the socket power operated tube. These tubes are sturdier in construction, smaller in size, do away with bulky metal shielding and are decidedly more efficient for short-wave reception.

### POINT DE ROCHE W. I.

On Tuesday evening, Nov. 12th, the members of Point de Roche Women's Institute met at the home of Mrs. Ruel McCormack. The roll call, "What Does It Mean

to be Well Dressed," was responded to by seven members. Minutes of previous meeting read, adopted and signed.

The financial statement for the year was read by the Secretary.

The following are the officers for the ensuing year (all re-elected):  
President, Mrs. Ruel McCormack. Secretary-Treasurer, Cecelia McInyre.  
Auditors, Mrs. John D. McInnis and Mrs. Angus McCormack.  
Directors, Mrs. Bernard Feehan, Mrs. Mark McCormack and Miss Elizabeth McInnis.

It was moved and seconded that two chairs, coal skuttle and soap be purchased for school.

The programme consisted of a contest put on by Mrs. Jos. Campbell, won by Cecelia McInyre. The December meeting to be held in the school. Lunch was then served by the hostess and the singing of the National Anthem brought the meeting to a close.

### CAUSE OF PIPE NOISES

Loose or worn washers will cause noise in the hot water pipes when faucets are turned on. Replacing the washers will stop the noise. If noise occurs on the turning off of a faucet, and especially when a faucet is turned off abruptly, it is because the pipes are not provided with air cushions to absorb the momentum of the water. In that case the noise can be avoided by turning off the faucet slowly.

Also, if the travelling is favourable, on Thursday 21st at Birch Hill at 7 P. M. and Sabbath 24th at Murray River at 10.30. Iris at 2.30; and Brooklyn at 7. L-3891-11-19-11.

**STANLEY BRIDGE R. C.**—In spite of the disagreeable weather and roads on Thursday evening, Nov. 14th, pupils from Granville North, New London and Stanley Schools gathered in Stanley Hall to present a Junior Red Cross program with the assistance of Miss Catherine MacLean who showed the moving picture of crippled children's work. Rev. E. V. Osborne of New London acted as chairman and accompanist and the program was under the direction of the teachers of the above schools.

**POWNAL JUNIOR RED CROSS RALLY**—The heavy rain and slippery roads on Tuesday evening, Nov. 12th, did not prevent the holding of a Junior Red Cross Rally at Pownal with Junior members from Mt. Mellick, Pownal, Hazelbrook and Alexandra Schools participating in the program. Miss Catherine MacLean of the Red Cross showed the moving picture of crippled children's work and presented Junior Hygiene and Home Nursing Certificates to Miss Deltie MacNeill, teacher of Village Green, and three of her pupils. There was a fair attendance of parents and friends and Rev. Mr. Elliott of Pownal was the chairman for the evening.

Misses Gladys and Hazel Huntley of Vernon were among the many club members who attended Amateur Winter Fair.

**DR. J. D. REDDIN** will be in Souris Monday, Tuesday and Saturday only, each week during December and will be at St. Peter's on Wednesday, Mt. Stewart Thursday and Friday. L-2812-11-16-21.

**MORELL JUNIOR RED CROSS RALLY**—The Morell Hall was filled to capacity on Saturday evening last by an audience which thoroughly enjoyed the excellent program presented by Junior Red Cross members from Morell, Morell East, Morell Rear, Bristol, St. Peter's Harbour and Marie Schools. Miss MacLean of the Red Cross gave an address and showed the moving picture of crippled children's work. Mr. Edward Hynes, principal of the Mt. Mary School, Morell, was the chairman for the evening.

### Don't Neglect That Persistent, Hacking Cough

Get a bottle of Dr. Wood's Norway Pine Syrup from your druggist or dealer. It strikes at the foundation of the trouble. A few doses will convince you it is just the remedy you require.

It helps to stimulate the weakened bronchial organs, allays irritation, subdues inflammation, soothes and heals the irritated parts, loosens the phlegm and mucus, and aids nature to dislodge the morbid accumulations. When this is done the persistent, hacking cough will disappear, no lying awake nights, no inflammation of the bronchial tubes.

### IN MEMORIAM

MRS. IRA JOHNSON

On Friday, Nov. 8th, there passed away at her home in Conway, P. E. I., Alice, beloved wife of Ira Johnson of that place. Mrs. Johnson was born in Hamilton, Scotland, forty-five years ago, coming to Canada in 1928, and leaves to mourn their loss, besides her husband, the following family: Alice (Mrs. Vernon MacDonald) in Charlottetown, and John, James, Ira, Robert, Elizabeth, Andrew, Reuben, Fulton and Charles at home. She was of a cheerful, kindly and energetic disposition, and her death, which was from pneumonia, is deeply regretted.

The funeral services which were very largely attended were held on the following Sunday afternoon and were conducted by her minister, the Rev. S. J. Boyce, B.A., who spoke from the text: "Her children arise up and call her blessed; her husband also, and he praiseth her." (Pr. 31, 28). Favourite hymns of the deceased were sung, "Shall We Gather at the River?" "Will the Circle Be Unbroken?" of which the verses were sung as a solo by Mr. Harold Coffin, and "Safe in the Arms of Jesus." Interment was made in West St. Peter's Cemetery. Sincere sympathy is felt for the family in their sad bereavement.

DUGALD MACDOUGALL

Last Tuesday night there passed into rest at his late home at Canoe Cove after an illness of several months Dugald MacDougall, in the 82nd year of his age. The deceased was a resident of the Cove district throughout his long life and was widely known and respected in the locality. A descendant of early Scottish pioneers from the Isle of Mull, in the Scottish Highlands, Mr. MacDougall was possessed of those qualities of mind and body which characterized the sturdy race from which he sprang. His ceaseless spirit of industry found its return in the blessings of material prosperity throughout his long career. The deceased gentleman was twice married, his first wife, Catharine Darrach, having passed away twelve years ago. In June, 1929, he married Mrs. Elizabeth MacDougall, widow of the late Col'n MacDougall of Bangor, P. E. I., who, as his devoted partner of the past sixteen years, survives to sorrow for him. The deceased leaves no family but has many of his kindred in this Province and in the U.S.A., who will sincerely sorrow for his departure. The funeral on Friday afternoon was largely attended, the interment taking place in Argyle Shore Cemetery. Dr. J. W. S. Lowry conducted services at the home and the grave consisting of Psalms of faith and consolation with earnest prayer and an address of good comfort and exhortation to all. A life long member of the Auld Kirk, he was a regular worshipper in the Canoe Cove congregation and his closing days found him trusting humbly in the merits of Jesus Christ.

JOHN MACLAUGHLIN

On Wednesday evening, November 6, at his residence at Clyde River there passed into rest, John MacLaughlin, in the 74th year of his age. The deceased was ailing seriously only a few days. A native of the district, he was widely known and respected in the community where he spent the whole of his life. The deceased leaves to sorrow for his sudden removal his devoted wife, Cecelia MacLean, four sons, Ira, Nelson and Lewis of Grand Prairie, Alberta, and Milton, with one daughter, Helen, at home. In religion he adhered to the Presbyterian Church and was a loyal member of the Clyde River congregation and faithful regular in the work of the choir. He was an enthusiastic member of the Orange Association, being connected with L.O.L. 1168, of Kingston, whose members attended the funeral in a body and carried out the ritual of the Order at his grave. Dr. J. W. S. Lowry held the funeral service at the family residence consisting of praise exercises of faith and comfort, earnest supplication and an address of sympathy and consolation. The remains were laid to rest in the family burial plot in the Baptist Cemetery at Clyde River covered with many wreaths testifying to the regard in which he was held. Humble, unpretentious faith in the Gospel of Christ and in that assurance of eternal life he passed away.

The pall bearers at the burial were Messrs. Harry MacLean, Hugh John MacLean, Gordon MacKinnon, John MacNeill, Lewis MacPhee and George Dixon.

MRS. DOMINICK GALLANT

At Duvar on Monday, September 30, 1935, there passed away after a brief illness, Mrs. Dominick Gallant, in the seventy-fourth year of her age. The deceased whose maiden name was Edesse Dolron,

## Chronic Fatigue

### Tells of exhausted nerves

In health, rest soon overcomes fatigue! When you become chronically tired there is an underlying cause. Perhaps you cannot rest or sleep because of the irritability of the nerves. Memory and power of attention soon weaken when the nervous system is exhausted. It is difficult to concentrate the mind and the daily task becomes a worry and a burden. Indigestion and sleeplessness ruin your temper, and you become depressed and discouraged. Whatever may have been the cause there is a way in which to regain health and that is by the use of Dr. Chase's Nerve Food. New Nerve Force is created to restore the functions to the bodily machinery and ensure the healthful working of the mental and physical organs.
