Friends in Summerside will regret to learn of the death in the Royal Victoria Hospital, Montreal, of Mrs. Robert H. Morrison, formerly Catherine Edna Noonan, second eldest daughter of Mr. and Mrs. J. M. Noonan, of Summerside.

Mrs. Morrison was born in Summerside and had lived there all her life until three years ago when she went with her husband and family to Arvida, Quebec. She was beloved by all who knew her and her death at an early age is a great shock to her family and friends. There are left to mourn, besides her sorrowing husband, six children, namely: Ralph, Alden, Arthur, Robert, Eleanor and Helen also her parents, Mr. and Mrs. J. M. Noonan; four sisters, Mrs. W. A. Tallmire and Miss Pauline Noonan, R.N., of Ottawa, Mrs. L. E. McLellan, of Sydney, N.S., Mrs. E. F. Services appropriate to the Christmas season were held in St. James Church yesterday with large congregations. The minister, Rev. R. Moorehead Legate, B. D., gave two fine discourses basing his remarks in the morning on Luke 2-16, and in the evening on the meaning of the Star of Bethlehem. The choir, under the capable direction of Mrs. J. A. Lawson and the organist Mrs. K. S. Rogers, was never heard to better advantage, the solos, anthems and congregational singing being splendidly harmonious and heartily sung. The soloists were Mrs. Lawson, Miss J. MacDonald, Mrs. N. D. McLean, Miss Marjorie Wood and Messrs. C. Gallagher, C. MacKenzie, Arthur Bruce, Mr. Wilkins. A special and much enjoyed feature of the evening service was a fifteen minute carol service comprising the following favorites: "There Was Silence in Bethlehem's Fields" (Stainer); Mrs. N. D. McLean and the Choir; Solo, "O Little Town of Bethlehem," Mr. Arthur Bruce; "See Amid the Winter's Snow" (Goss); Miss Marjorie Wood and the Choir; "Silent Night" (Franz Gruber), Choir and Congregation. The church was prettily decorated with spruce and flowers in keeping with the season.

POST NUPTIAL SHOWER—Mr. and Mrs. Frederick G. Sherran, who were recently married in Summerside, were tendered a miscellaneous shower at the residence of the groom's parents, Mr. and Mrs. William Sherran of Crapaud upon their return from their honeymoon. About fifty guests were present and extended their good wishes to the bride and groom. They were the recipients of many lovely gifts among them being a lovely Victrola. Mr. and Mrs. Sherran in a few words showed their appreciation of the many good wishes and tangible expressions of good will showered upon them. Dainty refreshments were served and a social time spent before the guests departed. The ladies of the L. O. B. A. of Crapaud also entertained the happy couple and at a social time given in their honor in the Lodge Rooms presented Mr. Sherran with a handsome silver tray.—S.

PASSING OF MRS. R. C. LEE—Citizens of Summerside and Lot 16 learned with deep regret of the death on Friday night at her home in Summerside of Mrs. R. C. Lee at the age of 73 years. Mrs. Lee had been a resident of Summerside for 25 years and had endeared herself to old and young who found in her a friend in times of joy or sadness. Born in Crapaud, Mary Elizabeth, daughter of the late Mr. and Mrs. Frank Simons, she came with her parents to Lot 16. After her marriage to Mr. R. C. Lee, of Lot 16, she continued to live there for some time and for a time resided in the United States returning again to Lot 16. The deceased was a member of the Baptist Church, a true Christian woman whose life was an exemplification of all those virtues which efface self to serve others. To her home in Lot 16 all were welcome, the sick and needy being her special care. Mrs. Lee lived for her family and her Church and kept open house for both clergy and laymen. She was a member of the Missionary Society and worked with untiring zeal in that as in other fields for the good of her fellow creatures. Although of later years Mrs. Lee had not enjoyed good health she always liked to have her friends call and see her and always lent a sympathetic ear to their joys and sorrows. There are left to mourn besides her sorrowing husband, one son, Mr. Harry Lee and one daughter, Mrs. Oliver McNeill of Summerside; also two brothers and two sisters namely: Mr. Richard Simons of Freetown; Mrs. John Lecky of Summerside; Mr. Frederick Simons of Wilnot and Mrs. W. W. Green of Princeton, B. C., to whom the Guardian extends its sincere sympathy. The funeral took place on Sunday afternoon at 2 o'clock from her late residence on Belmont street to the People's Cemetery. Rev. Mr. Wilson conducted the service and the address was delivered by Rev. W. H. Harding, an old friend of the deceased. The choir of the Baptist Church rendered very beautifully three favorite hymns of the deceased "My Faith Looks Up to Thee," "Lead Kindly Light," and "Nearer My God to Thee." Friends from far and near came to pay their last respects to one they loved so dearly. There were a large number of floral tributes. The pallbearers were Messrs. Henry Jamieson, W. W. Smith, Thom as Johnston, W. J. Buchanan, Dr. Leard all of Summerside and Mr. Herbert Enman of North St. Eleanor. Interment was in the family plot in the People's Cemetery.—S.

VITAMINERAL and MEALBLEND

have during the past four years become recognized among the best fox ranchers as being absolutely essential in producing foxes of quality and ranches full up in production of pups. Two factors which determine the years profits.

Why?

Because VITAMINERAL is a conditioner, keeping the animal full of vim, vigor and vitality; a guard against disease of all kinds, thus cutting down losses to a minimum; a mineral feed, thus balancing the ration which in turn helps the fox assimilate the rest of his ration to the extreme; a worm expeller, thus keeping parasite infection down to a minimum; an appetiser, thus guarding against "off fed" and in turn run down condition.

Because MEALBLEND is an addition to the ordinary cereal ration which contains ingredients not found in any other commercial fox feed, and which are essential in regulating factors controlling growth, and reproduction; a blend of seven raw meals, which are fed without cooking, thus preserving all the vitamin potency for the fox; the only commercial fox feed on the market unaffected by heat, and which reaches the fox in a form similar to what he gets from the stomachs of wild animals he ordinarily devours.
