BRITISH COAL STRIKE IS SETTLED

For The Time Being, Thus Averting A Country Wide Strike—Government Giving Mine Owners Financial Aid Until Full Inquiry Into Situation

(Canadian Press.) LONDON, July 31.—The crisis in the coal industry which threatened a strike of miners beginning at midnight tonight has been settled. Announcement of the settlement was made through the Press Association shortly before four o'clock this afternoon.

LONDON, July 31.—Owners of the coal mines have withdrawn for a fortnight notice of expiration of the present working agreement and thus the strike of the miners, set for midnight tonight, is believed to have been averted. The owners' decision announced officially this morning, will permit the necessary discussion to discover a way in which temporary assistance offered to mining industry by the Government can be given.
