Security

Many people are careless to the extent of keeping sums of money, highly-prized trinkets or valuable documents in some cupboard, drawer, trunk or some other equally insecure receptacle in the home.

The loss, through fire or burglary, of some particular insurance policy or other important papers might seriously inconvenience their owners. In such emergencies legal proceedings have to be resorted to, entailing considerable expense.

Can you not see the advisability, then, of protecting these interests by renting a metal deposit box in our armor plate fire and burglar proof vault? The cost is from \$2.00 per year up according to size and location.

We will be glad to show you through it.
