..MR. HAROLD P. GORDON is the Georgetown Guardian Representative.

..FERRY SERVICE.—The S. S. Montague continues to give satisfaction as usual on the Georgetown-Lower Montague Ferry route which is due to the capable management of Capt. Nelson Fairchild, of Georgetown.

..WEDDING BELLS AT CARDIGAN.—The marriage of Miss Minnie McDonald and Mr. William A. McSwain, both of Lorne Valley, was solemnized on Thursday evening July 12, 1917 by the Rev. D. McVicar pastor at the Presbyterian Church at Cardigan. After the ceremony Mr. and Mrs. McSwain drove to their future home in Lorne Valley. About midnight a cheerful chivari party of popular young people serenaded the house and were plentifully treated with refreshments, cake and candy and before departing they wished Mr. and Mrs. McSwain many years of happiness on their journey through life.

..A PLEASANT OUTING.—On Thursday, July 19th, the members of the "Success Club," Georgetown High School, together with several of the teaching staff and some invited friends, held a very successful picnic at White Bridge, Georgetown Royalty. The weather was perfect and the situation for a picnic was an ideal one, so that a very pleasant time was the result. All the most popular picnic games were played and later in the afternoon a bounteous repast was served by the ladies present, which as usual reflected great credit on their culinary abilities. When the shades of evening began to descend it was with a sigh of regret that the party broke up, all maintaining that the famous Success Club, which has won much fame in the past, had scored another success.

..STRAWBERRY BOXES.—Best Nova Scotia stock and manufacture, standard size, \$6.00 per thousand. Phone or mail your orders at once to R. T. Holman, Limited, Summerside, 1709-7-13M61E231.

..ANOTHER NEW AUTO.—Mr. Glen Jenkins, Georgetown, has purchased a beautiful five passenger Ford touring car, from Mr. Wm. Ives, local agent at Montague. There is now three cars owned in Georgetown, and strangely enough the owner in each case is a Jenkins. Mr. W. W. Jenkins was the first to possess an auto and Mr. Elmer Jenkins was the next, and now Mr. Glen Jenkins makes the third.

..SUCCESSFUL PICNIC.—A very successful picnic held at Rollo Bay West on the afternoon of Monday, July 2nd. Though the weather the night before threatened unfavorable it turned out to be a very fine day. Crowds gathered from different parts of the country and returned in the evening feeling that a very pleasant day's outing had been spent. The picnic was got up by the ladies of the Red Cross Society of Rollo Bay Centre, West and East, chiefly by those of Rollo Bay Centre. The table was a credit to those who prepared them; and special mention must be given to the ice cream of which several remarked that it was a good as they had ever eaten. The principal amusements of the afternoon were: dancing, bowling alley etc. The handsome sum of about \$125 was cleared which is to be used for Red Cross purposes. Heartly thanks to those, who, in anyway contributed to this worthy cause.

..ICE CREAM FESTIVAL.—On Saturday afternoon, July 21st, and later in the evening, the ladies of St. James' R. C. Church held a very successful Ice Cream and Lunch Festival, on the Town Hall grounds, Georgetown. An exceptionally large number of visitors were present and an enjoyable evening was spent by all. Instrumental music (violin and piano) was a feature of the evening and added much spirit to the gay scene. The grounds were draped and decorated by strings of flags and Japanese lanterns gave a fascinating oriental appearance to the gathering. There was a quilt sold by lottery which was won by Capt. William Sencebaugh. Great credit is due to the ladies of St. James' Church for this very successful festival, which realized a handsome sum for church purposes.

..BRUDENELL SCHOOL.—The semi-annual examination was held on Thursday, June 28th and was attended by a large number of rate-payers and visitors. The pupils were examined by their teacher, Miss Ada E. Gordon and showed by their ready and correct answers the careful training they had received from their teacher. For the past three years Mr. Gordon has had the charge of the school and by faithful training and the best of discipline has brought the school to a high state of efficiency. A programme of recitations, readings and solos and exercises between the classes were creditably carried out by all the pupils and very much enjoyed by all present. The gentlemen present expressed their great pleasure at the progress which had been made since the teacher had taken charge of the school. Then at the closing prizes were given to all the pupils in books according to their merit. Kenneth Betters receiving two prizes one for good attendance and one for composition. The best reciting was Master McDonahue and for one so small, he was extra good. After the examination was ended, all present were served with ice cream and cake and the pupils with candy by the teacher, after which all dispersed to their homes feeling that a very interesting and a most enjoyable time had been spent. Everyone remarked that it was the best examination ever held in Brudenell and all are extremely sorry that they are losing such a good teacher; as she has resigned for a better position.—One who was present.

..SCHOOL EXAMINATION.—The semi-annual examination of Lakeville School was held on Friday June 29th at the school-room. A goodly number trustees and rate-payers were present. The pupils were examined by the teacher, Miss Pearie Ching, and others present, and by their ready answers showed how painstakingly they had been instructed. After this a splendid programme, consisting of songs, readings, and recitations was rendered by the pupils. A fitting gift was presented to the teacher, accompanied by an address, read by Miss Alberta Rose, as follows: "Dear Teacher:—The pleasant duty has been assigned me by my comrades of presenting you with this small token of our lasting esteem, friendship and love. We could not consent to part with you without leaving in your hands some memento, however trifling of deep and abiding gratitude for your unceasing efforts to benefit us. May you always be happy as you have endeavored to make your pupils and may

### BIG PRINT RED LETTER BIBLE!

#### The Making Of the Bible

It took the Bible two thousand years to grow. As it is the greatest work known to man—so it took immeasurably the longest time to build. It is rooted in many bibles—lost—forgotten—long-buried in the dust of the ages. A whole sacred literature went before it. The old Semitic legends; the ballads and the folk-songs; the recital of tribal deeds that ran from lip to lip and from father to son; the codes of ancient laws; the Bibles of Southern Judah and of Northern Israel; the Book of Deuteronomy; the Book of the Priests; these were a part of the beginnings of the Book of Books.

Saint John taught and preached and prayed and meditated fully fifty years before he wrote the Fourth Gospel. And so with all the Apostles, They

taught and prayed and preached for years before they gave the world the written Word. First, then, came the oral gospel, published through the church, not in writing, "but on the fleshy tablets of the heart." The Epistles were the first written part of the New Testament, beginning about the year 50 A. D. Then came the gospels of Matthew, Mark, Luke and John.

The whole Bible has been likened to a great Temple; the Old Testament as the nave, with its side aisles of psalm and prophecy; the Gospels as the choir, the last Gospel perhaps the very sanctuary; while around and behind are the Epistles and the Apocalypse, each a gem of beauty, and each supplying an indispensable feature of the majestic whole.

The publishers of the famous RED LETTER EDITION of the Bible inform us that only by means of a vast newspaper co-operation throughout the United States and Canada could this magnificent Bible be had for the nominal price asked. They state they are arranging to distribute at least two million copies, and that the RED LETTER BIBLE represents a value of from three to four dollars in the usual channels of trade.
