Took "Fruit-a-tives" Instead and this Medicine made from Fruit Juices Relieved the Trouble.

MAPLEHURST FARM, HILLHURST, P.Q.
"About 25 years ago, I began to have trouble with my Stomach. Three years ago, I consulted one of the best specialists in Montreal. I am so much better that my old friends often ask me what I have done to myself to look so well. I am gaining in weight and enjoying life very much." H. W. EDWARDS.

"Fruit-a-tives" is made from the juices of apples, oranges, figs and prunes, combined with tonics, and gives quick relief in stomach troubles. Studebaker

Light-Six Sedan—\$2225

Built for hard service

The Studebaker Light-Six Sedan is built for years of hard service—service over country roads, up-country trails, city streets or anywhere you wish to drive!

It is comfortable, economical of fuel, sturdy and long-lived. Freedom from repairs is proved by Studebaker's sales of repair parts, which in 1922 averaged only \$13 per car in operation.

Vibration, which is so destructive, particularly to closed cars, is practically eliminated in the Light-Six Sedan by the machining of the crankshaft and connecting rods on all surfaces—a feature of construction not to be found in any other car in Canada selling for less than \$3500.

Beautiful in design, mechanically right, luxurious and adequately equipped—that briefly describes the Studebaker Light-Six Sedan.
