**WEDDING BELLS.**—Another happy event took place in St. Joseph's Church, Morell, on Tuesday, July 18th at 8 o'clock, when Mary E. DeCoursey of that place was united in matrimony to Peter L. Flynn of Cardigan. The ceremony was performed by the Pastor, Rev. P. S. Duffy. The bride looked charming in a suit of blue gingham with white hat and was attended by her cousin, Miss Ella Aylward, who also wore blue. The groom was supported by his cousin, Mr. Owen F. Sharkey. After the ceremony the bridal party drove to the home of the bride where dinner was served and the afternoon was spent very enjoyably. In the evening the happy couple drove to the home of the groom where supper was partaken of, the immediate relatives of the bride and groom being present. Much praise is due the charivari party who played their part well. Their many friends wish Mr. and Mrs. Flynn a happy and prosperous wedded life.

**Good Digestion**  
**A Source Of Health**  
WHEN THE STOMACH IS OUT OF ORDER THE WHOLE SYSTEM SUFFERS.

Indigestion is one of the most distressing maladies afflicting mankind. When the stomach is unable to perform the work nature calls for, the result is severe pain after eating, nausea, heartburn, fluttering of the heart, sick headache, and often a loathing for food, though the sufferer is really half starved. People with poor digestion, too, frequent try all sorts of experiments to aid the process of digestion, but there is only one way in which the trouble can actually be cured, that is through the blood. That is why the tonic treatment with Dr. Williams' Pink Pills cures even the most obstinate cases of indigestion. They make rich, red blood that strengthens the stomach and the nerves, thus enabling it to do its work. The process is simple, but the result means good appetite and increased health and pleasure in life. In proof of these statements, Mrs. Albert Hall, Soyna, Ont., says: "I have used Dr. Williams' Pink Pills with wonderful results. For two years I was a great sufferer from indigestion, which almost made me a physical wreck. At times my sufferings were so great that I was unable to attend to my household duties. I had smothering spells at times and was afraid to lie down to rest. After every meal, no matter how sparingly I ate, I suffered great distress. I tried several doctors but their medicine was of no avail. I saw Dr. Williams' Pink Pills advertised to cure this trouble and decided to try them. I had not been taken them long when I felt somewhat relieved. This improvement continued and after taking ten boxes I could eat and digest all kinds of food and felt better than I had done for years. You may be sure I am very grateful for the wonderful relief these pills have given me. I know they are also a cure for anemic sufferers, as an intimate friend of mine was badly affected with this trouble and after taking several boxes she was entirely cured."  
You can get these pills through any dealer in medicine or by mail, post paid, at 50 cents or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

Mr. A. Lord Secy. of the Reid Raynor Knitting Mills and a number of other invited friends were also present. **CAPT. MAY APPOINTED.**—Capt. F. P. May of St. John formerly of Charlottetown, has been appointed District Recruiting Officer for No. 4 section of New Brunswick which includes Albert, Kings, St. John County and St. John, city. The St. John Standard prints an excellent photo of Capt. May and says: "This appointment of Capt. May will be received with general satisfaction in military circles as his record as a soldier and an officer while fighting in the ranks of the gallant 26th needs no elaborate expounding. Capt. May has seen service in Flanders with the famous 'Fighting 26th.' He was buried in his dugout when a shell burst near him. He received a serious injury and was sent back to Canada after spending a long period in hospital in England."

**ALEXANDRA W. INSTITUTE.**—The annual meeting of the Alexandra Women's Institute, (Harrington and Winslow) was held at the home of Mrs. A. F. Wells "Birch Grove," Harrington, on Thursday, July 20. It being an exceedingly warm day the meeting was held under the shade of the trees, the majority of the members were in attendance. A report of the years work was given by the secretary which proved very satisfactory. The officers for the ensuing year were elected as follows: Pres. Mrs. Wm. Munn, Winslow; Vice Pres. Mrs. J. W. Rodd, Harrington; Sect and Treas. Mrs. Rebecca Stewart (re-elected); Directors Mrs. Edw. Shaw, Mrs. H. McInnis, Mrs. A. F. Wells. Some Red Cross work was returned and more distributed and the members decided to continue the work as long as necessary. **POLLY ANNA CLUB, O'LEARY.**—In the town of O'Leary there exists and flourishes what is known as the Polly Anna Club. This does not convey much meaning and an explanation may be required. The members are all "girls of the feminine sex." It is named Polly Anna after a lovable character in the Polly Anna series of stories. This young lady has made it a fixed rule to always be cheerful under even the most depressing circumstances. Hence the club takes its name, and the members all resolved to be as bright and cheerful as possible. Practically all the members have a brother or sweetheart at the front, some have two (brothers) fighting for King and Country. During their absence the members hold social gatherings for the double purpose of dispensing cheerfulness and of raising funds for the different benevolent schemes. Some time ago they had a very successful social night, at which a nice sum was realized. On the evening of July 22nd they had a sale of ice cream, which was generously patronized by the public. The sum of \$22.43 was raised, and will be used for Red Cross purposes. In a recent issue of this paper, it was stated that the amount was raised by the local branch of the Red Cross Society, the credit should have gone to the Polly Anna Club—Member.

**MRS. W. D. MACINTYRE** of this city, mother of Private William Wallace MacIntyre received a letter from Sergt. Patton who was by her son's side when he was wounded. Also one from the Chaplain who laid him to rest. He was wounded on June 4th and two days later June 6th he died of his wounds. Previous to going West "Billy" worked in the Royal Bank of this city where he had many friends. In the West he worked on the P. G. S. R. R. Survey till the beginning of the war when he enlisted at Lyton, B.C. He was wounded over a year ago returning to the front again after a few weeks in the Hospital. Besides his mother he leaves to mourn two sisters, Mrs. H. P. Tobacco satisfaction is hard to attain for the discriminating smoker. If you are as particular about having the best as we are about making it, you should compare a

with the brand you usually smoke— Nothing will do so much to convince you of its superiority.

"Polo" is unquestionably the best flavored smoke—burns longer—holds its fire better—is sweeter and more fragrant than most pipe-tobacco.

It makes your old "corn-cob" taste like an expensive calabash.

Mrs. W. D. MacIntyre.  
Dear Mother:— You may wonder why I call you mother. But your son has been a brother to me for the past sixteen months. Today he was wounded at my side, myself and three of my men carried him for over a mile through shell fire and got him safe to the station on the way to the hospital. You will have heard of his being wounded before this and will no doubt be worrying about your good soldier son. Well it looked bad enough at first, but I got him to our M. O. two

minutes after he was hit and wound dressed. One hour later when we got him to the station he was again dressed, and left on the car with a smile on his face. So dear mother you do not need to worry over your sad news as No. 13528 Pte. W. W. MacIntyre will come through all right. If you wish to write, and want to know anything I can tell you. I will only be too pleased. We are all badly shook up. Ever yours truly,  
SERGT. A. PATTON,  
5th Canadian Batt.,  
1st Canadian Div.,  
12th June, 1916.  
Dear Mrs. MacIntyre.—  
Sister is writing you about the ill-

ness and death of your boy, but I thought you would like to know the details of his funeral. He was buried on June 6th at 2 o'clock in the afternoon with all the honors given to a gallant soldier in time of war. No coffin is used at the front but instead a plaid or blanket is sewn around the body by a soldier's hand, and over all the Union Jack is spread. He was borne out of the hospital on a little funeral car, wheeled by his comrades. At the graveside the flag was removed and six of these comrades lowered his body into the ground. Then we uncovered our heads and I conducted a simple Scottish service. After the Benediction the Corporal gave com-

mand and we all came to the salute. It was our last tribute of respect to your son ere we turned away. So we left him sleeping in the little Military Cemetery. A cross is being erected to mark the spot and to keep his name from being forgotten while we can admire a brave lad's end and show respect to his resting place. In all our prayers together, we never forgot you across the sea, and I pray God in his love and mercy to comfort you now. He knows the heartbreak and pain for He spared not His Own Son. Yours in deepest sympathy,  
W. J. BAXTER,  
Presbyterian Chaplain.

**WATCH** your alert, keen-eyed, clear-headed business man at breakfast. You never see him eating heavy, soggy foods that clog the body and slow up the mental processes. No, as a rule, he selects some appetizing, easily digested cereal such as Kellogg's, for he knows that these thin, crisp, toasted corn flakes supply all the nourishment that the ordinary body needs without dissipating his energy in digesting and absorbing them. Kellogg's Toasted Corn Flakes go well with fresh or cooked fruits in place of the usual milk or cream.
