FIVE DOCTORS GAVE UP ALL HOPE

Said she Would Die of Kidney Trouble

"FRUIT-A-TIVES" CURED HER

MOUNTAIN, ONT., Dec. 14th. 1910.

"For six years, I suffered from dreadful Kidney Disease. My legs and lower part of my body were fearfully swollen, and the pain was awful. My people thought sometimes I was dead, as I would faint from the agony. Five different doctors attended me, and all said it was kidney trouble and gave me no hope of getting well. A kind neighbor told me to try "Fruit-a-tives" and mentioned the case of Mrs. Fenwick, who was cured by them.

I took "Fruit-a-tives"—and in a short time, I began to feel better, the swelling went down, the pain was easier, and then "Fruit-a-tives" entirely cured me. All my friends look upon my recovery as a miracle, and I am unable to praise "Fruit-a-tives" enough."

THE MOST AMUSING FAMILY ON EARTH.

The Four Mortons, Sam, Kitty, Paul and Clara, known as "The most amusing family on earth, and whose fame has spread to every nook and corner of the United States, will head the bill at B. F. Keith's Theatre next week in a new act never before seen in Boston. It has been several years since the Mortons appeared in this city. Their new act includes a little bit of everything, with singing, dancing, dialogue, musicalities, and just plain fun, a staple article of entertainment for which the Mortons have long been famous. This versatile family will be but one feature of a splendid show, chiefly remarkable for the great number of new acts it includes. One of the most pretentious of these is Alber's Polar Bears, a wonderful troupe of animal actors that includes some of the largest and finest specimens in captivity. Herr Alber has just closed a long engagement at the New York Hippodrome, where his pets proved the talk of all New York. Another act that has originality written all over it will be Joe Jackson, the pantomimist. Jackson never speaks a word, but he manages to keep his audiences in a constant scream of delight. James Callahan and Johnny St. George will present their character classic, "The Old Neighborhood," and other features will be Lewis and Dody, in a character singing act; the Meredith Sisters, "the maids who made Hiawatha famous;" and Bertish, the modern hercules.

NORTH AMERICAN LIFE

REPORT FOR 1911

The Thirty-first Annual Meeting of the Company was held at its Home Office in Toronto on Thursday, Jan. 25th, 1912, when the report of the business of the year ended Dec. 31st, 1911, was presented.

CASH INCOME

The Cash Income during the year from premiums, interest, etc., was $2,295,176.98, showing a large increase over the previous year.

PAYMENTS TO POLICY-HOLDERS

The amount paid on Policy-holders' Account was $988,313.49, of which sum $148,135.09 was for surplus or dividends. The relative importance of the policy-holders' interests is at once apparent, considering that the sum of $6,000 only was paid to Guarantors. Holders of Deferred Dividend Policies received $501,399.96. This item, including Reserve and Surplus, shows an increasing amount from year to year. It is an incident of the Company's growth and progress, and affords ample evidence that the business is being conducted for the benefit of the policy-holders.

ASSETS

The Assets increased in 1911 by $924,334.25, and now amount to $12,313,107.57. The Bonds and Stocks owned by the Company are carried, as heretofore, at their cost price, although the market value was $168,575.72 in excess thereof, for which credit has not been taken.

NET SURPLUS

After making provision for all liabilities and further strengthening the reserves, the Net Surplus was increased to $1,300,784.00. This shows a handsome increase over the surplus of last year, and at once establishes the unexcelled financial condition of the Company.

INSURANCE IN CREASED

The policies issued during the year, together with those revived, amounted to the sum of $6,129,426, being an increase of $1,019,367 over that of the previous year. The total business in force amounts to $45,849,515.

QUICK RELIEF FROM THAT PERSISTENT, HACKING COUGH

We mean the kind of cough it gives one a cold shiver just to hear—the dry, deep-seated hack—hack—hack—that seems as if it were tearing the very vitals. That's the kind of cough that means business.

Fortunately, though, that is also one of the kinds of cough for which Na-Dru-Co Syrup of Linseed, Licorice and Chlorodyne was first prescribed, and which it has been relieving with great promptness and regularity ever since.

Na-Dru-Co Syrup of Linseed, Licorice and Chlorodyne is absolutely free from harmful drugs of any kind, and is safe even for children. It is pleasant to take, and acts quickly, relieving the irritation, loosening the phlegm, promoting expectoration, and so stopping the cough. Thousands declare it to be the best cough syrup they have ever tried.

Your Druggist will gladly recommend it, and will supply you with either a 25c. or 50c. bottle. The National Drug & Chemical Co. of Canada, Limited. 116

OBITUARY.

At Springton, Lot 67, P. E. Island, Jan. 25th, there departed this life into her Father's Heavenly kingdom, Sarah Delilah, beloved wife of William Halliwell, aged thirty-four years, four months, seven days. She leaves to mourn her early departure beside her sorrowing husband a young family of two sons and three daughters, a broken hearted mother, five brothers and two sisters and a host of friends and relatives. The deceased was of a kind and loving disposition and will be greatly missed by all who knew her and especially in the home where a mother means so much. But they do not mourn as those who have no hope for though her sufferings were great she bore them with a smile as Christians alone can knowing that all things worketh together for good for them that love Him. She was a member of the Baptist Church, Tryon, P. E. Island, and her pastor, Mr. Field, preached her funeral service, which was highly recommended taking it from Hosea 6 ch. Her two favorite hymns which she requested to be sung at her funeral service were:—There's no Friend like the lovely Jesus, and Blessed sleep from which none ever wake to weep. Her funeral took place Friday, Jan. 26th, at half past twelve from her late residence at Springton to Tryon Cemetery.

Operation for Piles Failed

Zam-Buk Was Then Tried and Worked a Cure.

Writing from Poplar, B. C., Mrs. C. Hanson, wife of the proprietor of the Commercial Hotel, says: "I suffered for years with bleeding piles. The pain was so bad at times that I could hardly walk, and ordinary remedies seemed utterly unable to give me any ease. Finally I decided to undergo an operation, and went to the Sacred Heart Hospital in Spokane. There they performed an operation and did all they could for me. For a time I was certainly better, but within twelve months the trouble started again and the piles became as painful as ever. I tried liniments, hot poultices, various 'pile cures,' and indeed everything I could think would be likely to do any good, but still continued to suffer, and the shooting, burning, stinging pains, the dull, aching and wretched, 'worn-out' feeling that the disease causes continued as bad as ever.

"One day I read about Zam-Buk and thought I would try it. The first one or two boxes gave me more ease than anything else I had tried, so I went on with the treatment. In a short time I began to feel altogether different and better, and I saw that Zam-Buk was going to cure me. Well, I went on using it, and by the time I had used six boxes I was delighted to find myself entirely cured. That was three years ago, and from then to the present time there has been no return of the trouble."

Zam-Buk is a sure cure for piles, eczema, ulcers, abscesses, cold sores, chapped hands, varicose sores, burns, scalds, bruises, inflamed patches, and all skin injuries and diseases. Druggists and stores everywhere, 50c. box, or Zam-Buk Co., Toronto, for price. Refuse harmful substitutes.

TAYLOR THE HOCKEY PLAYER SUSPENDED

MONTREAL Feb, 6—The meeting of the National Hockey Association held tonight took drastic action in case of Fred Taylor who was played against the Wanderers team by the Ottawa Club for the first period of a game here although he was the property of the Wanderers. Both Fred Taylor and the Ottawa Club were fined a hundred dollars and Taylor was suspended indefinitely.

Just what the Ottawa Club will do is not known, and considerable interest is taken in the case here. The hockey fans are wondering if the Ottawa Club will carry out their threats to make trouble.

SOLICITOR-GENERAL SPEAKS ON HOME RULE.

LONDON, Feb. 1—Dealing with Sir Edward Carson's recent statement. Sir John Simon, Solicitor-General, at a meeting last night said that Sir Edward had bitterly complained that no Minister came forward to explain the proposed Home Rule bill. Yet all the time he was doing his utmost to prevent Mr. Winston Churchill explaining it.

Why did Ulstermen make such a ridiculous exhibition of themselves? Was it because they could not bear to let the world see that Ulster was divided on Home Rule; that 16 of the 33 members for the Province were Home Rulers? Yet the people of England were invited to believe that Ulster was united in opposition to Home Rule. If people wanted to see intolerance in Ireland, it was to Belfast and the Orangemen they must go. The Government intended to carry Home Rule, and they were not going to be thwarted, waylaid, or side-tracked by carefully organized demonstrations of Orangemen in Ulster. (Cheers.)

S. A. McDonald's Card

To the Elector of Charlottetown. Ladies and Gentlemen;—

At the solicitation of a large number of citizens I have consented to become a candidate for Mayor at the forthcoming Elections.

I am in favor of a progressive Civic policy With a car-ferry to the Mainland and a reduction in our freight rates, the chief obstacle to making Charlottetown a manufacturing city is removed.

If elected, I will endeavor to get industries located here, by making such concessions, from time to time, as are considered and in the interests of our city.

Situated, as we are, in close touch with the coal fields of Nova Scotia, with excellent shipping facilities by rail and water Charlottetown, the fifth largest city in the Maritime Provinces, will then have as many inducements to offer investors as any other city. Think what it will mean to our working men. Instead of going abroad they will remain at home and help to build a greater Charlottetown.

I am in favor of improved sanitary laws as well as all measures having for their object the advancement of our city and province.

I am opposed to any further increase in civic taxation.

I take this opportunity of soliciting your support and of thanking the electors of Ward Five, for electing me to represent that large and representative body of citizens, in 1906 1908 and 1910, and trust that I may receive from them their hearty support for the Mayoralty.

I Peg To Remain,
Yours Most Respectfully,
S. A. McDONALD

ONTARIO TO LOSE A PART OF TERRITORY, GOES TO MANITOBA?

OTTAWA, Feb. 1—Is Ontario in danger of losing part of her territory as a result of the negotiations which have been proceeding here in regard to the Manitob boundary?

It begins to look as if there is some danger of that happening. Men close in touch with Hon. R. P. Roblin state that while here he made it a condition of giving Ontario a port on Hudson Bay that Kenora and that section of the Province of Ontario lying west of the Lake of the Woods shall be annexed to Manitoba. He bases his demand, it is said, on the agitation in Kenora for union with Manitoba, but he does not count upon the public sentiment of the Province of Ontario. It is inconceivable that Sir James Whitney nor any of his colleagues would ever consent, to the robbing of Ontarios of its territory which was so hardly won by Oliver Mowat against all the Macdonald HGovernment, Such a proposition would, it is believed, set Ontario on fire and completely upset both the Federal and Provincial Governments.

It is significant that Mr. Roblin, who left for home last night, did not have any conference with Hon Frank Cochrane, who has charge of the negotiations so far as Ontario is concerned, and it is no secret that the relations between the two are highly strained.

FACE WAS LITERALLY COVERED WITH PIMPLES.

Four Different Doctors Did Her No Good.

Two Bottles of BURDOCK BLOOD BITTERS Cured Her.

Bad blood is directly the cause of the face breaking out in pimples, and it is impossible to eradicate them unless you put your blood into good shape

Burdock Blood Bitters is compounded from roots, herbs, barks and berries, and is without a doubt the best remedy procurable for the purpose of driving all the blood impurities out of the system.

Mr. Geo. E. Miller, Clavering, Ont., writes:—"Last fall I was very much troubled with pimples. My face was literally covered with them. I went to four different doctors, but they could do me no good. One day a friend advised me to use Burdock Blood Bitters, so I got two bottles, and before I had taken all the first one, the pimples had nearly all disappeared, and by the time I had taken all the second one the pimples had disappeared completely, thanks to Burdock Blood Bitters. I would advise anybody who is troubled with any blood trouble to use Burdock Blood Bitters.
