

Operation Decided On As Only Means of Relief

But the Writer of This Letter Resolved to Try Dr. Chase's Ointment First and Was Cured.

This is not an isolated case, for we frequently hear from people who have been cured of piles by using Dr. Chase's Ointment.

MR. BEAUVAIS.

If you could read these letters, coming as they do, day after day and year after year, you would realize what a wonderful curative agent Dr. Chase's Ointment really is.

doubt as to where credit is due. Friends and neighbors are told of the results and so the good word spreads, and Dr. Chase's Ointment is becoming known far and wide as the only actual cure for piles or hemorrhoids.

NEW YORK HIPPODROME.

In an effort to overcome the general impression that the current offering "Wars of the World," has some relation or reference to the conflict raging abroad the management of the New York Hippodrome has addressed a communication to the leading organizations of New York setting forth the real character of the attraction, which is described as "a flirtation with history."

After running nearly three months to enormous business, the management has ascertained, through diligent inquiry, that the name of the attraction has proven sufficiently misleading to deter some patrons from attending the performance--hence the present campaign of education to inform the public as to the real character of the production. The employment of the title "Wars of the World" is purely in an allegorical sense. This is attested by such episodes as "War of Sports," "War of Pleasure" etc., all of a frivolous nature.

Useful New Invention

ENABLES ANYONE TO PLAY PIANO OR ORGAN WITHOUT LESSONS.

A Detroit musician has invented a wonderful new system which enables any person or child to learn to play the piano or organ in one evening. Even though you know absolutely nothing about music or have touched a piano or organ, you can now learn to play in an hour or two.

This new system which is called the Numerical Method, is sold in Canada by the Numerical Method Music Co. of Canada, and as they are desirous of at once making it known in every locality, they are making the following special free trial and half-price offer to our readers.

Money is not asked to send any money until you have tried and are satisfied with the new method. The Numerical Company is willing to send it to you on one week's free trial, and you will not have to pay them one cent unless you desire to keep it. There are no express charges to be paid, as everything will be sent by mail.

Specialties from all countries. Other excellent attractions will be Claude and Fanny Usher, in their very newest and funniest comedy playlet, Fritz Bruch and Sister, the virtuosos of the violin and cello, in a high-class musical programme; The Seven Brucks, the world's greatest exponents of the risley art; Harris and Manyon, in "Uncle Jerry At The Opera"; Vivian Ford and Harry Hewitt, in their merry travesty on the modern dance craze, and many other attractions yet to be announced.

FEW BODIES IN THE THAMES.

(Manchester Guardian.)

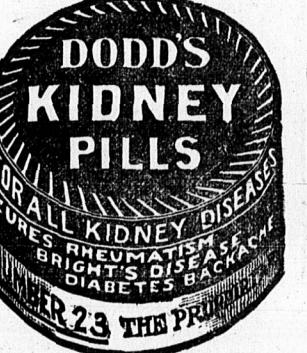

A correspondent who has been on special police duty up the river tells me that one of the depressed industries since the outbreak of the war is that of recovering bodies from the Thames. The finder of a dead body who brings it ashore is paid six shillings and six pence. In normal times at the up-river stations they would have reckoned on recovering a dozen subjects already this month, but as it is they have not had a single find. It is the same right down the river. Rogue Riderhood's occupation is gone.

AFTER JOVE, NOTHING.

Mrs. Carter had suffered from rheumatism until she declared that she had "no patience with it," but she was always eager to hear of possible remedies, and when her sister wrote that she knew of a cure that had been tried with great success, and would tell her all about it on her next visit, Mrs. Carter was all excitement.

"PATRIOTIC" ENTHUSIASM.

(Calgary Alberta.) Military excitement in Calgary is not on the wane. Parents of healthy twin girls in Calgary have named the demes Przemysl and Serajevo. That is an evidence of some enthusiasm and courage.
