AutoStrop Razor
—sharpens itself

Only a sharp blade gives a perfect shave

An unstropped blade cannot give as good a shave to-day as it did yesterday and must soon be discarded.

The exclusive self-stropping feature of the AutoStrop Razor ensures from each blade as perfect a shave each day as the day before. It is as easy to clean as to strop—nothing to unscrew or take apart.

Any dealer will demonstrate the AutoStrop Razor to you, guarantee satisfaction or refund of purchase price.

Only \$5.00—complete with strop—twelve blades in an attractive assortment of cases to suit any purpose.

AutoStrop Safety Razor Co., Limited.
 AutoStrop Building, Toronto, Canada

IN MEMORIAM

THE LATE MR. ARCHIBALD McDONALD

On the morning of June 21, 1920 there passed peacefully to his eternal rest Archibald McDonald, aged 63 years. He was a man of kindly jovial disposition who had many friends. A most successful and prosperous farmer, energetic and persevering, his work always seemed to exemplify the rule "Whatever thy hand findeth to do, do it with thy might." Although in failing health for the last past year his death was an unexpected shock to relatives and friends as he had kept about his work and business affairs as usual to within a few days of his death. His passing away was however, as he said to those who gathered around his bedside, but the welcome call to a better place.

He is survived by five brothers and five sisters also a widow, three sons and two daughters viz. Freeman and Bertie, Janie and Marion at home and Bruce in Strassburg Sask. To the sorrowing widow and family is extended the sympathy of relatives and friends.

Services at house and grave were conducted by Rev. Mr. Mellick. The funeral was attended by about 125 carriages. The pallbearers were: Messrs John Archibald, Donald and Robert Andrews, Thomas Ford and John Chandler. Interment took place at Fairview Baptist Cemetery.

"The wages of sin is death, but the gift of God is Eternal Life."
 "O death where is thy sting;
 O grave where is thy victory."

AGNES J. BELL.

A deep shadow of gloom was cast over Bonshaw and vicinity on the afternoon of July 27th, when it was learned that Agnes J. Bell, had passed to her Eternal reward at the home of her parents Mr. and Mrs. James Boyce. Although her illness had been protracted, she kept pretty well until about a week or so before her death when she suddenly took a change for the worse and grew weaker until the end came.

All through her illness she was patient and was never heard to utter one word of complaint or discontent but rather praise for the ones who attended her. She said shortly before her demise that she was tired, and wanted to go home. She had fought the good fight and finished her course.

There are left to mourn besides a sorrowing mother and father, one son John, three sisters and five brothers. The sisters are Mrs. George Murray, Roxbury, Mass.; Mrs. Malcolm Bell, South Melville, P. E. I.; and Mrs. R. D. Marens, Dorchester, Mass. The brothers are Bradford at DeSable, P. E. I.; Russell at home; Harry in Moosejaw, Sask.; Wesley at home; and Percy, a student of King's University, but now at home on his holidays. To these the guardian extends its heartfelt sympathy.

The funeral which took place Thursday, July 29th, was largely attended and the contributions of flowers numerous, among them being a beautiful wreath from Hon. C. W. and Mrs. Crosby. The service was conducted by Rev. J. S. McKay, who gave a very appropriate discourse from Revelation, Chapter 21. All the pall bearers were relatives and close friends of the deceased viz.—Eddie Boyce, Jas. W. Boyce, Will Gaudet, George Car and Geddie McLeod.
 "Blessed are the dead which die in the Lord, for they rest from their labors."

These are the famous Sennit Straws, Black silk ribbon and leather sweat bands. Regular prices \$4.00, \$4.50, \$5.00. On sale Friday and Saturday at 20 p. c. discount.

CANADA anticipates a period of growth.

Her raw materials remain the envy of her competitors.

She commands capital and skilled workmanship.

Her position in the British Empire gives her prestige and opportunity.

But whether she realizes her hopes fully or only partially rests to no small degree upon her steam railways.

CLOSER to Orient or Europe than is any other part of the New World, Canada would lose this advantage if her railways proved unable to carry her goods quickly to these well-placed ports.

She must be prepared for any development of traffic east-bound or west—or south.

HER rail service must be elastic and dependable. It must have reserve capacity, whether to roll a bumper wheat crop east, or some other Canadian product west-bound for Siberia or the Antipodes.

Elasticity, dependability and reserve capacity are profoundly affected by the overwhelming increase in operating expenses as compared to revenue.

This is another reason why increased freight rates are necessary in the public interest!
