

The Jar of Coughing

Hammer blows, steadily applied, break the hardest rock. Coughing, day after day, jars and tears the throat and lungs until the healthy tissues give way. Ayer's Cherry Pectoral stops the hard coughing, heals the torn membranes. We have no secret. We publish the formulae of all our medicines. J. C. Ayer & Co., Lowell, Mass.

The Kremenz Collar Button

- Solves all Collar Button Problems.
1. One piece.
 2. Never break.

THE PROVINCIAL GUARDIAN

Offices in New Prowse Block Charlottetown.

A **THREAT** is in store for all who attend Dr. Goodwill's lecture on Insanity in St. James' Hall on Monday evening.

A **GOOD** smart strong boy with fair education is wanted at once at this office. Apply promptly. Permanent employment for the right boy.

GOFF Bros. store is undergoing changes by D. Howlett's artistic brush. The woodwork and counters are being repainted and the store in general improved.

Subscribe at once for the Saturday Guardian for yourself and friends, and thus get this week's bang-up issue. Only fifty cents per year, or twenty-five cents for six months.

This family of the late James Carter, Sr. desire to express their gratitude and sincere thanks to all the kind friends who sent beautiful floral tributes in memory of the deceased and for their many expressions of sympathy.

This music page in the Saturday issue of March 10th will contain the words and music of a new and popular song, also Home Circle page, Magazine page, colored Comic page, interesting short story, Sermon by Rev. Wm. Dobson, notes on the S. S. Lesson a week hence, and all the latest telegraphic and local news. Only fifty cents per year or twenty-five cents for six months.

At an early hour on Monday morning Feb. 19 the death occurred at St. Martin's, N.B. at the advanced age of nearly ninety-five years, of Mrs. Elizabeth Summers, at the home of her daughter, Mrs. Margaret Schoales. Mrs. Summers was born at New London (P. E. I.), April 5, 1811. Her maiden name was Bernard.

She was twice married; by her first husband, Kenneth MacKenzie, she had seven children, two of whom survive her—J. MacKenzie, government lumber surveyor, and Mrs. Margaret Schoales. She survived her second husband, William Summers, twenty-four years. Deceased is survived by three sisters, Mrs. Daniel Walls, of Santonia (Cal.), Mrs. William Roberts, and Miss Catherine Bernard, of Wyoming Valley, Wisconsin, one brother, James T. Bernard, of Redding, Iowa, also twenty-four grandchildren and eighteen great-grandchildren.

Rev. M. J. McPherson, writing to The Guardian from Pte a la Garde, Que., says: "I noticed in a paper here a clipping from your paper where it stated Valleyfield, P. E. I. turned out more preachers, lawyers and doctors than any place of similar size in the Maritime Provinces. I wish you to send me the list of those professions men if you have published them in your paper, the one responsible for that statement may furnish them. While I acknowledge Valleyfield has had a good record for professional men, I question until I see proof that she has had a better record educationally than Ugg, P. E. I. It would not be uninteresting to your readers to have from these districts a list of the professional men, as preachers, teachers, etc., who have been educated in these two places for the past forty years. If your correspondent can furnish the list from Valleyfield, I shall endeavor to secure the list for Ugg school district. The Guardian will be pleased to assist in carrying out the suggestion of its correspondent, and hopes to receive the lists required."

THE **GUARDIAN'S** High Bank correspondent writes:—Hooking parties, sawing wood, preserving ice, hauling mud and sending valentines, was the order of the day last month. There is scarcely any ice to be seen in the straits now, quite different from last year about this time.—A number of the young people spent an enjoyable evening at the home of Hector Gillis recently. The occasion was a presentation to his brother, Murdoch, formerly of Quincy, Mass, but at present residing here for the benefit of his health. After a repast had been partaken of the remainder of the evening was spent in singing games speeches etc., music being furnished by J. A. McLeod, A. Senecaugh J. W. Hayter and the Jordan Brothers.—We speak with pride of a gentleman whom we have in this vicinity, who for fifty five years has by no means a light or moderate user of tobacco. But one day over a year ago, he resolved to stop the hoggish habit. From the day he thus resolved until this he has not, nor never shall—be declares—use tobacco again. Shame on the young men who make such sense resolutions and are not plucky enough to hold out any longer than a month or so.—A. D. McLeod of the firm of T. L. Cook, Murray River, has severed his connection therewith and leaves next week for Helena, Montana where a good position awaits him in one of the leading mercantile houses there. Mr. McLeod has many friends in Murray River and adjoining country who shall greatly regret his departure.

The Island Condition Powder again to the front. Now is the time for farmers to get their horses into shape for the Spring work—Those who have used "our powder" know its value—Those who haven't should do so.—you won't regret it.—Only 25c full 1lb package—A. W. Reddin Phem B, Sunnyside.

MOCK PARLIAMENT

Government caucus in Leader's office at 8:15 tonight. All members of the Government are requested to be present.

The **Loyalist** Correspondent of The Guardian writes: We are pleased to see R. Boalt out again after his severe illness.—Frederick Coles has been very busy engaged this winter in hauling hemlock lumber.—Samuel Gillespie has been on a visit to Rustico Cape, the guest of Thomas Doyle.—We are pleased to see our old friend George F. Proud home again, who has lately returned from the west.—Walter Diamond looks well after his trip.—Mrs. James Sentner is visiting her sister, Mrs. J. Boulter, Tryon.—Our popular sawer William Sentner is doing a rushing business in the mill this winter.—The Guardian is always a welcome visitor around Loyalist.

A **Carleton** Correspondent writes:—Frank Mattart has recently purchased the farm formerly owned by H. Crockett. We understand it is Mr. Crockett's intention to remove west.—Samuel Carruthers has purchased a handsome driver from H. Crockett.—Our esteemed neighbor Frank Schafer is making preparations for the lobster season.—Mrs. J. C. Gillespie is spending a few days with friends in North Bedouque and Summerside.—Miss Jean Gillespie teacher at Argyle Shore is spending a few days at her home in Carleton.—The Guardian is always welcome in this section as it is considered our best Island paper.

With the issue of Thursday morning's St. John Sun, S. D. Scott, who for years has been editor of that paper, ceased his work in that capacity. His resignation followed the sale of the Sun to the Liberal interests. Mr. Scott leaves for Ottawa about March 15, where he will represent the Halifax Herald and perhaps other papers in the press gallery.

It is regretted that Mr. Scott's plans are not perfect, but it is understood he has some idea of ultimately settling in the west. Chas F. Crandall, who has been directing the Star's course will be editor of the Sun, and Hedley V. McKinnon, formerly of Charlottetown, now city editor of the Sun will be editor of the Star.

What Sulphur Does

For the Human Body in Health and Disease.

The mention of sulphur will recall to many of us the early days when our mothers and grand mothers gave us our daily dose of sulphur and molasses every spring and fall.

It was the universal spring and fall "blood purifier," tonic and cure-all, and mind you, this old-fashioned remedy was not without merit.

The idea was good, but the remedy was crude and unpalatable, and a large quantity had to be taken to get any effect.

Nowadays we get all the beneficial effects of sulphur in a palatable, concentrated form, so that a single grain is far more effective than a tablespoonful of the crude sulphur.

In recent years, research and experiment have proven that the best sulphur for medicinal use is that obtained from Calcium (Calcium Sulphide) and sold in drug stores under the name of Stuart's Calcium Wafers. They are small chocolate coated pellets and contain the active medicinal principle of sulphur in a highly concentrated, effective form.

Few people are aware of the value of this form of sulphur in restoring and maintaining bodily vigor and health; sulphur acts directly on the liver, and excretory organs and purifies and enriches the blood by the prompt elimination of waste material.

Our grandmothers knew this when they dressed us with sulphur and molasses every spring and fall, but the crudity and impurity of ordinary flowers of sulphur were often worse than the disease, and cannot compare with the modern concentrated preparations of sulphur, of which Stuart's Calcium Wafers is undoubtedly the best and most widely used.

They are the natural antidote for liver and kidney troubles and cure constipation and purify the blood in a way that often surprises patient and physician alike.

Dr. R. M. Wilkins, while experimenting with sulphur remedies, soon found that the sulphur from Calcium was superior to any other form. He says: "For liver, kidney and blood troubles, especially when resulting from constipation or malaria, I have been surprised at the results obtained from Stuart's Calcium Wafers. In patients suffering from boils and pimples and even deep-seated carbuncles, I have repeatedly seen them dry up and disappear in four or five days, leaving the skin clear and smooth. Although Stuart's Calcium Wafers is a proprietary article, and sold by druggists, and for that reason tabooed by many physicians, yet I know of nothing so safe and reliable for constipation, liver and kidney troubles and especially in all forms of skin diseases as this remedy."

At any rate people who are tired of pills, cathartics and so-called blood "purifiers," will find in Stuart's Calcium Wafers a far safer, more palatable and effective preparation.

Stuart's Calcium Wafers are sold by all druggists and chemists.

BRAZILIAN HAS RETURNED

Famous Trotting Stallion Came to Town Yesterday and Goes to Cape Traverse Today.

Breeders and horsemen will hail with joy the return to the Island of the great trotting stallion Brazilian, 210. He arrived yesterday and goes to Cape Traverse today, where he was formerly owned and has some great sons and daughters, many of which gave an excellent account of themselves on the ice this winter.

Cape Traverse is already noted for speedy horses, and good sires, viz: Brazilian, Tom Medium, Kickapoo and Black Prince. It might be said Brazilian does not look a day older and seems to retain all his old time vim and determination.

How's This? We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure.
