—HOLMAN'S CATALOGUE — The Guardian has just received a copy of Holman's Spring and Summer Catalogue and hastens to congratulate this enterprising firm upon the attractiveness and completeness of this shopping guide. It is so far ahead of anything yet produced by Holman's that there is little comparison. The latest issue plainly demonstrates that Holman's are not satisfied with "well enough." They are reaching out for greater things—they are extending the sphere of their endeavors; after having largely off-set the effect of foreign competition in their own territory by giving better service and lower prices. They are now entering the larger provinces of the Dominion and are rewarded by a gratifying growth of trade from all the provinces which they have entered. The latest issue of Holman's Catalogue is artistically designed, beautifully illustrated; and they claim that their prices cannot be beat in Canada. Holman's will mail a copy of their catalog to any home that has not received a copy. 9550-4-19ME11.

Torture of Sciatica Cured Quick! "Nerviline" A Success Every Time

Stops the Pain Quick—Acts Like Magic—Is Harmless and Pleasant.

Sciatica is the most severe pain man can suffer. The great sciatic nerve is deeply placed, and you can reach it only by a pain remedy, as penetrating and powerful as NERVILINE. The glory of NERVILINE is in its strength—in its marvellous power of penetrating deeply. In severe pains, such as sciatica and neuralgia, NERVILINE demonstrates its superiority over every other remedy.

Extraordinary pains, such as rheumatic or sciatic, can be overcome only by a remedy as extraordinary as Nerviline. In many lands it has shown itself to be the best for little

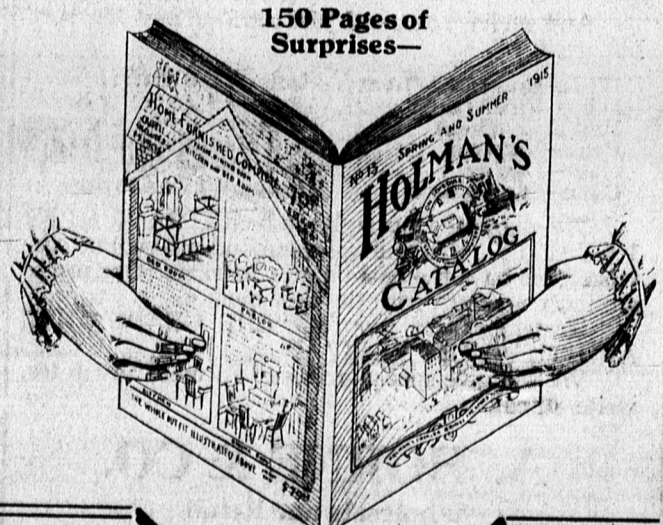

pains, best for big pains and best for all pains. When one has acute rheumatic pains, stiff joints or a stiff neck, don't experiment—seek a remedy that cures. Like lightning, in rapidity, as sure as fate in its certainty of relief, Nerviline can never be surpassed for the removal of pain, no matter what advance science may make. It is perfect in its line. Do not trifle with ordinary or city liniments, use Nerviline. Try its efficacy—it's the only liniment that rubs right into the core of the pain.

ALBERTON

—BURNS CONCERT.—One of the most successful Burns Concerts yet given in Alberton was held in the Town Hall on Tuesday, April 13th. Allowing for the bad roads and the time of year the attendance was good. The special trains which were to run in connection with the entertainment were cancelled. Some of Charlottetown's well known singers figured prominently in the affair and it was somewhat late in starting on account of the express train on which they travelled being over an hour late. It is needless to say that all the numbers were warmly received. The order at the back of the hall at times was not all that could be desired and it was high time that some youths realized that they should be past that barbaric state. The following although perhaps changed slightly was the programme. Bagpipe Music, Joseph Gillis. Overtune Scotch Selections, Prof. Watkiss. Song, Elmer Whitlow. Song, When the Kye comes home, Mrs. John Wells. Song, Red Red Rose, Elmer Ritchie. Song, Loch Lomond, Mrs. Emerson McNeill. Song, Mr. Clark. Dance, Highland Fling, Miss Reta McDonald. Song, Scots Wha Hae, Rev. Geo. Miller. Song, A wee bit land, Mrs. William Agnew. Song, Highland man's Toast, Mr. Fraser McArthur. Dance, Sword Dance, Miss Reta McDonald. Intermission, Bagpipe Music, Joseph Gillis. Violin Selections, Prof. Watkiss. Song, Kittle Lads, Master Coleman. Song, Elmer Whitlow. Song, Coming through the Rye, Mrs. Emmerson McNeill. Song, Mr. Cosh. Song, I hear you calling, Elmer Ritchie. Song, Standard on the Braes of Mors, Fraser McArthur. Song, Mrs. William Agnew. Dance, Sailor's Hornpipe, Miss Reta McDonald. Duet, Crooked Bow, Mrs. John Wells and Elmer Ritchie. Song, Mr. Cosh. Auld Land Syne, God Save the King. The ladies of the Red Cross held a sale of home made candy during the intermission.—A.
