Tommy Farr Favorite In Fight Tonight

NEW YORK, Jan. 12.—(AP)—There will be heavyweights by the ton in the Madison Square Garden ring tomorrow night in a six-bout card headed by a 10-round get-together between Tommy Farr and Jack Dempsey's hopeful, Red Burman.

It seems proper that Tonypandy Tommy should be picking Friday the 13th to take a whack at his American jinx. The Welshman has come to bat four times since beginning his invasion of this country—and to date his record shows "no runs, no hits" no 5 may be different.

The Hawks, making their first appearance here under the playing management of Paul Thompson, lacked cohesion. Unable to find a scoring punch, their best effort consisted of coming to a halt on the legs or sticks of the Ranger defense.

The Ranger victory put the teams at square on the easy mark and tallied with ease. Bryan Hextall accounted for two of the goals, while the Colville brothers, Neil Mac, Phil Watson and Cecil Dilworth rang up three points behind the leading Boston Bruins, who had an open date.

Steele Scores For Hershey

HERSHEY, Pa., Jan. 12.—(AP)—Hershey Bears found the answer to Philadelphia Ramblers' high scoring system tonight and pounded out a 5-1 victory in an international-American Hockey League game. More than 200 attended. Clarence Steele, formerly of Charlottetown, snipped in one of the Bear's tallies.

NEW YORK, Jan. 12.—(AP)—Gloucester Bay Miners regained first place in the Cape Breton Hockey League tonight by defeating Sydney Millionaires 4-3 in a rough-and-tumble game that saw a woman spectator injured when a Sydney player tossed his stick into the crowd.

Mrs. William O'Neill was struck on the forehead when Irving McGibbon, Sydney forward, threw his stick after an argument in the third period over a penalty given his teammate, Tic Williams.

Police escorted McGibbon across the ice to the Sydney player's box and cautioned him until play resumed. Later he was taken to the dressing room where he changed his clothes and then departed for Sydney.

First-period goals by Linklater and McEachern put Glouce Bay ahead. McGibbon got the only second period counter. Linklater and McEachern tallied for Glouce Bay in the final period while Williams and Ingram got the Sydney goals.

Another feature of the game was an unexpected resignation of referee John Johnston of Truro and Alie McQueen of New Waterford. Fred Mill, North Sydney, and Sparky Campbell, Sydney, replaced them.

Horse Racing At New Glasgow On Saturday

Horsemen in the New Glasgow district and vicinity are getting their speedsters tuned-up for the opening ice races of the season on the New Glasgow River Saturday afternoon.

It is surprising the interest taken in this sport in the so-called "off" season. Whenever a few horsemen gather there is bound to be discussions and arguments on the merits and demerits of a certain racer and the debates frequently wind up with the decision to stage a meet with goodly purses and often side-bets to boot.

Interest this year seems to be unusually high in many of the rural centres with live-wire committees and horse-owners preparing for an active season. The New Glasgow and Hunter River districts are no exception and it is expected that a large crowd of fans will be on hand at the opening races Saturday to cheer their respective favorites.

Rangers Blank Hawks 6-0 To Close-in On Bruins

NEW YORK, Jan. 12.—(CP)—New York Rangers booted Chicago Black Hawks down from fourth to fifth position in the National Hockey League tonight as the blue shirts scored a 6-0 shutout over the champions.

The Rangers had scored but one goal on Mike Karakas in three previous starts. A crowd of 8,721 in Madison Square Garden saw Rangers go up three points behind the leading Boston Bruins, who had an open date.

The speedy Rangers found the Hawk's defence an easy mark and tallied with ease. Bryan Hextall accounted for two of the goals, while the Colville brothers, Neil Mac, Phil Watson and Cecil Dilworth rang up three points behind the leading Boston Bruins, who had an open date.

Grant Thinks U.S. Can Retain Davis Cup

(By KENNETH GREGORY Associate Staff Sports Writer) ATLANTA, Ga., Jan. 12.—(AP)—Bryan M. (Bitty) Grant, "mighty atom" of United States tennis, considered today the United States has a better than even chance to retain the Davis Cup—providing Wayne Sabin isn't overlooked.

A veteran of big time tennis at 28 years but prepared to carry on as long as his legs last. Grant agreed the loss of Don Jacobs was a blow, yet insisted the United States has a "wonderful" opportunity.

"We have two fine players on our side right now, who, I believe, are better together and retain the cup unaided," said the 120-pound gazelle of the Courts. "One is Bobby Riggs and this will be a other prize to a lot of people—the Wayne Sabin."

"Sabin is the 'key man,'" he continued. "He is a fine singles player, a superb doubles player, and in my opinion is the best doubles player in the game today. I think he could pair with either Riggs or Gene Mako and win easily."

The move has been made to bolster the Stars' regular line.

It was reported that Fowler will replace Jack Howard, later a casualty who is ill with pleurisy.

Radio City Ice Revue Seen In Fine Program; Two Performances Today

Grace and beauty usually seen only behind the footlights was transplanted to the ice rink here last night when the Radio City Ice Revue, a colorful spectacle, was reeled off. The show starred Jean Sherwood, 18-year-old Pavlova of the ice, Douglas Duff, comedy King, and Bobby Hearn, billed as the world's champion barrel jumper.

Newcomer to professional ice shows was Kitty Hogan of Halifax who stopped the show in her waltz number with Duffy. Hearn after wave of applause followed close upon her graceful exhibition.

Miss Sherwood lived up to her advance billings. Her powerful strokes and speed on the ice combined with her whirls and pirouettes were well received by the fans.

Bobby Hearn as a climax in his act, jumped over 10 barrels as promised. He also appeared in a comedy number with a pair of size 108 skates and managed to clear all the tricks of the figure-skater on them, much to the amazement of the audience.

Another starlet who was well received was Frances Dugan of Halifax. Well known as an acrobatic dancer, she executed on the ice splits and other difficult stunts of the stage.

One of the main features of the show which pleased the audience was the appearance of the "Six Skating Princesses." Besides being easy on the eyes they knew how to handle their skates and went through difficult precision numbers in fine style. All the girls, except Violet Blanch of Amherst, N. S., learned their figure skating at Halifax before turning to the professional circuits. They are Evelyn Meagher, Doris Haythorne, Helen Meagher, Frances Dugan, Dorothy Bondeau and Anne Goddard.

The presentation began with Kitty Hogan and Frances Dugan skating through a tricky waltz number. They were followed by the six pretty Sweethearts of the Ice, natively garbed in green and white who wove through a labyrinth of circles in well-timed precision.

Duffy appeared next in a Rhumba and amazed the fans with agility on the blades in time to the difficult rhythms of the South American dance. Jean Sherwood was next in a standard fancy skating number. The versatile cast then ran through all six divisions of skating, including comedy skis, acrobatic numbers, precision, waltzes, racing, The Big Apple, Ballets, and Barrel Jumping.

The management of the Forum has decided to stage a matinee this afternoon in order that children might be given an opportunity to see the stellar performance. The Revue will be presented at reduced rates in the afternoon and will run off again at night at regular prices.

HOCKEY

The favorite winter sport got underway Jan. 6, 1939, when the new Hockey League known as the Merchants League which consists of three teams namely, Cavendish Red Wings, Stanley Bombers and Hope River Dynamiters.

The first game between Red Wings vs Bombers which went to the Red Wings by the score of 2-1. The game was fast and fast with Red Wings having the edge throughout the game.

A second game was played Jan. 9 between Bombers and Dynamiters which caused some excitement for the fans. Tempers flared in the first period between Gordon Fyfe of the Bombers and J. Reid of the Dynamiters but soon cooled as the referee called 5 penalties all majors to the offenders.

The second and third period was fast and clean with both teams scoring. E. Hamilton was a star for the Bombers with three goals. He finished the scoring with 1 goal.

So the game ended 3-3 in favor of the Dynamiters.

L. Quinn scored two goals for the Bombers with three goals. He finished the scoring with 1 goal.

So the game ended 3-3 in favor of the Dynamiters.

The Merchants League at Stanley got under way on Friday night, and despite the many obstacles the promoters had to handle, the season was a success.

The "dark horse" team of the set-to was the Cavendish Red Wings which in every hockey critics opinion did not have a ghost of a chance. They banged in six stinging goals behind the veteran net custodian, MacKay, of the newly christened "Bombers."

Three of the Red Wings goals came from the stick of Austin Graham snappy right wing player, who was always on the job. He is a heavy hitting defenceman of the Red Wings scored from a mix-up at the Bombers net. He lifted the disc over the net and was able to make it 4-1 for the Red Wings. Cole who played a very strong game both offensive and defensive, got the easiest goal of the game from about 15 feet out from the Bombers net. Elmer Fyfe one of the best forwards of the league scored the other marker for the Red Wings on a hard drive from the right wing, close in.

The Bombers seemed a little unsteady and disorganized in the first two periods but steadied down in the last session to hold the Red Wings on even terms. The goal-getters for the Bombers were two rookie forwards, Cousins and MacEwen. Both showed good prospects for a good seasons playing. Walsh and Quinn also did some things but did not seem to be able to hit their stride. The veteran defenceman of the Bombers, Urban Walsh made some spectacular rushes but was watched very closely by his former mate Gordon Fyfe. Four penalties were handed out in the game. Red Wings three to Cavendish and one to Stanley. Fyfe, Cole and Graham getting the Cavendish penalties and Bell got the Bombers penalty out on the bench.

NOTES The first star of the game would in your writer's opinion go to Graham, who scored three goals and was always on his wing to check any invading forwards.

The next would go to Lytton "streak" Bell, although he did not get on the scoring sheet played like a Trojan all night.

The third star goes to Gordon Fyfe for his effective checking and his hit in the game.
