BOVRIL TAKEN

In a series of remarkable experiments

conducted under the direct control of one of the foremost physiologists of the day, an amount of Bovril proportionate to the small black diamond has been proved to produce an increase in flesh and muscle corresponding to large outline diamond,

showing the body-building power of BOVRIL to be from 10 to 20 times the amount taken.

Bovril is the concentrated goodness of the best of beef. It is a wonderfully warming winter beverage; it builds up the weak constitution and strengthens the strong one; it guards against the grip; it checks colds and chills; it is cook's right hand in the kitchen; it is nurse's first aid in the sick-room.

TWO KILLED IN EXPLOSION AT COURTENAY BAY.

ST. JOHN, Feb. 3.—A terrible double fatality occurred yesterday morning at Courtenay Bay, when two of the dynamiting crew, John Olsen, the foreman, aged about twenty-nine years, and Andrew Damon, his assistant, aged twenty-five, both Swedes, were instantly killed by the premature explosion of dynamite in a set of holes on which they were working.

Damon's body was torn limb from limb and scattered about the ground, while Olsen's body was hurled by the awful force of the explosion to the shore in front of the Municipal Home, about 300 yards away. The cause of the accident is not known and possibly the reason for the dynamite going off prematurely will never be known, as Olsen and Damon were the only ones near the spot where the explosion occurred.

The accident occurred about a quarter after eight o'clock. Olsen and Damon had been at work loading a set of holes. Everything was going well and they had reached the last hole and were putting the charge into it, when everything exploded. As soon as the explosion was heard, it was known that there was something amiss as no signal had been given. Workmen ran to the place where the two men had been seen only a short time before and were horrified to find portions of their bodies scattered about for some distance on the rocks and snow.

Both the dead men were Swedes and had been on the Courtenay Bay works almost since the blasting work was begun. Damon had worked in the United States for some time previous to his coming to this country. Olsen and Damon were both good workmen, in fact they were, in the estimation of the superintendent, the best men on the works.

ENLARGED SCOPE OF BEST MAN'S DUTIES.

TORONTO, Feb. 2.—The best man at a Polish wedding in the old Grace Church, Elm street, yesterday was John Chicora. The church building, which is by the way, a dancing hall now, was the scene of much festivity in connection with the nuptials. Chicora fancied the title of best man, and becoming possessed of the idea that it did not apply to the ceremony alone announced that he was the real best man amongst the 150 guests and made a pugilistic attempt to demonstrate it with the result that the police were invited and Chicora was moved to the Agnes street station. The refreshments had been too much for him and the effect was apparent when he faced the Magistrate this morning. He will recuperate at the jail for one week.

LABOR ORGANIZATION AT WASHINGTON.

WASHINGTON, Feb. 2.— A general campaign is to be conducted by organizers of the American Federation of Labor throughout the country in an effort to unionize the 300,000 Government employes.

NERVOUS DYSPEPSIA GAS OR INDIGESTION

"PAPE'S DIAPEPSIN" SETTLES SOUR, UPSET STOMACHS IN FIVE MINUTES.

Time it! Pape's Diapepsin will digest anything you eat and overcome a sour, gassy or out-of-order stomach surely within five minutes.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your pharmacist a fifty-cent case of Pape's Diapepsin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large fifty-cent cases contain enough "Pape's Diapepsin" to keep the entire family free from stomach disorders and indigestion for many months. It belongs in your home.

Practical Fashion Hints

By Alice Gibson

This season has brought out some very charming new blouse designs. No. 7713 is a model that would be very pretty developed in voile, albatross, crepon, linen or one of the numerous wash silks. It combines the drop-shoulder and the raglan effect, has a sailor collar and by way of finish has three stitched tucks extending down the front.

As white crepe de Chine is so much in favor just now I will offer it as a suggestion here with the collar and cuffs of figured crepon.

The home dressmaker will find nothing difficult about the yoke or raglan shoulder, which appears on nearly every design this season, if she follows her pattern directions carefully and marks the seam allowance on each piece.

An effective finish for these seams on the shoulder is brought about by joining them in the usual way, pressing them open and running a line of machine stitching each side of the joining line.

For size 36 this blouse requires 2¼ yards of 36 inch material.

The pattern is cut in 6 sizes; 32 to 42.

This Is a Perfect Pattern.

Be sure to state right size, measuring over the fullest part of the bust for dimensions.

It may be obtained by filling out the coupon and enclosing 15 cents in stamps or coin to the Pattern Department of this paper.

LANDED SAFELY AFTER SPECTACULAR FLIGHT.

NEW YORK, Feb. 3.—While Charles O. Miles, a youthful Rochester, N. Y., aviator, was making a flight upside down at an altitude of about 3,000 feet over the Hempstead Plains of Long Island yesterday, the gasoline in the engine of the monoplane gave out. Tail first the machine dropped quickly. Miles remained calm, however, and with dexterity partly righted the monoplane, and made a safe landing after a series of spiral dives.

Miles had gone aloft to attempt to establish a record doing the loop the loop and flying upside down.

WANTS TO CHARGE FOR CARS DELAYED.

TORONTO, Feb. 2.—"There are no public refrigerators or warehouses in the cities, in which to store the stuff, so that the public is relying on refrigerator cars, just as the West depends on the railway cars for grain storage."

So declared Mr. Angus McMurchy, counsel for the Canadian Pacific Railway, in defending before the Dominion Railway Board the company's proposal to raise the charges for the detention of refrigerator cars. The company, said the lawyer, finds that the people do not remove the food and other products from the cars and as there is a limited number of such cars, a tax must be levied to pay for the stalling of them by shippers. This charge is graded up from $1 a day to $3. In Toronto and Montreal cars are held on an average of 5½ days before being unloaded.

"Bananas are frequently left in the cars to ripen," said counsel.

Are you one of those to whom every meal is another source of suffering?

Na-Dru-Co Dyspepsia Tablets will help your disordered stomach to digest any reasonable meals, and will soon restore it to such perfect condition that you'll never feel that you have a stomach. Take one after each meal. 50c. a Box at your Druggist's. Made by the National Drug and Chemical Co. of Canada, Limited. 150

The Safe Cough Syrup For Your Little Ones

That it positively does not contain anything harmful, even to children, is one of the strongest points in favor of the use of

NA-DRU-CO Syrup of Linseed, Licorice and Chlorodyne

in every home in Canada. Your Physician or Druggist can readily make sure it is safe, as we are prepared to send to either, on request, a complete list of the ingredients in this or any other Na-Dru-Co preparation.

Na-Dru-Co Syrup of Linseed, Licorice and Chlorodyne is the best all-around remedy for coughs and colds sold in Canada to-day. Your Druggist can supply you with 25c. or 50c. bottles.

NATIONAL DRUG AND CHEMICAL CO. OF CANADA, LIMITED. 319

Maritime Telegraph and Telephone Earnings

In 1912, after paying bond interest, the Maritime Telegraph & Telephone Company earned nearly 14 per cent on the preferred stock issued. This is equal to considerably more than twice the amount required for dividends on this stock. In other words, if the net revenue of the Company fell off one half the dividends would still be assured. Such a state of affairs is not at all reasonable to expect in a public utility of so great an importance to the public and private life of our people.

Thus, regularity of the payment of dividends is a strong point in favor of Maritime Telegraph and Telephone preferred stock, of which we offer a block in lots to suit purchasers. Price and particulars will be given upon request.
