M. R. E. C. Secretary At Kensington

A successful Church School Conference for the training of Sunday School teachers and leaders was held at Kensington on Wednesday, under the excellent leadership of Miss Lois A. Tupper, Girls' Work Secretary of the Maritime Religious Education Council, and Rev. Alexander Gibson, Associate Secretary of the Council. More than sixty Sunday School workers and teachers met in three sessions, morning, afternoon and evening, and heard the Secretaries in five one-hour periods of most helpful lectures and discussions on teaching.

Worship services at the opening of the sessions were led by Rev. E.J. Barrass who spoke from "Jesus as Teacher" at the morning session; Rev. E.J.O. Fraser who based his address on "Our Unfinished Task" at the afternoon session; and Rev. L.M. Murray who led the evening worship all brought help and inspiration.

During the afternoon session, Annual Sunday School Convention of the Kensington-Summerside Local Council of the M.R.E.C. was held. Reports of work done during 1944 were most encouraging, and included a Rally for workers and pupils held at Summerside with over four hundred in attendance; a Church School Conference held last year with over 50 workers present; finances above the allotment to the Schools had been contributed, and interest in the work of the Council most enthusiastic. Resolutions reported by the Chairman of the Committee, Mr. W.E. Brooks, included recommendations for more temperance instruction in our Church Schools, regular teachers meetings in each school, and thanks to the entertaining church and visiting secretaries.

Nominations Committee report presented by the Chairman Rev. K.G. Sullivan; Honorary President, Rev. E.J. Barrass; President, Mr. Percy Hateley, Kensington; Vice-president Mrs. J.W. McKenzie, Summerside; Secretary-Treasurer (indefinite pending acceptance by the person nominated); other members of the Executive are: Harry D. Bishop Kingston Visits Province

Bishop G. F. Kingston, D. D., of Halifax, commenced his official visitation of the Anglican parishes of this Province by conferring the sacrament of confirmation to large classes of candidates at St. John's Church, St. Eleanor's, Sunday morning at 11 o'clock and at St. Mary's Church, Summerside, at 7 o'clock in the evening.

The regular harvest thanksgiving service was also held at St. John's Church in the morning and Bishop Kingston dedicated a beautiful lace altar cloth that had been sent from Sardinia by Lieut. Kathleen Jeffrey of the U. S Nursing Corps, who is a daughter of Mr. and Mrs. George Jeffrey, Linkletter.

In the evening at St. Mary's Church a special thanksgiving service was also held. Bishop Kingston delivered a splendid address fitting the solemnity of the occasion. He had special words of encouragement for the young people who had been just confirmed and admonished them to lead good lives. He also expressed his pleasure at being back at St. Mary's Parish.

After the service he delivered a special talk to the members of the Laymen's Association and other men of the parishes.—S.

S'side Girls' Softball Club Annual Banquet

The Summerside Girls' Softball club held their annual banquet on Friday evening in Leo Coyle's restaurant. Mr. Henry Landry acted as chairman.

The toast to the King was proposed by Miss Charlotte Tompkins and responded to by the singing of the National Anthem.

The toast to the Summerside Girls' softball team was proposed by Annabelle Allen and responded to by Barbara Currie. Miss Betty Proffitt, the club president then addressed the meeting. She referred to the fact that the second year that the club has been functioning is now concluded. This year the team played some outside teams and though they did not always win, it was felt that they had gained much experience. On behalf of the team she thanked Mr. Patrick Ryan for his interest in the team. She also expressed appreciation to Coaches Landry and Grady for devoting so much of their valuable time to the team. She also thanked all who had assisted the club financially or in any other way.

Mr. Davis Lidstone, Principal of Summerside High School spoke briefly and said that the people of the town should be proud of the team. He congratulated them on reaching the Maritime finals and said that he looked forward to their taking the championship next year. Coach Henry Landry was the last speaker and he expressed his appreciation to the members of the team for the co-operation they had shown during the season. He said that he was proud to hold the position and had never regretted that he had accepted the appointment. He said that he was much impressed with the improvement which the team had shown this year and he felt that if the same amount of improvement was shown next year the Maritime championship would come to Summerside. —S.
