After all loose dirt is removed, carbon tetrachloride (the standard cleaning agent available in drug stores or cleaning supply houses) may be used to take out spots

It is always well to try the cleaner in some remote spot first to detect any ill-effects it might have on the material.

The accepted professional method is to wipe the fabric—not scrub it—with a cleaner-moistened cloth

then to rub it lightly with a clean, dry cloth

You can do this with an entire surface and you'll be amazed at the amount of dirt removed and the fresh color of the fabric

Be sure, however, to follow directions carefully on patented products for some can not be used on certain fibres.

Clean Small Areas As a Time

Light shampooing is satisfactory—particularly on basket

wares and tapestry. Use any of the commercial shampoos or

plenty of clean water and a soft brush

Do small areas at a time. Use little water and rinse off all suds with a clean damp cloth

To remove stubborn grease spots, mix a paste of powdered

soda and carbon tetrachloride and spread it thickly on the soiled area

Leave with dry when it can be brushed off

Leather upholstery is best cleaned with saddle soap

This not only cleans and preserves the leather but helps it to keep its

plian softness

Leather furniture woe's can be cleaned with mild soap and warm

water (not hot). Rinse with clear water and dry with a clean cloth

Wax and oil polishes are a matter of depend on "beow green"

ingly and rub well with soft

planned polishing agent. Rub with the grain, not against it.

By Judson Bailey Associated Press Sport Writer

NEW YORK, May 14 (AP)—The Giants and Dodgers expect

ball next Sunday. The lights at

both the Polo Grounds and Ebbets

Field were turned on for a test

Tuesday night while officials

waited for a coast guard cutter

Both ball clubs were represented

in the party and although they

had no report from the authorities,

they are hopeful.

gave Cincinnati Reds a dose of

their own medicine as they batter-

ed across 10 runs in the eighth

inning—more than enough to give

Mei Ott's men a 12-6 decision.

The Reds scored 12 runs in one

inning against the Giants on the

New Yorkers' recent western tour.

Today the Reds were sailing along

with a 6-2 lead, built up in the

first three innings on the strength

of home runs by Linus Fry and

Ray Lamanno.

Then came the explosion.

Lee Wins No. Five

Browns Down Boston 6-3

NEW YORK, May 14 (AP)—

The up-and-down St. Louis Browns

pulled out of a tailspin today at

St. Louis to defeat the fourth-

place Boston Red Sox 6-3 behind

the six-hit pitching of Jimmy

Nieling.

Three of the six blows off the

old knuckle-baller were by Bobby

Doerr, leading fitter of the Ameri-

can League, who accounted for

two of the Boston runs.

At Chicago, led by outfielder

Myril Hoag, who drove in four

runs with three singles, the cellar-

dwelling Chicago White Sox went

to a split and ended Philadelphia

Athletics' five-game victory string.

It was the third straight vic-

tory for the Chicagoans, who un-

til yesterday hadn't won more than

one game in a row.
