THERE is a rather dangerous place in the harbor ice, near the Three Tides. Yesterday an ice boat broke through and the occupants were thrown into the water—one of them, unfortunately, was completely immersed.

THE office hours for the news department are from 1 p. m. to 6 p. m. and 7.30 p. m. to 4 a. m. For the advertising and subscription departments from 8 a. m. to 5 p. m. It is useless to ring either of the above departments at any other hour.

THE fourth indoor athletic contest was held in the Y.M.C.A. last night. The pole vault was won by W. Phillips, at 8 ft. 9 in. He also won the contest on the buck, making 98 points. W. Briggs won the high kick at 8 ft. 5 in. Though Phillips had a lead last night it was not enough to overtake L. Crosby's lead in the former contests who now has 903 points to Phillips' 900. There is to be one more contest.

A SHORT time ago Mr. Charles Alexander a prominent business man in Montreal who was 60 years of age was in the act of shutting a window when he fell out and was killed. During his lifetime he was associated with the work of the Y. M. C. A., the Protestant House of Industry, the Boys' Home and the general hospital. In commemoration of his worthy life the citizens of Montreal raised a fund of \$300,000 by voluntary subscription with which to build a memorial wing on the general hospital to be called the Alexander wing. Associated with the Y. M. C. A. of Charlottetown during the past 50 years have been many worthy citizens who have gone to their reward. Is it too much to ask of the citizens of Charlottetown to give a free will offering toward the Y. M. C. A. debt fund sufficient to wipe off the mortgage and thus honour the memory of those faithful men who laboured so earnestly in this institution.

OUR Regiment will be presented under the distinguished patronage of His Honour Lieut. Governor McKinnon, Col. Moore D. O. C. and officers of the militia.

WORD comes from Tokio, Japan, that the Rev. E. C. Hennigar and wife are assiduously studying the Japanese language, Mr. Hennigar meantime preaching by the help of an interpreter. The young couple are happy and talking kindly to the novelties of oriental life.

REV. MR. OPIE and the ministers of the other churches in Bathurst N. B. are still pushing the case of the open sale of liquor. The Roman Catholic clergy are standing by the Protestant ministers in their attitude on the temperance question and the incompetency of the liquor inspector.

The last regular monthly meeting of the present Town Council was held last night with the Mayor and all the Councillors present. The matter of opening Russell Street to Water Street was again taken up but it was decided to hold the matter over for a special meeting on Friday night. A public meeting of the rate payers of the town is called for Monday night 19th inst. Meeting adjourned.

It was expected that the visit of Twentieth Century Division of Little York to Victoria Division last evening would be up to the record, but it exceeded all expectations. When the gavel sounded at 8 o'clock the division room was filled. The opening service and the admission of four new members was witnessed with marked attention. The visitors from York, about 30 in number, were shown up in a brief circle and formally introduced by the Deputy and cordially welcomed by W. Patriach McNair, who invited the visiting W. P. and Deputy to occupy seats on his right. Then followed the feast of reason, one of the best and best arranged programs that has ever been given in the city. It is needless to say that every one present was delighted. Before closing the members enjoyed a cup of hot coffee and some very palatable eatables. Next Monday another visit is expected from Elliott Division of Rocky Point.

The glory and satisfaction of beautiful womanhood can be known only to those possessing the unlimited advantages of health. No weak woman can be happy or enjoy half the pleasures of life. ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupied space that directs attention, about given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagance.—American Medical Journalist.
