Eye Comfort

Comfort in spectacles or eye-glasses cannot, be confined to the frames alone. The degree of comfort received from wearing glasses must be divided equally between the lenses and the frames. While the frames may be a perfect fit and look attractive it is the lenses which are responsible for discomfort in strong light or glaring sunshine. Such a strain on the eyes is necessary and can be relieved by wearing Genuine Crookes Lenses ground to your own prescription. We will be pleased to tell you more about the famous lenses which make uncomfortable eyes comfortable. Have your Eyes Examined and know the Facts.

WHIST PARTY.—A most pleasant evening was spent on Jan. 14th at the home of Mr. and Mrs. Cornelius Herrell, St. Patrick's Road, when a number of friends and neighbors gathered for a game of whist which was played from 8 to 10. Then came the distribution of prizes which were awarded to Mr. Frank Dolron, New Orleans Road, and Mrs. Murphy, New Glasgow. Consolations were awarded to Mr. Peter Goodman, Mrs. John Doyle. Lunch was then served to the players in Mrs. Herrell's best style, assisted by Mrs. Joseph Gallant. The rest of the evening was spent in music and singing. Violin selections were given by Mr. J. B. Gallant, songs by Mr. James Herrell, Mr. Ambrose Herrell, and Mr. James Proctor after which all highly pleased with the evening's fun returned to their homes.

GEORGETOWN NEWS.—At present writing Jan. 19th the harbor is as open as the summer. Motor boats still running in the harbor at Lower Montague. The Georgetown ferry boat is plying as regularly as in July. The Newport-Georgetown ferry boat also running regularly. Some dates of late arrivals and sailings at the old winter port: On January 19th, 1905, the Schr. Marcella Butler, Capt. John Hemphill, arrived from Guysborough, N. S. On January 17, 1914, the Schr. Alma M. Gertie, Capt. John Ratan, arrived from Port Hastings, N. S., with a load of coal. On Jan. 21st, 1919, the tern Schr. Victoria, Capt. Daniel J. McDonald, sailed for St. John's, Nfld with a general cargo. This the writer believes is the latest sailing for a number of years for any sailing vessel to leave any island Port. Capt. Charles Fitzgerald is hauling his Schr. Charlotte M. up, preparing to put an engine in her for next summer's trade. The following schooners are laid up for the winter: At Government Wharf—Schooner Jesse Brown, At McDonald Bros. Wharf—The Schooner "Silver Bell" and "Laura M. Levy." At Government wharf—Dredge D. F. W. No. 9, at Government wharf—Tugboat "Rona."—A.

WELL KNOWN RESIDENT DEAD.—The death of Mr. Robert Arthur, proprietor of the Dominion House, Water Street, occurred at his home on Sunday evening. Mr. Arthur had been ill for a considerable time. Deceased leaves a wife and family to mourn his loss. H.

EXCELLENT ICE.—A number of men are now engaged at sawing up ice at the pond west of the town. The ice which is about 16 inches thick is of excellent quality and is being hauled and packed in the different ice houses through the town, it is expected that a second crop will be ready for harvesting early in February. H.

WEDDING BELLS.—A very pretty wedding took place at the Presbyterian Church, Saskatoon, when Miss Margaret J. Hortense Beer, daughter of Mr. and Mrs. H. Beer, Coleman, was united in marriage to Mr. Smith Mark of the staff of the Canadian Pacific Railways, son of Conductor and Mrs. Mark of the city of Toronto. The bride looked charming in a dress of brown silk velvet with hat to match. The many beautiful gifts received, testified to the high esteem in which the young couple were held. Previous to their marriage the bride was tendered with two miscellaneous showers by her friends at Humboldt, where she was a teacher in the High School. After a brief honeymoon the happy couple will reside in Humboldt, Sask.—S.
