Tooke SHIRTS

The back collar stud in our shirt is inserted in the tab, shewn in cut.

In this way the stud is easily inserted and it never touches the neck of the wearer.

When the collar is on, the tab cannot move.

But there is sufficient room left in the button-hole for the collar to move slightly from one side to the other, so that the collar may be easily adjusted in the front.

Only on Tooke Shirts can this tab be found.

There is no other medicine so effective and the mother has the guarantee of a government analyst that the Tablets are absolutely safe. Mrs. E. SOMETHING NEW IN RAINPROOF COATS

We have just received a beautiful and stylish range of ladies' showerproof coats, which are the newest idea in medium priced garments, being very fashionable in American as well as Canadian Cities they are of the celebrated "Hydegrade" Cravennette, exceedingly light in weight, rain proof and serve also as dusters. Besides they are extremely dressy in appearance, and are equally appropriate for rain or shine. Just the ideal coat for ladies driving to and from the beach in summer, or for a light dressy wrap or evenings or cool days.

We have them in navy, brown, champagne and grey, beautifully made and finished with contrasting collar and cuffs at $7.50 and 10.00 each. We invite the ladies to see these.

Heatherbloom Taffeta Petticoats

We have just sent in a repeat order on these popular garments which bid fair to altogether supplant silk as they possess the wonderous beauty and sheen with the same swish and rustle of the finest silk taffeta at one half their cost, and three times their wearing qualities.

These beautiful garments come in black white and all the leading shades, are not effected by washing and can be had at a variety of prices from $3.15 and up. The quality of the material is the same in all the difference in price being due to the style and finish of the garments, many of which are most elaborate.

Heatherbloom Taffeta by the yard

We have the same charming and widely known fabric by the piece also which is shown for the first time in this City on our counters, and to be had exclusively here. It is superior to silk for petticoats waist or coat linings, or as a lining for sheer fabrics, such as Voile, Grenadine etc, no matter how elegant you desire them to be, and is by far the most satisfactory both in appearance and wear at one third its cost. It is 36 in wide, in black and all the popular shades and costs 50 cts a yard.

It has just the soft finish and rustle that style demands, together with the soft silky finish that appeals to cultivated tastes.

So there are inferior imitations, safeguard yourself by insisting on seeing the trade mark "Heatherbloom" stamped on every yard.
