Robb's applications have been accepted to fill the other two vacancies. School will reopen next Wednesday Sept. 1st.

—FINE NEW RESIDENCE.—The fine new residence of Mr. G. R. McMahon, Kensington, has been completed. The contractor and builder Mr. Willis Warren, Summerside has every reason to feel proud of his work. The effect on the mind as one views the building is one of admiration. The house stands on an eminence at the north of the town and overlooking it. The building is two and one-half stories high with a roof of 30x33 with an annex 14x12 to supplement the kitchen. Mullion windows admit light in abundance and illuminate an interior that is a revelation of loveliness. All the apartments are provided that constitute a well appointed house and they are supplemented by the most approved features. The finish is British Columbia fir, beautifully clear and harmonizing naturally with the nicely polished hardwood floors. The halls are up-to-date in every respect and the stairway lead to something ethereal. The pantry is placed and finished to serve in every possible manner a well provisioned house. Electric lighting and modern heating systems are installed as well as a copious water system. Mr. and Mrs. McDonald and family will have every convenience to enjoy the evening of life.—Y.

A Straight Eye and a Steady Nerve

Some time ago Miss Bertha McLeod, a St. John lady, was stricken with St. Vitus Dance. The doctor's medicine failed to relieve her, so she tried a bottle of

Now her nerves are steady, and give her no trouble, and she is able to do her housework as well as ever. Hawker's Nerve and Stomach Tonic is THE reliable remedy for nerve and stomach disorders. Try it. It will "set you up".

—S. S. PICNIC.—The Methodist Sunday School held a very enjoyable picnic last Wednesday afternoon on Stafford's Shore, Bedouque. The afternoon was spent as only young folks can spend it in all kinds of outdoor sports followed by a lunch which was greatly relished by all. Special credit is due to the superintendent, Mr. G. W. Phillips and his committee whose untiring efforts made the picnic a huge success.

—WELCOME VISITOR.—Mr. Simon Richard, conductor on the C. P. R. Railway with headquarters at Chapleau, Ont., and Mrs. Richard are spending a short vacation at Tignish and other former friends in West Prince County where Mr. Richard spent his boyhood days. Mrs. Richard, a western lady is on her initial trip to the island and being of a highly cultured family, she can express with perfection the comfort with which we islanders are living and should enjoy life.—H.

—VISITORS RETURN.—Among the outward passengers by the car ferry on Saturday were Mr. and Mrs. Frank Tuplin, Mr. and Mrs. Earl Tuplin, Miss Ruth Tuplin, and Mr. Roland Tuplin of Summerside en route to Michigan where they intend to reside. Mr. Jack Doyle, Lot 7 to Boston, Mass., Miss Inez Bulger, Cape Wolfe, on return to Beverley, Mass and Mrs. Joseph Doyle and two children who had been visiting friends at Glengarry, on return to their home in Brooklyn, N. Y. Mr. Doyle having returned home two weeks ago.—H.

—IN PULP BUSINESS.—Mr. D. P. Chisholm, West Devon, who has spent the summer in the pulp woods at McAdam Junction, returned home on Saturday. Mr. Chisholm has a large experience in the pulp business and was drawing a high salary for his services but through scarcity of farm help at home, he was obliged to return for a few weeks to take up his crop and complete the necessary labor required about farming.—H.

—A PITIFUL CASE.—The elderly woman who was brought to the Prince County Jail on Wednesday last, charged with breaking into a residence near Alberton, (as stated in the local press) did not commit any crime in her own estimation. In reality, she broke into her own former residence which had been foreclosed and during her absence the windows and doors had been nailed up. It is rather a sad case, the woman lived alone and existed on the charity of kind neighbors. It is surely a case that the authorities should see after. This province owns a place where such people are cared for.—H.

—WEDDING BELLS.—A very pretty but quiet wedding took place at Arlington, on August 25th at the home of the bride's mother, Mrs. John Callaghan, when her daughter Florence J. Dennis and Harry D. Linkletter of Linkletter were united in marriage by the groom's brother Rev. C. S. Linkletter of Chicago, Ill. The bride was given away by her brother, Mr. Will Dennis, and looked pretty in a blue travelling suit, with hat to match. Before her marriage the bride was given a shower at the house of Mr. W. F. Schurman by her girl friends and fellow workers of the firm of Staelcar and Stewart. After a dainty luncheon the happy young couple motored to Fort Borden and left on the afternoon boat for a short trip through Nova Scotia. After their return they will reside at Linkletter. Their friends join in wishing them day morning on return to that city.—H.

—QUEEN GASOLINE.—Another carload of famous, powerful Queen Gasoline just arrived at Holman's Summerside. 2516-8-31-31.

—FUNERAL SERVICES.—The funeral of the late Mrs. Charles Lafferty took place Sunday afternoon at 2 o'clock from the English Church to the English Church Cemetery, St. Eleanor's and was very largely attended showing the high esteem with which she was held. The funeral services at the home and grave were conducted by Rev. Bewolfe White. The following are the pall-bearers: Mr. Levi Silphant, Hon. Jas. A. McNeill, A. C. Saunders, Joseph Smallman, John Grady and Edward Strong.

—A GRUESOME FIND.—A few days ago while digging a trench to put the water works into his house Mr. Frederick Oakes of Gambell's corner struck a mound of stones directly in front of the door of his residence. On investigation it proved to be by the breast plate found therein bearing the name of one Mr. John Redman, 1818 a relic of this man's remains. The body had evidently been wrapped in birch bark and put in this stone mound.
