Mr. F. W. Meyers, King St. E., Berlin, Ont., says: "I suffered for five years with palpitation, shortness of breath, sleeplessness and pain in the heart, but one box of Milburn's Heart and Nerve Pills completely removed all these distressing symptoms. I have not suffered since taking them, and now sleep well and feel strong and vigorous." Milburn's Heart and Nerve Pills cure all diseases arising from weak heart, worn out nerve tissues, or watery blood.

The Pamestown Road Methodist Sunday School held their annual entertainment at the residence of Thos. Abbott, Esq., on Wednesday evening last. The school turned out in full force, and also the parents and many friends. Mr. Abbott opened the meeting with an address of welcome; Miss Jarvis Essery presided at the organ. The program, which was a lengthy one, was well rendered, each performing their part in a very creditable manner. The Secretary's report showed the school to be in a very prosperous condition financially and otherwise. A very interesting and pleasing part of the proceedings was the reading of an address and presentation by the members of the Bible Class to their teacher, Mr. Thomas Abbott. The address was read by W. T. Boundy, and the gift, a splendid easy chair, was presented by W. G. Dark and Fred. Dollar. Mr. Abbott, who was taken completely by surprise, made a very suitable reply, thanking the class for the unexpected act of kindness on their part. The distribution of prizes was then proceeded with and awarded to those who had made the highest number of marks during the school term. A plentiful supply of candies, oranges, nuts, etc., had been provided, and was freely distributed to those present. All were then invited to the table, where Mrs. Abbott had prepared a sumptuous repast. When ample justice was done to the good things provided for the occasion, after the passing of a vote of thanks to Mr. and Mrs. Abbott for the kindly manner in which they were received and entertained, the company all departed to their homes, with pleasant recollections of this happy and sociable event.

CHARLOTTETOWN Y.M.C.A.—At the request of many citizens next Sunday afternoon's meeting will be open for ladies and gentlemen. It was suggested last Sunday that a union meeting be held once a month as the ladies are interested as well as the men in these meetings. This matter will come before the board of directors at their first meeting. Next Sunday's meeting however will be open for all and it being the last Sunday in the year a large attendance is expected. There will be special singing and a short address given by Mr. W. C. Turner of our city. The meeting will start sharp at 4 p. m. Sunday afternoon. All are invited. A souvenir card will be given to each one present.

A COMMON TROUBLE.

Thousands Suffer From it Without Knowing its Deadly Character.

No trouble is more common or more misunderstood than nervous dyspepsia. People having it think that their nerves are to blame, are surprised that they are not cured by nerve medicines and spring remedies; the real seat of the mischief is lost sight of; the stomach is the organ to be looked after.

Nervous dyspepsia often do not have any pain whatever in the stomach, nor perhaps any of the usual symptoms of stomach weakness. Nervous dyspepsia shows itself not in the stomach so much as in nearly every other organ; in some cases the heart palpitates and is irregular in others, the bowels are troubled, with loss of flesh and appetite, with the accumulation of gas, sour risings and heartburn.

Mr. A. W. Sharper of No. 61 Prospect St. Indianapolis, Ind., writes as follows: "A motive of pure gratitude prompts me to write these few lines regarding the new and valuable medicine, Stuart's Dyspepsia Tablets. I have been a sufferer from nervous dyspepsia for the last four years; have used various patent medicines and other remedies without any favorable result. They sometimes give temporary relief until the effects of the medicines wore off. I attributed this to my sedentary habits, being a bookkeeper with little physical exercise, but I am glad to state that the tablets have overcome all these obstacles, for I have gained in flesh, sleep better and am better in every way."

Respectfully yours,
A. W. Sharper,
61 Prospect St., Indianapolis, Ind.
