To Our Friends and Neighbors

You know us. You know we would not — that we could not afford to — go back on our word. Nor can you afford to ignore this money-back-if-not-satisfied offer on this splendid laxative.

We honestly believe we have the best bowel remedy ever made — the most pleasant-to-take, most permanently beneficial laxative for relief from the miseries and dangers arising from constipation.

We wouldn't say this if we didn't believe it to be true. We wouldn't risk our reputation by making such statements did we not feel sure you would find them true.

Our faith is built both on the knowledge of what Rexall Orderlies are made of and on observation of very many severe cases in which they have proven their merit.

Try them at Our Risk

If they do not abundantly prove their merit with you also — if you are not entirely satisfied with them — we will refund your money — and we will do that on your mere say-so. We don't ask you to risk a penny. Isn't that fair?

Just let the bowels fall in properly doing their work — just let their action be delayed and incomplete and the entire system and every other organ suffers. Wastes that should have been dispelled remain to poison the system.

Headaches, biliousness, nervousness and other tormenting and serious ills are common when the bowels fail to act daily as nature intended. All this may be avoided, if you will accept our advice.

Rexall Orderlies

taste just like candy. They are soothing and easy in action. They do not cause griping, nausea, purging or excessive looseness. They tend to tone and strengthen intestinal nerves and muscles. They promptly relieve constipation, and help to permanently overcome it.

Rexall Orderlies promote better spirits and better health. In all of these things they are vastly superior to old-fashioned, harsh salts and other purgatives, which are not only unpleasant to take but which usually leave the bowels in worse condition than before. We particularly recommend Rexall Orderlies for children, aged and delicate persons.

Rexall Orderlies come in vest-pocket tin boxes. 12 tablets, 10c; 36 tablets, 25c; 80 tablets, 50c.

CAUTION: Please bear in mind that Rexall Orderlies are not sold by all druggists. You can buy Rexall Orderlies only at the Rexall Stores. You can buy Rexall Orderlies in this community only at our store:

NIOBE MEN AT FOOT BALL

HALIFAX, April 14—Quite a large crowd of soccer fans were present at the game played on Friday afternoon at the Dockyard grounds, between the Niobe and the Army Service Corps. The result was a draw of two goals each, after a splendid struggle, in which many clever players were witnessed on both sides. Perhaps the finest performances was that by Fillmore, the new centre forward of the Comos, who made his first appearance in football in Canada. While his performance in the first half was but mediocre, he displayed wonderful form in the second session, and secured the goals for his side with beautiful shots.

The game did not start until four o'clock, as some of the players were unable to get off work until that hour. Referee Osborne lined up the players as follows:

For the Niobe, Jenkins, Kinch, Tidswell and Taylor played star games, while Mirlfield and Crozier on the wings, did good work at times. On the Comos' side, Fillmore played a magnificent game in the second half. Warner was the same reliable, heady player of old, while the new men, Radcliffe and Perry showed up well. Both goalkeepers stopped some hard shots. A return game will be played on Wednesday afternoon of this week.

PROSPECTUS
OF THE
Martin Black and Silver Fox Company
LIMITED

Capital $24,000.00 (twenty-four thousand dollars) divided into 240 shares at a par value of $100.00 (one hundred dollars) each.

The ranch is situated at Kinross, within one-half mile of Uigg Station, on the farm of J. S. Martin, who, with S. A. Martin, of Winnipeg, Manitoba, are the promoters, and have secured two options on pedigreed Royal Blacks, their parents being selected from the Dalton and Frank Tuplin Ranches; and we believe we have a quality equal to the best.

Mr. Martin will erect the ranch and will equip the same in the most up to date manner for safety and health of foxes, and will care for and feed said foxes for 12 per cent of increase first year, to Sept. 1, 1914. When stocks are all subscribed, a meeting of stock holders will be held to appoint managing directors to make arrangements for care of foxes after Sept 1, 1914, and other business in connection with same.

Ten per cent of amount subscribed must accompany the application.

PROSPECTS

The prospects for the future are bright. Prices are still advancing, and are now higher than ever. Options are taken for 1914 pups at $12,000 per pair. Figuring conservatively, the profits for 1914 on two pairs are estimated as follows:

Allowing for only two pairs, increase should yield 88 per cent.

Allowing for three pairs at $12,000 ($36,000) equal to 150 per cent.

About $16,000 of this stock has already been subscribed, and parties wishing to secure stock should do so quickly, as the list will be closed soon.

Applications should be made to John S. Martin, Kinross, or Sam A. Martin, 593 Rosser Ave Winnipeg, Manitoba.
