COWAN'S ACTIVE SERVICE CHOCOLATE

For our Heroes

Little Miss MAIDEN CANADA

At times during heavy bombardment the army commissariat becomes so disorganized that ordinary food is unprocureable for days.

During such times as this the value of a convenient and concentrated food that may be carried and handled easily, cannot be over-estimated.

Active Service Chocolate answers all the requirements of such a food. It is the most nourishing and wholesome chocolate manufactured. If you are unable to obtain this chocolate in your locality, write us, we will see that you get it.

Canada Food Board, License No. 11-608.

Prince Edward Island Hospital To the School District Committees Queens and Kings Counties

You have been asked by the trustees of the Hospital to kindly give your assistance in forming a permanent organization which will, on the first of November of each year appoint suitable collectors for your school district

The collectors are absolutely necessary if the present high standard of efficiency of the Hospital is to be maintained.

The trustees would therefore most urgently impress upon all the school district committees the very great importance of their carrying out this work and that your collectors start not later than Monday, Nov. 4th in order to take advantage of the advertising campaign now being carried on.

Please remember you are a most important cog in the machinery and do not fail us.

Thanking you on behalf of the Trustees.

LADIES! LOOK YOUNG. DARKEN GRAY HAIR

USE THE OLD-TIME SAGE TEA AND SULPHUR AND NOBODY WILL KNOW.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
