CHILD'S AWFUL SKIN HUMOUR

Screamed with Pain—Suffering Nearly Broke Parent's Heart—Twelve Years of Misery—Doctor Called Case Incurable—Helped from First, and

SPEEDILY CURED BY CUTICURA REMEDIES

"I wish to inform you that your wonderful Cuticura has put a stop to twelve years of misery I passed with my son. As an infant I noticed on his body a red spot and treated same with different remedies for about five years, but when the spot began to get larger I put him under the care of doctors. Under their treatment the disease spread to four different parts of his body. The longer the doctors treated him the worse it grew. During the day it would get rough and form like scales. At night it would be cracked, inflamed, and badly swollen, with terrible burning and itching. When I think of his suffering, it nearly breaks my heart. His screams could be heard down stairs. The suffering of my son made me full of misery. I had no ambition to work, to eat, nor could I sleep.

"One doctor told me that my son's eczema was incurable and gave it up for a bad job. One evening I saw an article in the paper about the wonderful Cuticura and decided to give it a trial.

"I tell you that Cuticura Ointment is worth its weight in gold; and when I had used the first box of Ointment there was a great improvement, and by the time I had used the second set of Cuticura Soap, Ointment, and Resolvent my child was cured. He is now twelve years old, and his skin is as fine and smooth as silk." (signed) Michael Steinman, 7 Sumner Avenue, Brooklyn, N. Y., April 16, 1905.

Complete External and Internal Treatment for every form of Eczema, from Pimples to Scabies, from Itchiness to Agony, consisting of Cuticura Soap, Ointment, and Resolvent, in the form of Chocolate Cream, or in the form of Tablets, may be had of all druggists. A single set of Cuticura Soap, Ointment, and Resolvent, 50¢. A single set of Cuticura Soap, Ointment, and Resolvent, 50¢. A single set of Cuticura Soap, Ointment, and Resolvent, 50¢. Ice Cream

9 out of every 10 persons in Charlottetown that ever used ice cream have used our make. As we made about 9-10 of the ice cream that was eaten in Charlottetown this last 12 years. We make it just as cool today as we ever did. The first shipment of strawberries to arrive were for us and came by the Boston boat. Home made candy, pastry, and cake always in stock, also the choicest fruit.

MUSICAL MONTREAL.

A concert company composed of George Turner, violinist, Irene Weaver, contralto and reader, and Dollie Blair, pianist, gave a concert in the Y. M. C. A. Hall on Monday evening last. Miss Turner returned recently from abroad, studying with Martini. She played her selection with healthy musical tone, impeccable intonation and commendable bowing. She was encored several times. Miss Weaver possesses a contralto voice of an agreeable quality and pleased the audience and was awarded with a liberal applause. Miss Blair, who is a pupil of Dr. Torrington of Toronto, where she has flourished, played the "A flat polonaise," Chopin, and the "twelfth Rhapsodie," Liszt, with a clear technique and a musical touch. She, too, was well received by the audience which was large and enthusiastic. The organization is under the management of W. Spencer Jones (of Haensel and Jones of New York City) and will tour through the province of Quebec, New Brunswick, Nova Scotia, and Prince Edward Island. From the New York Musical Courier.—Wednesday April 25th, 1906.

This excellent attraction will be the musical event of the season and will be heard in the Opera House on Thursday and Friday evening June 7th and 8th under the auspices of the Y. M. C. A.

Skirts and Shirt Waists

We have been saying nothing to you lately about our stock of Ready made Skirts and Shirt Waists—not because they are not here in abundance and of the best—but because we had not a chance to get a word in edgewise about them, we had so many other good things to tell you of. Besides our reputation for selling stylish and up-to-date garments in these lines, is well established, and ladies naturally turn their steps to this department when in need of anything especially nice. Never before, however, have we shown such extremely pretty styles at such moderate prices, and the demand for them is so brisk, we are continually ordering and so have always something new and pretty.

In skirts we can show you every stylish color and material, including a nice line of light and medium greys, which will be so fashionable during the coming summer with white or light shirt waists.

Of the latter we have a very lovely display, dainty and stylish and without cheap, commencing with dainty white waists at 49c each, on up through the various grades in lawn, embroidered linen, swiss muslin and white silk.

We have also all fashionable colors in silk waists, which you should certainly see before you decide on anything, as they are as trim and dressy as you could wish for, at a much smaller price than you could have the same goods made up for.

A line of beautiful high class black silk underskirts, is also worthy of your attention and is a luxury you will be tempted to possess once you see them. Only a few left of those elegant silk coats for ladies, which came to hand this week. Come quickly if you want one.

has two features which no good furnace should be without—water pan and large double feed-doors.

The water pan will produce enough steam to moisten the hot air, and so keep the atmosphere pure and fresh.

The large double feed-doors make the furnace easy to feed—you do not have to be an expert stoker to keep from hitting the door-frame every time you try to put in a shovel of coal—and rough chunks of wood can be put in easily.

Every feature in the "Sunshine" is given the same care and thought.

BARGAIN COUNTERS!

We are constantly keeping our stock to shape by clearing out the odd lines. When we "come to the last one" we put it on the counter that will be sure to dispose of it quickly. You know that the last of a dozen of anything in our line is just as good as the first but we don't want too many odds and ends around. It will pay you therefore to come in and look at what these counters contain. You will not be pressed to buy. Each table bears a card giving the price, so that you may spend some of your leisure time profitably in this manner.
