The Best Cough Syrup is Home-made.

Here's an easy way to cure it, and yet have the best cough remedy you ever tried.

You've probably heard of this well-known plan of making cough syrup at home. But have you ever used it? When you do, you will understand why thousands of families, the world over, feel that they could hardly keep house without it.

Into a 16-oz. bottle, pour 2 1/2 ounces of Pinex; then add plain granulated sugar syrup to fill up the bottle. Or, if desired, use clarified molasses, honey, or corn syrup instead of sugar syrup.

It is really wonderful how quickly this home-made remedy conquers a cough—usually in 24 hours or less. It seems to penetrate through every air passage, loosens a dry, hoarse or tight cough, lifts the phlegm, heals the membranes, and gives almost immediate relief.

Pinex is a highly concentrated compound of genuine Norway pine extract, and has been used for generations for throat and chest ailments. To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded.

*WELCOME VISITOR—Mr William Bruce of Boston, is at present in Montague, called home on account of the death of his sister. Mr Bruce reports good times in Boston for skilled workmen, brick layers, who are scarce, receiving one dollar and twenty five cents an hour. Notwithstanding, there are a great many unemployed, due in a great measure to themselves. J

*GOOD PROSPECTS FOR CARGOES—Capt. Dibbon of Burin Nfld is now in Montague making arrangements for the purchase of a large quantity of mixed produce one of his vessels having just arrived, owing to the low prices the captain expects to see a goodly number of vessels from his home port to the Island this fall. While a little farming is done in Newfoundland the people are more adapted to the more hazardous life of fishing. The bank fish-

GAINED 65 POUNDS!

"Five years ago when I was first married, I had wonderful energy. I could be on the go all day long without feeling the least bit fatigued. I had a great appetite and could eat anything. I weighed 147 pounds. I used to be busy every minute of the day and, when the day was over, I could go to bed and never waken once during the night. Thirteen months ago my first baby was born. After that my energy seemed to leave me. I was tired all the time. I had to force myself to do my household duties. Instead of being a pleasure as formerly, these duties became a real task. I lost all desire for food and nothing would tempt me. I had to make myself eat. I would go to bed at night and toss from side to side for hours at a time. After a while I would doze off only to find that I had been sleeping for ten or fifteen minutes. Naturally when morning came, not having slept, I started the day completely tired out. I was shaky and nervous. The least noise would startle me and make my heart race along. I could see that my husband was worried. I was losing weight every week and had already lost 84 pounds. I tried all kinds of tonics, but they didn't help me. One night, I thought I shall never forget, because it started me on the way to health and happiness again, my husband brought in a bottle of Carnol. A friend told him that Carnol had saved his wife's life, so he insisted upon my trying it. Six weeks after I began taking Carnol, my weight increased from 93 pounds to 158, an increase of 65 pounds. And, am I well these days? Every morning I fairly jump out of bed ready to tackle anything and every minute of the day is a joy to me now."

Carnol is sold by your druggist, and if you can conscientiously say, after you have tried it, that it hasn't done you any good, return the empty bottle to him and he will refund your money. 8-622 For Sale By Hughes' Drug Store

WHAT CAUSES HEADACHES?

"Fruit-a-lives" Prevents Auto-intoxication

Auto-intoxication means self-poisoning. Many people suffer from partial Constipation or insufficient action of the bowels. Waste matter which should pass out of the body every day, remains and poisons the blood.

As a result, there is Headaches, Indigestion, disturbed Stomach, Pain in the Back, Rheumatism and Eczema and other skin diseases.

"Fruit-a-lives" will always relieve Auto-intoxication as these tablets, made from fruit juices, act gently on the bowels, kidneys and skin and keep the blood pure and rich. 50c a box, 6 for \$2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-lives Limited, Ottawa.

lines being exceptionally good this season. J

*RAIN WANTED.—Very heavy rain fell here on Sunday night and Monday, by which the farmers in general are well pleased as the land had become so dry that ploughing could be done only with much difficulty. Potato digging is again well under way and the crop appears to be an average one. H

*CARS DERAILED.—The large standard engine 404, while shunting in the yards here on Monday night, shortly after midnight, left the rails, at one of the Eastern Railway Crossings, a C. P.R. box car was also derailed. The wrecking train and crew which were called to the assistance arrived here before 5 a.m., and promptly set to work replacing the huge engine and car which took several hours of difficult labor to accomplish. The engine with the exception of the standing board in front being broken off, was only very slightly damaged. H

*SINGING ENJOYED.—The duet in one of the Montague churches a few Sunday evenings ago, by Mrs. Brown and Miss Wightman, is deserving of more than passing notice. A gentleman who was present and who has travelled quite extensively remarking that it was as good as he had ever heard. With the several duets during the summer by the Misses Matheson, which were exceedingly well rendered, together with several solos, also the pleasure of having heard our male quartette on a few special occasions; music lovers in the vicinity of Montague surely had their wishes gratified. It is the general opinion, that while Mrs. Brown who possesses a magnificent voice is comfortably settled down to the life of a help mate, that Miss Wightman who also possesses a voice of rare tone and sweetness is in reality hiding her talents under a bushel. Were she to go to one of the large cities, where one is gifted such as she is always in demand, she certainly would make a name for herself in the musical world. J

*PRETTY WEDDING.—A very pretty wedding was solemnized in Simon and Jude Church, Tignish, Monday morning when Miss Edna DesRoches became the bride of Mr. Peter Wharming. The bride looked very charming in a blue tailored suit with hat to match. Miss Olive White was bridesmaid while Mr. John Arsenault supported the groom. After the ceremony the happy couple returned to their home in Sea Cove Pond where a dainty breakfast awaited them. The happy couple spent the day with many friends and relatives. The gifts were very numerous.

*SEARCHED SCHOONER.—Chief Prohibition Inspector Barbour and Assistant Hayward, were in town on Saturday official duty. They searched a schooner at Queens Wharf without success but on leaving they discovered a number of cans of rum floating on the water which they seized. No one as yet seems to claim ownership. A house on Spring Street was searched and a small quantity of liquor found. Some home brew was found at a house on Water Street East, samples of which were taken for analysis. H

Two Interesting Letters

Toronto, Ontario.—"When my husband was called back to England in 1914 I took Lydia E. Pinkham's Vegetable Compound to strengthen me so I could work. I had a trouble that used to make me weak, but I am able to do my work now and am perfectly satisfied with your medicine. I still get it at the chemists and I strongly recommend it to everybody I hear of suffering as I did. You may publish this if you wish."

—Mrs E. HORNBLOWER, 899 Yonge St., Toronto, Ontario.

"I did Not Feel Like Working"

"I was in a general run-down condition with a weak back and a tired feeling so that I did not feel like working. My mother was taking Lydia E. Pinkham's Vegetable Compound and recommended it to me, so I have taken it and my back is better and I am now able to do my work. I recommend the Vegetable Compound to my neighbors and you may publish my letter."

—LONDON, Oct. 10.—"England loses a Superman" is one news-paper heading announcing the appointment of Major-General Sir Henry Worth Thornton as President of the Canadian National Railways. The appointment is described as a striking instance of the tendency of high railway officials here to seek new outlets for their talents and energies as a consequence of the gradual extension of national schemes of railway amalgamations.

Laudatory British Comments on Appointment of Sir Henry Thornton

Sir Henry Thornton particularly enhanced his reputation in England by his handling of the Great Eastern Railway's prodigious suburban traffic. He proved that the successful handling of big traffic depended not so much on the fre-
