### More Terrible Than War!

More terrible than war, famine or pestilence is that awful destroyer, that hydr-headed monster, Consumption, that annually sweeps away more of earth's inhabitants than any other single disease known to the human race.

"It is only a cold, a trifling cough," say the careless, as the irritation upon the delicate mucous membrane causes them to hark away with an irritative tickling of the throat. When the irritation settles on the mucous surface of the throat, a cough is the result. To prevent Bronchitis or Consumption of the Lungs, do not neglect a cough however slight as the irritation spreading throughout the delicate lining of the sensitive air passages soon leads to fatal results. If on the first appearance of a cough or cold you would take a few doses of

Miss Lena Johnston, Toledo, Ont., writes: "I have used Dr. Wood's Norway Pine Syrup for throat troubles after taking numerous other remedies, and I must say that nothing else has done for it. I would not be without a bottle of it in the house."

The Carnival in the rink last night was a grand success. The ice was in excellent condition and an enjoyable time was spent by everybody.

There is going to be a big St. Patrick's Entertainment at Alberton this year - one which will surpass all previous attempts at celebrating this grand patronal feast.

The Carnival—Tignish correspondent writes as follows:—During the winter months there is no dearth of entertainment in the village. Meetings of Foresters C. M. B. A. A. O. H. Artisans, Christian Endeavor, Orchestra, whist, and other social gatherings afford ample opportunity for enjoyment and improvement. On Tuesday evening the 7th inst, we enjoyed one of the most interesting treats of the season in the shape of a lecture delivered by Dr. H. McNeill of Charlottetown. His subjects was "Health and How to Preserve It" The lecture is well written, practical, interesting and instructive and was spoken in excellent style. A very pleasing literary and musical program was given in connection with the lecture. At its close a vote of thanks was moved by Rev. D. M. McDonald, and seconded by Ed. Hackett Esq., Ex. M. P. P. A lively discussion followed the principal speakers being Revs. F. X. Gallant, P. C. Gauthier, A. J. McDougall, Dr. Murphy, A. J. McPherson, and Dr. A. J. Frank Hughes. Sentinel—Wilbert Cahill. Chairman Standing Com.—James McGrath.

A very large number witnessed the race between Kinkora and Park Campbell on the Richmond Bay ice yesterday afternoon. Besides those who drove from town, the surrounding country was well represented. The race was won by Park Campbell in three straight heats. The first half of each heat was close and exciting, but in the other half Kinkora broke causing him to fall back a considerable distance. Daniel McNeill was starter and James A. McNeill, Hubert Howatt and Albert Tanton acted as judges.

Next comes Israel Tarte, the fine gaited and speedy eighteen months old colt owned by Ed. Crosby, who stepped a quarter on Saturday in the remarkable time of 43 seconds a 25.2 clip. Tarte faced a strong gale and carried a driver weighing 235 lbs. and covered the distance easily, and it is believed can clip the quarter off much faster.

Saturday last the sporty horsemen and lovers of speed were very much in evidence on the old race course at Cape Traverse. Each and every day dozens of horses are seen training, in fact, no better string can be found in the Province. Those most worthy of mention are S. N. Dawson's Leewood, Lady Evelyn, June Morning, and Brazilian Junior. John P. Irving's Prefontaine Jewel and Con. Courden Holland's stallion Kickapoo, and Lady Parkwood, R. A. Howatt's, Trilby, E. Clark's Mysterious Ladd, R. Bell's Robt B., R. B. Clark's Czar. Also a nice two and a half year old, Brazilian mare owned by E. McPherson, which can step quarters better than a three minute clip. Tom Medium, 2:05 and his good natured owner, are often seen. Tom's mark is a guarantee of his ability.

What is the matter with each of the other Societies holding a lecture under its auspices?—Another event of no little interest took place on Saturday evening last, when Cypril Handrahan and his amiable spouse celebrated the sixtieth anniversary of their marriage. A large number of their friends and neighbors gathered at the spacious residence of the old couple for the purpose of doing them honor. Peter Broderick read a well worded address which was accompanied with two valuable gifts. Rev. D. McDonald presided, and addresses were delivered by Rev. A. J. McDougall, Ed. Hackett, Esq., Dr. Murphy, J. A. Brennan, J. J. Arsenault, Clarence Morrissey, Patrick Kennedy, James M. Neeligan and others. Mr. Handrahan though 84 years of age is still hale and hearty, has twelve children and several grand children and great grand children all of whom are living and enjoying the best of health. The visitors were entertained in right royal style and the evening came to a close with refreshments, toasts and songs.—A public meeting is called for Feb. 19th at Tignish to discuss Railway matters. Every one interested in the progress of this section of the country should be present. Those who are to address the meeting should be prepared with facts and figures that all present may learn the exact state of affairs appertaining to our Railway.
