Premier Arsenault received a telegram from Sir Robert Borden on Saturday summoning him to a conference of Provincial Premiers at Ottawa on Nov. 19. Among the matters to be discussed are questions affecting the demobilization of the armies after the war and the settlement of returned soldiers.

The western provinces will also be heard in their claims for their natural resources. This will raise the point of a quid pro quo for the Maritime Provinces.

In connection with the settlement of returned soldiers it will be remembered there was a conference of Maritime Premiers some time ago when the provisions made by the existing Act were declared to be inadequate. The western provinces are also of the same opinion and therefore no doubt the whole question will be gone into with a view to amending the Act and making it more workable.

Answer. (1) It is necessary for all persons between the ages of 19 and 35 to register, but while one who is of age may enlist at any time it is not necessary to do so until called up. No. The correspondent is referred to the Registrar, Mr. W. W. Stanley for instruction in case of doubt.

McEachern left here with the 105th has been on active service in France for almost two years. He was wounded in the battle of Vimy Ridge also gassed in Sept. 1917.

O'BRIEN—GILLIS WEDDING.—A very unusual event took place in the Immaculate Conception church on Wednesday, Oct. 9th when Miss Mary Pulcharia only daughter of Mr. and Mrs. Michael O'Brien of Miminegash but formerly of Boston, Mass., became the happy bride of Mr. Joseph Gillis son of Mr. and Mrs. John Gillis Palmer Road. Rev. Dr. Gauthier officiating the church was beautifully decorated with flowers, the wedding march being nicely rendered by Mrs. Annie Cudgan. The bride wore a dainty gown of white chiffon over lace and had hat to match. She was assisted by her cousin Miss Gertrude Kelly of Roseville who was dressed in a pea green silk. Whilst the groom was ably supported by his cousin Mr. Wilbert Gillis of Alberta. The groom's gift to the bride was a gold bracelet and to the bridesmaid a gold amethyst ring. After the ceremony wedding dinner was served at the home of the bride. Shortly after the feast they all drove to the groom's home where a delicious supper awaited them. The remainder of evening was then pleasantly spent in singing and dancing. The presents were numerous and costly testifying to the popularity in which this young couple were held.

Mr. Clement Blanchard, 28 Kensington Road, last evening received a despatch stating that his son Gunner John F. Blanchard aged 26, of the 11th Siege Battery, had died of wounds on October 19th. Gunner Blanchard left here with the 8th Siege Battery and was wounded and gassed in July of last year. He returned to France as soon as possible after his recovery and took part in many of the heaviest battles since. His death was due to a gunshot wound in the head. There will be widespread regret among the many friends of this splendid young man upon his death. He was well and favorably known, especially in athletic circles, having been a prominent member of the Victoria Hockey Club and one of the Island's speediest cyclists having won many cups and medals in various athletic meets here. Before enlisting he was employed with the firm of Morris Smith and Beer. To his bereaved parents, and his brother, Captain James Blanchard of the C. A. D. C., Halifax, who is at present in Charlotte-town, Frederick and one sister, Katie, at home, deepest sympathy is extended in their sad loss.

On Wednesday October 16th the home of Mrs. Elizabeth Gaudet, of Miscouche was saddened when a telegram was received announcing the death in action of Sgt. Frank Gaudet, M. M. He was one of the brave 1st contingent boys leaving Summerside in Aug. 1914 for Valcartier. Since then he was wounded once and apart from that was practically always on the firing line. After one of the heavy battles last spring he was awarded the military medal for bravery and a commission in England, and he remained there until a few weeks before his death when he begged to be sent back to his unit in France. He was not there long however when after four years service to his country he made the supreme sacrifice on Oct. 1st. He leaves to mourn his aged mother, three sisters Nettie at home, Mrs. J. E. Gaudet and Mrs. Beloni Gaudet, also five brothers; Wilfrid in Summerside, Gussie at home, Alex., in Quincy, Eddie and Alban, Miscouche, to whom much sympathy is extended.

Fashion Bowes to Necessity

It is absolutely necessary to supply our forces overseas with shoes—millions of pairs of them. It is difficult to appreciate what this means in connection with a strictly limited commodity like leather.

To this necessity, fashion must yield. We must be content with fewer superfluous styles which serve no useful purpose, but are created merely to look "different." These "extras" not only cost more in themselves, but their production tends to raise prices all along the line.

As Canada's largest manufacturers of shoes, we ask you to buy wisely, for service rather than merely for appearance. That is the only effective way to discourage the production of non-essentials. Look for the manufacturer's trade-mark on the shoes you buy. In that way you are assured of the best possible value at the price you wish to pay.

It is your privilege to secure better values for yourself, and at the same time contribute to the solution of the nation's shoe problem.

On the early morning of Tuesday, Oct. 15th there passed away at Wood Island a short illness of eleven days in the person of Mrs. Annabella MacKay, widow of the late John MacKay at the age of 62 years. Deceased lady took a shock of paralysis from which she never gained consciousness despite all medical aid could do and the kind attention of relatives and friends. She was taken to the reward awaiting one who had lived the life of true righteousness. Mrs. MacKay was a kind and loving mother much devoted to her home and family. Two of her daughters arrived home from Boston a few days before she passed away. Their sympathy is extended in their hour of sorrow. (Patriot please copy.)

Have You Friends Who Suffer?

You have friends who are discouraged, who seem to have lost all interest in life, and whose sufferings are acute—because they are afflicted with Kidney or Bladder trouble?

Here is your golden opportunity to be a real friend to your friends. Tell them about Gin Pills, what they have done for others, and about the thousands who have found relief by taking this remedy.

Persuade your friends to try them, if only a sample box. Mrs. James Harris of Port Rowan took the advice of a friend and wrote us for a free sample. Hear in her own words the result:

"My husband had suffered for some time with lame back and Kidney Troubles. He became so bad, work was almost impossible. So many remedies were tried without effect that he became discouraged. A friend advised him to give Gin Pills a trial, which he did, and to-day he is almost entirely cured."

The case of W. T. Baldwin, of Smithville, Ont., is similar in many respects. Mr. Baldwin suffered from a pain in the back for over three years. Finally on advice from friends he tried Gin Pills, with the result that he obtained relief from his pain after taking the first box.

There is no need for anyone to invest a cent in Gin Pills until they have received a sample free and tried them, as Mr. Harris did. Write to-day, telling us to send a sample box free to your friend's address.
