## A Clergyman's Great Relief

A clergyman wrote us recently: "It is a great relief as well as a great satisfaction that, after so many years of serious effort, I will have no further premiums to pay, but will have a little surplus until the endowment is due in 1917."

He had taken a Canada Life endowment for \$3,000 twenty-five years ago. In two years he will receive this amount in cash.

Would you not like to be in a similar position when approaching the sunset of life? You can manage it by easy steps through a Canada Life endowment policy if you will start now.

It will give you the added advantage of protection from time of payment of the first premium, and the profits will be substantial as it is in the

**LAWN PARTY SUCCESS.**—The lawn party and ice-cream festival held at Hampton on Wednesday evening last was a decided success. It was under the direction of the Hampton Tennis Club who realized a fair sum to defray the expenses of their tennis courts. The young people of this place have prepared a fine court and are now enjoying this healthful game in their spare time. Much thanks is due Rev. J. S. McKay for his efforts in successfully organizing the tennis club.

The men of the Artillery paraded to the above Church yesterday morning headed by the 4th regiment Band. The Rev. Z. L. Fash gave an earnest and inspiring address on the power of a noble ideal.

Mr. Fash in the course of his sermon proved that the greatest dynamic in all human life was the ideal of Jesus Christ. The ideal of the German Emperor and the ideal of a paganism 300 years old were battling together for the mastery. The ideal determined what the destiny of a man or a people would be. The conception of life that they held and the ideals that pulsated through every nerve and sinew of them—these things determined what their ideals would be.

Destiny could only be realized where the highest ideals were held and held tenaciously. Temptations came to men and to nations. Ideals were either a stumbling block or a stepping stone.

The British Empire was battling for her life, she was in the throes of a death struggle. There were very few homes in the Old Country but had lost some member or relation. His native village of 2118 eligible for military service 2115 men marched to the front when the call came. It was true that hundreds of them lay in unknown graves in France and Flanders, but the glory of the noble sacrifice would never die. In the throwing back of this octopus which was grinding to death the smaller nations of Europe Great Britain was realizing her destiny.

Frank Moore, will be pleased to learn that the physician Tuesday pronounced his condition as improved. **KEEP OUT THE DAMP.**—A good deal of roof repairing and shingling is being done all over the town just now and this work will likely increase as the fall draws to an end. A leaking roof can cause no end of misery to the inhabitants of a house, so landlords and owners would do well to take time by the forelock and get any necessary repairs done before the wet season begins and while stocks are large.

**HOUSEWIVES HEARTS GLADDED.**—The welcome news that the price of flour is once more crawling down to the old level will be a welcome one to all housewives. The \$8.50 per barrel level of a few months ago has sunk to and the vicinity of \$6 while the assurance of bumper crops nearly everywhere will still further tend to lower the price of this staff of life. These last few days of July heat will go far to hurry on the harvest in districts where the grain is backward, and there is every prospect that all the grain crop will be gathered in before the early frost.

**AFTERNOON TEA.**—A most successful afternoon tea was given in aid of the St. James Tennis Club on the church grounds yesterday afternoon, when a pleasant time was participated in. There was a large number of visitors in attendance and delightful refreshments were daintily served by a number of charming young ladies, who were untiring in their efforts to make the affair a success. Several sets of tennis were played by the visitors who, one and all, pronounced the courts in excellent condition. Ice cream and cake were served in abundance and the financial results were entirely satisfactory.

**WEDDING BELLS.**—The residence of Mr. and Mrs. James M. Hooper, Eustice St., was the scene of a quiet but pretty wedding yesterday morning at seven thirty o'clock when their daughter Henrietta became the wife of Mr. J. Leslie Shaw of this city. **CHURCHILL S. S. PICNIC.**—The young people of Churchill had their yearly S. S. entertainment on the 11th September. The afternoon was delightful and seemingly all enjoyed themselves to their fullest capacity. A sail along the beautiful Elliot River in Captain McInnes's sweet motor boat (generously lent on the occasion) prepared for the coming refreshments, while Mr. Malcolm McDonald with his excellent pipes made the trip doubly enjoyable. On landing the company proceeded to a grove of big pines on the farm of Mr. John A. McKinnon, where a feast of the most toothsome things was in readiness. This feature of the outing disposed of, the remainder of the afternoon was occupied in a variety of games and amusements till night prepared to let down the curtains, when all left for home in their four-wheel vehicles.

**RUSTICO.**—Mr. Francis Peters, Martin, Lot 23, is at present taking a commercial course in Charlottetown.—Mr. Eimer Dolron and Miss Fanny Gallant, of Rustico, were visitors in Charlottetown on last Thursday.—Miss Aggie Doucette, of Charlottetown is spending her vacation at North Rustico, the guest of the Misses Thille and Gerie Pineau.—A very enjoyable "soiree" was spent last Wednesday evening at the home of Mr. and Mrs. John D. Mr. and Mrs. Dolron are famed for their genial hospitality and they proved themselves in this case as hospitable as usual. The splendid repast served in Mrs. Dolron's usual good style, proved to be not an unimportant item in the evening's enjoyment. At a late hour the party broke up, but not before all had expressed their thanks to the host and hostess for their hospitality and accepted the invitation to come back some other night.—T.

With the balance of the money material will be bought and the members of the Women's Patriotic Association will do sewing for the soldiers.

**WEDDING BELLS.**—The home of Mr. and Mrs. John A. Stuart, Wollaston, Mass., was the scene of a very pleasant event on Saturday, Sept. 4th when Miss Mollie McKie and Mr. David Brooks were united in marriage. The ceremony was performed by the Rev. J. R. Chaffie, D.D., of the First Dor. M. E. Church of which both are members. After a sumptuous repast served by Mrs. Stuart assisted by Miss Bessie Russell of Walden, Mass. Mr. and Mrs. Brooks left on a short trip and on their return will reside at 27 Oakridge St., Dorchester. Both young people are well known in P. E. I. Miss McKie being a graduate of C. B. **MEETING AT CRAPAUD.**—A crowded meeting was held in the hall at Crapaud on Saturday night when addresses were delivered by Messrs. Kennedy, McNevin, Crosby, A. E. McLean and James McIsaac. Mr. McLean was a candidate from the neighboring district and rather unfairly took advantage of this joint meeting to air his views. The Conservative candidates had a splendid reception and Mr. James McIsaac was heard to advantage in discussing the record of the Matheson government and criticizing the tactics of the Opposition. The audience gave the speaker the greatest attention and it was evident that the preponderance of the sympathies was with the Government candidates.
