A CRIPPLE FROM RHEUMATISM

Tortured Four Years Until He Took "Fruit-a-lives"

Ridgeway, Ont., May 21st, 1913. "Your 'Fruit-a-lives' cured me of Rheumatism. It was the only medicine that made any impression on me. I was a terrible sufferer from Rheumatism. I was laid up for four winters with Sciatica and Muscular Rheumatism, and was a cripple completely, not being able to do anything. I doctored with four different physicians, but they did not help me. One advertised remedies were equally unsatisfactory, and I have taken several. Some neighbor of mine told me that 'Fruit-a-lives' helped him, and I took them faithfully every day and the result was marvelous. For over two years now, I have been free from any Rheumatic pains whatever, and give 'Fruit-a-lives' the full credit for making a remarkable cure".

A HANDSOME CAR.—Mr. R. H. Sterns' new Russell four-cylinder car, in which he was out on Monday, is a very handsome machine, perfectly equipped. It is especially smooth-running, and has attracted a great deal of attention.

CHANGE OF LOCATION.—Mr. Lund, Alton Road, has the contract of shifting the dwelling house and out-buildings belonging to Mr. Isaac Jay, Mt. Stewart, from their present site to a more convenient one on the opposite side of the street.—L.

DUTIES ENLARGED.—Mr. Jas. Dunn, readmaster of Mt. Stewart, on account of the amalgamation of the two school districts, now has the supervision of the roads on both sides of the bridge. Mr. Dunn is an energetic official and will commence active operations as soon as the conditions permit.—L.

YOUNG MARTINS.—The following will be of interest to P. E. I.: A female martin on the ranch of the Portage Wild Animal Co. gave birth to a litter of kittens a few days ago. The kits are about one week old, and appear to be doing nicely. As soon as they leave the den will report the number. We have also had success with fisher.

ATTRACTIVE INTERIOR.—The interior of the Canada Fox Exchange now presents a very smart and attractive appearance, having been renovated and redecorated recently, the work being exceptionally well done by Walter Ogar. This renovation within is in keeping with the excellent scheme of window painting that was a few weeks ago carried out at this establishment.

THE STEAMERS.—The Northumberland arrived in Charlottetown from Pictou yesterday morning at 10.30, and will take up the regular summer route, making the round trip today. The Empress arrived in Charlottetown from Pictou last night at 7.30 and left this morning at 3.30 for Summerside where she will take up her route by crossing to Pt. du Chene this morning, after the arrival of the express from Charlottetown.

"GYPSY SMITH"—A large audience attended the special service in the First Methodist Church last evening conducted by Evangelist "Gypsy" Simca Smith. His earnest and powerful address on the subject "Following Christ, and does it pay?" was listened to with marked attention by all present. The service will be continued this evening and judging from the interest already manifested it is expected that the large church will be crowded to the doors tonight. All are cordially invited.

AGRICULTURAL WORK.—Professor J. H. Grisdale, Superintendent of Dominion Experimental Farms, and Professor Shutt, Dominion Chemist, who had been on the island for the past few days left yesterday morning for their return to Ottawa. It is proposed to further extend the acreage of the Experimental Station in this province and Mr. Grisdale was here to look over the situation in that regard. On account of the value of the work that is being done at this station and the desirability of further development of that work, it is found necessary to increase the extent of the Farm. Mr. Shutt's visit was in connection with the establishment of a series of fertilizer plots at the Farm which will be commenced this year and by which it is hoped to give valuable demonstration to the farmers of the island.
