Formerly a star athlete, now Canada's top coaching expert, Ace says: "Part of every athlete's success is due to right training, part to right eating, part to knowing 'inside' tricks. Here's a way to improve your basketball score."

SILENT APPROACH BEST FOR POLICE
EYNSFORD, Kent, England, Sept. 17. (CP)—A stealthy approach is more desirable in a policeman than raucous speed. The Eynsford parish council decided, and recommended that the local constable change his motorcycle for a bicycle.
In the "good old days" the policeman went silently through the village streets at night on an unlighted bicycle and no one could hear or see him coming but now you can hear him starting up his machine in the next village and the crooks lie low until they hear him disappearing again," members said.
