

ANOTHER PERMANENT CURE.

THIS TIME OF A
RUNNING SORE.

**S. B. B. Cures Mr. D. Burch of Renon, Ont., of a
Bad Sore on the Leg in 1892.**

IT HAS NEVER BROKEN OUT SINCE.

Look around you and see if you can find any other remedy with such a record of permanent cures to its credit as Burdock Blood Bitters.

Not a little painful and mending up of the system to last a short time, but a thorough renovation, whereby disease is uprooted completely and health permanently restored.

Take the case of Chronic Sores of all kinds, which every one knows are hard to heal with ordinary remedies.

To make a thorough and permanent cure the blood must be cleansed so that pure nutritious blood shall be supplied to the affected part and supplant the decaying tissues with healthy flesh.

Sores or ulcers, no matter how large or how long standing, heal up readily when Burdock Blood Bitters is applied externally and taken internally according to directions.

The statements of Mr. D. Burch of Renon, Ont., given above, prove this, and again establish the claim made for B. B. B. that it is the greatest remedy in existence for such a giving temporary relief, but making permanent cures.

This is the letter written by him, dated February 21, 1894:

"In the year 1892 I was taken ill with Typhoid Fever. When I had recovered from the fever I got what the doctors called Pains, which left my legs a very dark color, and my leg

was swollen to the knee all the time until the spring of 1892 when it broke out half way between my knee and the ankle joint.

"I went to the doctors and they prescribed for me but to no effect. I quit taking any medicine for a while when I was persuaded by some friends to try Burdock Blood Bitters.

"I had not much faith that it would do me any good, but after using it for three days I could see that my leg had started to heal up.

"I kept on using the B. B. B. until I had taken five bottles in all, when my leg was healed up completely, and as sound as ever it was. If any one wants more particulars let them write to me enclosing a three-cent stamp for return postage and I will gladly answer them."

(Sgd.) D. BURCH.

The following letter, written June 30th, 1898, shows how permanent the cure made in 1892 has been:

"Burdock Blood Bitters, made a permanent cure in my case and I have the greatest regard for that remedy. It healed the sore on my leg in 1892 after doctors failed, and there has been no sign of it breaking out since. "I never fail to recommend B. B. B. to persons suffering from any similar trouble and believe it to be the best remedy for purifying the blood. If there is any way I can be of service in making known the merits of B. B. B. I shall only be too pleased to do so."

Mayor Andrews Coming Back

Piles Cured without the Knife by Dr. A. W. Chase's Ointment

Mr. Geo. Browne, painter, of Woodville, Ont., Victoria Co., says:—"For thirteen years I was a sufferer from Bleeding Piles and the intense agony which I passed through during those years and relief I obtained by Dr. Chase's Ointment prompts me to give this testimonial. My physician wished me to have an operation but I felt I could be cured without the knife. Three boxes of Dr. Chase's Ointment stopped the bleeding and effected a permanent cure."

ONLY AND WAY

To Banish the Demon
Dyspepsia.

THE SUFFERER MUST USE
**PAIN'S CELERY
COMPOUND.**

Heaven help all miserable sufferers from dyspepsia and indigestion who are not making use of Paine's Celery Compound! Their position must prove hard and hazardous if they continue with medicine that in many cases is really aggravating the sufferer.

To-day thousands of men and fair women are veritable slaves to the demon of dyspepsia. They are firmly bound with the chains of a disease that tortures both body and mind. Their digestive organism is almost destroyed, and many are reduced to skeletons. Such people do not live; they merely endure life.

The symptoms and troubles that precede and following the course of dyspepsia are poor and variable appetite, nausea, gnawing at the pit of the stomach, heartburn, sallow skin, coated tongue, foul breath, constipation, failing sight, sleepless, headache, low spirits and tired feeling.

Advertised pills, mineral waters, peppins and other medicines will never bring back digestive vigor and health. It is only by the use of Dr. Paine's great discovery, Paine's Celery Compound, that the terrible disease can be banished. The wonderful medicine at once fortifies the nervous system; when this is done the digestive organs are toned and work like a perfectly regulated machine.

Paine's Celery Compound opens up all the sewers of the body and removes the waste matters that have in the past interfered with the work of nutrition, the blood is made rich, and healthy muscles and tissue formed. Your path of duty is now made clear, poor sufferer, you must use Paine's Celery Compound as thousands in the past have done, then only then, will your life be worth living.

DR. CHASE'S OINTMENT.**

Sufferers are at Liberty to Correspond with the Above Address and will Obtain Full Particulars Regarding the Great Cure

HERE IS WHAT HE SAYS:

Gentlemen,—My wife was most terribly afflicted with protruding piles, and contemplated a surgical operation. A friend of ours recommended the use of Dr. Chase's Ointment, and less than one box effected a complete cure. We were so pleased with the ointment that I tried it myself, as I have been troubled with an unsightly skin affection which covered the lower part of my face.

For 25 years I suffered untold agony, and was treated by the best medical skill in the United States. I consider Dr. Chase's Ointment worth its weight in gold for piles and skin disease.
