...EASTERN KINGS.—The farmers in Eastern Kings and vicinity are greatly improving their cattle. Mr. A. W. Morrow of North Lake has a herd of pure bred holsteins of good quality. One of the cows has a record of over 10,000 lbs of milk in a year. Ayrshires too, are popular in this vicinity, and last year a live stock breeders association was formed and a well bred ayrshire bull secured from the Dominion Dept. of Agriculture. The people in these districts are in the right road and evidently mean to make this section of King's County not only the best potato growing section, but also the best live stock section.

RID STOMACH OF GASES, SOURNESS, AND INDIGESTION

"PAPE'S DIAPEPSIN" ENDS ALL STOMACH DISTRESS IN FIVE MINUTES.

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you must injure it with drastic drugs. Pape's Diapspsin is noted for its speed in giving relief; its harmlessness; its certain unfailing action in regulating sick, sour, gassy stomachs. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach trouble has made it famous the world over. Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any druggist and then if anyone should eat something which doesn't agree with them; if what they eat lays like lead, ferments and sours and forms gas; causes headaches, dizziness and nausea; eructation; or acid and undigested food—remember as soon as Pape's Diapspsin comes in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.

IN GREAT DISTRESS FROM ECZEMA

Suffered Over Two Years. Grew Thin and Lost Appetite. Itching, Burning, Sore Eruption. Cuticura Soap and Ointment Completely Healed.

233 George St., Sarnia, Ont.—"I suffered for over two years with eczema which first appeared in small pimples and broke into red inflamed sores. They were very itching and when my clothing rubbed against them I was in great distress. I lost my rest at night and was much disfigured by the eruption. The sores were so bad that I grew thin and lost my appetite. My hands, arms, face and various parts of my body were covered with an itching, burning eruption of sores and though I took many common and much recommended remedies they failed to do any good. I used Cuticura Soap and Ointment and after about three weeks I was completely healed. I take pleasure in recommending them to any other needy sufferers from eczema or other eruptions of the skin." (Signed) Miss Bertha Allan, May 23, 1914.

Samples Free by Mail A generation of mothers has found no soap so well suited for cleansing and purifying the skin and hair of infants and children as Cuticura Soap. Its absolute purity and refreshing fragrance alone are enough to recommend it above ordinary skin soaps, but there are added to these qualities delicate yet effective emollient properties, derived from Cuticura Ointment, which render it most valuable in overcoming a tendency to distressing eruptions and promoting skin and hair health. Cuticura Soap and Ointment sold by druggists and dealers throughout the world. Liberal sample of each mailed free, with 32-p. book. Address post-card "Cuticura, Dept. D, Boston, U. S. A."
