THE CAR FERRY.—The Car ferry steamer, Prince Edward Island, had a rough experience in the storm Saturday night, one of the wildest snow storms, it is said, in the history of the province. The steamer had arrived off Charlottetown Harbour about 12 o'clock, noon after ploughing through heavy rafted ice off Wood Islands, and had wireless a message to the city that she would be in by 12.30. Then the storm broke with such force that it was impossible to see the length of the ship. Anchors were dropped but in the violent gale and heavy sea they would not hold and the Captain was obliged to weigh anchor and make for the open sea. Some miles out she was driven into the ice and remained until daylight yesterday morning after the storm had cleared away. She docked at 8 o'clock bringing 40 passengers, 182 tons freight and 299 mail bags. No discomfort, other than the delay, was experienced by the passengers during their night at sea, although all declared it was the most violent gale and snow storm they had ever experienced.

WHAT CANADA PAYS!

SOLDIERS PAY AND ALLOWANCES, CONDITIONS OF ENLISTMENT PROVISION FOR WIVES, MOTHERS AND CHILDREN

Canada is determined that her sons shall be as well paid and their families as well cared for, as a grateful and wealthy country can afford. The scale of pay for Overseas Service, the allowances from the Patriotic Fund, and the Pensions, are on a more liberal basis than those of any other country engaged in the war.

SCALE OF PAY

Table with 4 columns: RANK, Pay per day, Field Allowance per day, Separation Allowance per month. Lists pay for Sergeants, Corporals, Privates, Buglers, Drummers etc.

The men are, of course, fed and clothed by the Government. The Separation Allowance is the sum paid by the Government to the wife of each enlisted man, or to the widowed mother if the son is unmarried and is her sole support. This is in addition to part of his pay which is reserved for her.

One-half of a soldier's pay is withheld by the Government and paid to his dependents. This ensures that at least \$35.00 per month is paid by the Government to the wife of each soldier.

THE PATRIOTIC FUND

The Patriotic Fund has been created to assist those dependents of a soldier who need more help than the Government gives. From this Fund the following sums are paid if the need exists:—

Table with 2 columns: Wives, Children of widowers, Mothers of unmarried men, Children of married men according to age and number in family. Lists amounts from \$5.00 to \$10.00 per month and \$1.50 to \$6.00 each per month.

Ladies representing the Patriotic Fund pay regular visits to families of men on Overseas Service, and give friendly advice and practical help in case of need. Many employers have pledged themselves to give preference to returned soldiers when engaging men.

PENSIONS

The Canadian scale of pensions range for private soldier, from \$75.00 per year for certain minor injuries to \$264.00 for total disability. In case of death \$22.00 a month is paid to the widow, and \$5.00 a month for each child. A widowed mother whose son was her whole support receives \$22.00 a month.

CONDITIONS OF ENLISTMENT

Age—18 to 45 years. Height—5 feet 2 inches minimum
