**And By Sharing Clothes  
We Mean Buy Conservatively - - -**

We mean . . . do not buy more clothes than you need. If you stock up on clothes you will be helping to cause the very clothes shortage you want to avoid. Do not buy novelty clothes that are limited in use and go out of fashion every season. Do not buy cheap clothes that will cost you more in the long run. We mean . . . buy the clothes you do need with a view to the future. Buy suits and coats. With the classic style and tailoring to fill many needs in one . . . with the high quality that means long wearability . . . with easy, good-looking, comfortable lines that won't go out of style. That's how you men can "share clothes". Give the other fellow a chance at his share of the clothes he needs. We have the coats and suits that fill the necessary qualifications and give you long satisfaction. We have them in the quality, cut and fabrics we are famous for. Look at our selections today . . . buy wisely . . . and do your part to "share the clothes."
