MARITIME TENNIS TITLE MATCHES

Tennis stars, male and female, some of whom are seeded players classed within the first ten in the Dominion, are gazing to the extreme east as the season matures, to little Prince Edward Island down here in the Gulf where from August 5th to August 8th inclusive the Provincial titles, doubles and singles for the respective sexes, will be decided this year. It is a peculiar fact that although tennis has been a part of our sport curriculum for many years, the Island has never been affiliated with the governing body for Canada, the Canadian Lawn Tennis Association. Whether it was an oversight or whatever the reason, the province has remained outside the orbit of the body which controls and regulates tennis in the Dominion. It is the only province so placed. This position of isolation from the rest of Canada is now about to be ended. Affiliation is being sought with the central association in Upper Canada who sanction all championship tournaments in the Dominion and without whose authority such a tournament could not take place. The holding of an open tournament in Charlottetown opens up a new era in tennis for the two Island clubs, Summerside and Charlottetown. It will bring Island players into contact with some of the most noted players in the Maritimes, Quebec and Ontario. Communications have already been received from Halifax, St. John, Ottawa, and other Upper Canadian centres. New Brunswick, where the game has a stronghold, is sending a contingent from Saint John, Fredericton, Moncton, and other towns. Jack Babbitt, holding the Maritime singles crown, who resides at Fredericton, is expected to defend his title, Leroy Rennie, sixth ranking player in Canada, is almost certain to enter the lists. Stars from Halifax who have intimated that they will come include Cliff Wiswell, veteran Maritime player, a former Maritime Champion and still a formidable competitor for the highest honors. Harry Roper, Bev Peirs, and Hugh McLellan, Maritime champion in 1928, a Rhodes Scholar now in London and due back in Canada on July 1st. The Island is particularly fortunate in the dates agreed on, August 5th to the 8th, inasmuch as New Brunswick holds a provincial tournament the last week in July and Nova Scotia is holding hers immediately following the Charlottetown tournament. Players who will figure in New Brunswick meets will thus be at the top of their form for title matches here. It is the first time that the major event of the Maritime tennis world has ever been held in this city and gratification is being expressed by the Charlottetown club and the members of other clubs in Charlottetown. As the entries come in, the Patron will have further information about the tournament.

RIFLE NOTES

The Council of the Provincial Rifle Association met last evening and decided on Thursday and Friday, July 30th and 31st, as the dates for the Annual Provincial Rifle Matches. The program will be practically the same as last year and a booklet giving the list of matches, etc., will be ready for distribution shortly. In order to stimulate interest in rifle shooting, a committee consisting of Capt. W. A. Smith, Lieut. S. Moore and Sgt. A. McCabe were appointed to arrange matches preceding the Provincial. These will be held on Saturday afternoons, starting July 4 and some will possibly be held on Wednesday afternoons. There will be some prizes in connection with the matches. The City Championship Trophy over which some great battles have taken place, has not been shot for since the War, to our recollection. This year the match will be revived. On Saturday, July 18th, it is understood that the competition is confined to riflemen resident in the city and Royalty. The ranges will be 200, 500, 600. The valuable City Championship Trophy will go to the winner and there will also be prizes for an open shoot. The Guardian Trophy, which is limited to a team of four men, is another piece of silverware which has not been very active in moving around of late years. At present it is in the custody of the veteran rifleman E. G. Love, who with three other stalwarts won it from the

IN MEMORIAM

CECILIA PIERCE On Friday, April 24, 1931, the angel of death visited the home of Mr. and Mrs. Wm. Pierce, of Elmira, and called to its eternal reward, their dearly beloved daughter Cecilia, at the early age of nine years. Deceased was a child, endowed with more than ordinary talents, bright and attentive at school, kind and obedient at home, the idol of the family and a general favorite with all. She bore her sickness of several months duration, with marvelous fortitude and patience, without a murmur or complaint, and although she received the best medical attendance and the kind attention of devoted parents who saw her slowly waste away, until death relieved her of her sufferings and permitted her pure and innocent soul to join the vast army of blessed angels who eternally sing the praises of Him whom her youthful heart had learned to love and serve so well. There are left to mourn, besides her sorrowing parents, two sisters, Mary and Cora. Her funeral, which was held on Sunday afternoon, was largely attended. Services at the church and grave were conducted by her pastor, Rev. R. J. MacDonald, who also administered the last rites of the Catholic Church and all that was mortal of "dear little Cecilia" as she was familiarly called was laid tenderly and lovingly to rest. The following Mass Cards were received:—Father and Mother, Sisters Mary and Cora, Uncle Joseph, wife and family; Uncle Jack and Aunt Josephine; Eileen and Kimble McDonald, South Lake; John J. McDonald and family, South Lake; Mary Harris, Charlottetown; Thomas Harris, Joseph Harris, Mr. and Mrs. A. P. MacPhee, Elmira; Mr. and Mrs. P. E. LIBERAL CANDIDATES NOMINATED—Messrs. Mont Annear, Lower Montague, and John A. Campbell, Heatherdale, were nominated as Councillor and Assemblyman respectively to contest the Fourth District of King's at a meeting of Liberal delegates held at Murray River on Thursday. Mr. C. B. Clay, president of the King's County Liberal Association, presided, Mr. H. W. Herring acting as secretary. Mr. Bruce Butler, ex-minister without portfolio in the Lea Government who resigned from the Government as a protest against the undemocratic attitude of Premier Lea, was present. Addresses were given by the candidates and by Mr. Butler, Premier Lea, Hon. J. P. McIntyre, Dr. T. V. Grant and S. S. Hessian. Resolutions were passed endorsing the Lea Government, and condemning the Bennett Government for not implementing election promises. Tommy: "Papa, what is a consulting physician?" Papa: "He's a doctor who is called in at the last minute to share the blame." York rifle team. It will likely be shot for in the near future. The Cadet Match this year in connection with the P. R. A. will be shot with 22 calibre rifles at 100 yards. The targets have been received by the Secretary, Colonel Leigh.

LOOKING 'EM OVER

BY TEC. OFF FOR MARATHON Willard Locke, classy Charlottetown distance runner, leaves this afternoon for Halifax, Nova Scotia, where he will run in the annual Marathon being staged there on Wednesday, July 1st. Willard, it will be remembered, finished in sixth position last year and reports himself in perfect condition for the grind this year. He confidently expects to be among the first three to breast the tape this year. Locke is heavier and appears more rugged this season, and his many friends no doubt are pulling for him to even win the classic on Wednesday next. BIKE MEET, JULY 7 The following is the list of events for the big bike meet which is to be held on Tuesday evening, July 7th. All the events are open to the Island. Entries close on Friday, July 3rd. Slow race 220 yards—Last rider crossing the line wins. A decorated bike parade will be held before the meet, said parade ending at the Abwegit' Grounds. Prizes will be awarded the best decorated bicycles. THE RYDER CUP TEAM British golf experts are bitter and vitriolic over the selection of the Ryder Cup team, and particularly derisive because Cotton was left off the team. The fact that Arliss and Aubrey Boomer were left off because they belong to continental clubs is regarded as a sign of weakness. They point out that if Deigel, who works in Mexico, is eligible to play with the States, there is no reason why Arliss and Boomer can't play for England. The committee has been assailed on all counts. Such a storm was raised over leaving Geo. Duncan out that he was finally let in, a confession of weakness which didn't add any to the prestige of the selection committee. Cotton will play in the American open, and other tournaments. He is frankly after honors of his own, and this doesn't meet with the approval of the committee, who wanted him to come back to England after the tournament. Cotton has a big following because he represented a probable triumph for Britain which will be denied because he is not allowed to take part. DEMAR, GOOD SPORT At the Scottish games at Boston, Saturday, the judges declared that Clarence DeMar was fourth in the 10 mile run, while he said that Pawson was fourth. DeMar was quite insistent but the judges refused to change their ratings and he had to take the fourth prize, a wrist watch. He at once offered it to Dawson, who was firm in his refusal, thanking Clarence, but not wishing to take the prize unless it was awarded to him. Jimmy Hennigan also started, but dropped out, after running five miles. The day was too hot and his feet were both-ering him. SHARKEY SIGNED Jack Sharkey has been signed to box Mickey Walker for the Milk Fund at Ebbets Field, Brooklyn, July 22. The 58,000 seats in the Park have been scaled to draw \$600,000. HOOF BEATS year. Things have been speeding up at the Charlottetown Driving Park last week in preparation for the races at Summerside, Dominion Day. The best workout registered so far this year is by Billy Cope who stepped in 2:14, on Thursday. Lucky Lindy registered a mile in 2:15, recently. Golden caught it in 2:16; Briar Mac, 2:18; Lealock paced in 2:16; Capt. Jackson trotted in 2:17; and various other horses performed around 2:20. Watts Edition, 2:13, owned by Mr. William Trainor, is at the track now and trumped a mile in 2:17, yesterday. He will likely start at Souris July 1st. Dillingwood Earl 2:12, now owned by Patrick McKenna is pleasing the railbirds with his easy way of going. Pat's many friends will be glad to see him top several summaries this year. Billie McVeigh, has Miss Possibility, 2:12, under his wing now. He is a very slick pacer and can trot the half in 1:05 mighty easy. The Summerside races, Dominion Day will have a strong list of entries from Charlottetown. Some of the horses going are, Lealock, 2:10; Captain Jackson, 2:14, from the Tom Holmes Stable. Miss Possibility, 2:12; Billy Cope, 2:14; Worthy Louise, 2:15; Golden, The Willys, Sun-glem. Jessica the Great, 2:14; Peter Wilton Junior and others. The race track at Montague is in the pink, the committee in charge having spent a lot of time in fixing it up. They claim that it will be a second and a half faster than last year. Their races will be held a week previous to the Exhibition. The following are the dates of the P. E. I. race circuit: Summerside, July 1st; Georgetown, July 8; Northam, July 15th; St. Peters, July 22nd; Upton July 29th; New Annan, August 5th; Montague, August 12th; Provincial Exhibition, Charlottetown, August 17th to 21st—four days of this will be horse racing. Races will take place at Amherst the week following Charlottetown, then Halifax the following week, then Saint John and the next week Fredericton. At the Woodstock, N.B., horse races held last week, three of the winners were from the stables of Peter Conroy, late of Charlottetown, but now located at Woodstock. One of them was Fernwood Aubrey, who was owned in Summerside last

S' Side High School Closing

The Summerside High School closed for the summer holidays on Friday morning. The Assembly Hall was filled with pupils. Mr. Jelly regretted that a general invitation to the public could not be given as the enrollment of pupils had so increased that there was no room. A few interested visitors were accommodated. Dr. E. T. Tanton, chairman of the school board presided and in a few appropriate words congratulated the children on their year's work and the splendid showing they had made at the School sports. On the platform with Dr. Tanton, were Dr. J. A. McPhee, Mr. Neil McLeod, K. C. Mayor Lidstone, and the principal, Mr. C. B. Jelly. The proceedings opened with "O Canada," by the pupils, followed by a Drill, Frogs and Fairies by the primary class. The Principal, Mr. Jelly, then addressed the pupils. He congratulated both teachers and pupils on their work and gave encouragement to those pupils, who, although working hard, had not gained a prize. There were only two changes on the teaching staff last year and this year there will only be one, Miss Leard, who has been one of the most efficient in the school for the last 8 years is leaving and her place is being taken by Miss Bishop. It is a good thing for the school to have permanent teachers. The enrollment this year has reached almost the 500 mark, the largest the school has ever had. Mr. Jelly complimented the children on their splendid showing at the recent sports in Charlottetown. Mr. Neil McLeod, member of the school board and former headmaster presented the merit cards to the pupils, coming 1st, 2nd and 3rd in classes 1-5, and congratulated the children most heartily. Mayor Lidstone in a short address added his congratulations and assured the pupils that he would do his best to see that a larger assembly hall was provided to meet the growing needs of the school. The town had made steady growth and he was proud of it and of the splendid type of children that were growing up and which were assembled here today. Dr. McPhee then presented the merit cards to the pupils from grade 6-9. Special prizes were given as follows: For best writing in Grade 7, presented by Mrs. Willard Muttart awarded to Miss Annie Birch. Prize for the best improvement in writing, presented by Mrs. C. B.
