KINGS COUNTY PRIZE LIST

The showing of horses at the Kings County Exhibition, at Georgetown, on Wednesday, was very creditable. The general purpose and carriage and heavy draft classes had a number of outstanding animals, and there was very keen competition in mares with foal at foot. Mr. Reagh Horne was the judge.

The beef cattle, which were judged by Mr. W R. Shaw, were on the whole of fair quality.

The dairy classes, however, were among the best shown at a Georgetown fair.

Mr. Shaw judged the Ayrshires, which as usual were of excellent quality. The Grand Champion Female was won by Gavin Reid of Victoria Cross, and the Champion Male by George Annear, Lower Montague. The herd prizes went as follows: (1) to Edwin Reid, Rollo Bay. They showed the most uniformity of the class. The herd shown by his brother, Gavin Reid was a close second. The third and fourth prizes were won by George Annear and William Aitken respectively.

The Jerseys, Guernseys and Holsteins were judged by L. W. Roper. These classes were of very good quality and special mention is due the Holstein heifer exhibited by Miss Bessie Wood of Rollo Bay West. This heifer, which was the Grand Champion female, was purchased by Miss Wood for calf club purposes two years ago and won many honors in the provincial and county fairs.

In the Jersey class an outstanding animal was the heifer purchased by Mr Mair of Burnt Point from the Messrs. Clark Bros., North Wiltshire.

The young Guernsey bull owned by Lester Johnson, Fortune Bridge, won the Grand Championship. This bull was purchased by a calf club member and shows excellent quality and type.

The classes on the whole were of an average good quality and type, but in some cases they lacked finish.

A Jersey bull exhibited by E. H. Bulpitt & Son, Roseneath, won first prize at this fair and also in his class at the Provincial Exhibition.

The swine, sheep and poultry on the whole made up a splendid exhibit.

The roots, vegetables and flowers were judged by Messrs. Parent and Warren, of the Experimental Farm. The roots especially made an excellent showing, the mangles being outstanding. One lot of eight weighed 74 pounds, another 56 pounds. The vegetables were of fine quality and were well selected The same was true of the flowers.

The entry of fruit was not large but the quality on the whole was very satisfactory. They were judged by Mr. Reeves.

The exhibit of women's handicraft, including mats, rugs, etc., and the domestic science exhibits were judged by Miss Haszard and Miss MacMillan of the Women's Institute Department, Charlottetown. These exhibits were on the whole highly creditable to the ladies of King's County.

Messrs. R. T. Holman Limited, of Charlottetown, showed Enterprise stoves, electric washers and radios through their local agent, Mr. James Easton.

PRODUCE

(Canadian Press)

MONTREAL, Sept. 7—A gain of a quarter to half a cent a pound was registered by no 1 grade butter in carlots or less on the Montreal dairy and produce market today, with prices generally becoming 18¼ to 18½ cents a pound, compared with 18 cents yesterday. The advance is attributed to increased export business. Sales have been made to England and this week's shipments are expected to total 2,500 boxes. The British butter market has continued to improve of late and sales of Canadian butter can be made at the full market price. Receipts today totalled only 11 boxes.

All other lines held unchanged. Cheese held steady at the week's advances with Ontario bringing 10¼ to 10⅜ cents a pound and Quebecs 10 to 10¼ cents. Good cheese export business has been done this week and heavy shipments are being made. Receipts today were 1,228 boxes.

The egg market was firm at 22 to 23 cents a dozen for extras, 17 to 18 cents for firsts and 13½ to 14 cents for seconds for graded shipments in carlots or less of Ontario eggs. Arrivals amount to 499 cases.

The potato market was the same at 75 to 80 cents per 80 pound bag of new Quebecs.
